GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From C. H. MOUNSEY, Esq., President of the District Board, Chingleput, to the Chief Secretary to Government, dated Saidapet, 19th October 1895, No. 920-L.

I have the honour to state that one Venkatachari, the owner of a house (marked C in the enclosed sketch) in the street east of the temple tank at Sriperumbudur, in the limits of the Chingleput taluk board, had encroached on the public street to an extent of $11\frac{1}{4}$ feet and the same was removed by the chairman of the Sriperumbudur union under section 98 of the Local Boards Act. Such removal has caused the demolition of a part of a room attached to the main building and has left the remaining portion without any support.

2. Venkatachari has since applied to the district board for grant of permission to build up his demolished house and koradu at least in a line with the other houses in the street and stated that he is prepared to pay a rent for the space required for the purpose, or to purchase it.

3. I inspected the street and the house in question and found that, while the street is about 14 feet wide in other places, it was 18 feet wide from house to house at Venkatachari's, and that there is no objection to his being allowed to occupy 4 feet of public land as requested by him.

4. I accordingly placed his application before the district board at its meeting held on the 14th instant and it was resolved that, as there is no objection to the application, it may be granted and the 4 feet of land sold to the applicant for Rupees 7-8-0 which is the local value of the piece of ground in question.

5. I enclose a copy of the resolution of the board and recommend that Government will be pleased to sanction the sale of the land to Venkatachari as proposed by the board.
