To

The Chief Secretary to Government,

Local and Municipal Department,

Madras.

Sir,

In forwarding herewith a copy
of the Resolution of the District
Board Salem dated 25th October
1895, I have the honor to request
that government will be pleased
to sanction with effect from 1st
December 1895 the transfer of the
toll gate at Sundukuriki (established
under
in G.O. dated 12th June 1894 No 1063
L. No) to a site beyond the 2nd
furlong on the eastern side of
the travellers bungalow at Shulagiri
on

Encls = 2

on the same road.

2. This gate was at Shulagiri and in the G. O. above quoted it was transferred to Sundukuriki with a view to toll the traffic between Berikai and Krishnagiri. and at the request of the Contractor for 1894-95, who was a native of the Sundukuriki village. The Contractor for the current year complains that much inconvenience is experienced by him at the hands of the last year's contractor and requests that the gate may be transferred to a site in the Biripalayam village which is his native place. But the District Board considers that

that the effect of allowing the gate to remain at its present place at Sundukuriki or of removing it to Biripalayam will be to make it a monopoly in the hands of either of these two men, and the Board has therefore resolved to transfer the gate to the site referred to in para 1 supra. As this gate is on this side of the road from Berikai to Shulagiri, the traffic between Berikai and Shulagiri will continue to be tolled.

Please see the rough sketch in the margin of para 3 of the preceding letter in G.O. no. 831 L. dated 9th May 1894.

A draft notification is herewith enclosed.

I have the honor to be
