From J. Andrew Esquire,
President, District Board,

Trichinopoly, al Dept.

To The Chief Secretary,
to Government,
Madras.

Sir, In submitting herewith a copy of the District
Board's Resolution No. 66, dated 12.10.95, sanctioning
as an experimental measure the appointment of
two second class Sanitary Inspectors on Rs 45 each
for a year, I have the honour to state that the ex-
-penditure was not foreseen at the time of the pre-
-paration of the budget as the idea of the enter-
-tainment of Sanitary Inspectors occurred only
after the receipt of the Sanitary Commissioner's
letter, dated 19.9.95, No. 1600/s. As this is a season
when the appearance of cholera might be ex-
-pected, it would be a more fitting time than
any other part of the year to entertain Sani-
-tary Inspectors so as to enable the District
Board to watch the effect of employing these
officers on sanitation and public health. The

proposed

proposed entertainment of Sanitary Inspectors
will not in any way interfere with the expen-
-diture under other grants and it will still be
possible to give full allotments to roads as laid
down in G.O. 16866 as there will be in-

-creased receipts under land-tax owing to
the resettlement of the Land Revenue of the Dis-
-trict. Under the above circumstances, I

request that Government will be pleased to
sanction the entertainment of Sanitary Ins-
-pectors from the middle of this month. The

Sanitary Commissioner informs me that

-certificated Sanitary Inspectors are avail-

-able for employment. I enclose a proposi-

-tion statement and solicit the favour of

early sanction.

I have the honour to be

Yours most obedient servant

FOR ORDERS.

As to whether the District Board's proposal to employ two Sanitary Inspectors on Rs 45 each as an experimental measure for one year may be sanctioned. The Statement marked with red tape, Submitted with the current year's budget, Shows the proportion of the estimated expenditure on the several services to the general Local Fund receipts of each Local Board.

2. The Sanitary Commissioner's general proposals for the employment of Sanitary Inspectors have been referred to all District Boards and Municipal Councils, ^{for remarks} by G.O. No 1658 M dated 16th October 1895.
