CURRENT No. 3026

Ref. No. 1914 ggs

From

C. H. Mounsey Esquire,
President of the District Board,

to

Chingleput

To

The Chief Secretary to Government
Local and Municipal Department
Madras

SIR,

There have been constant complaints year after year from the contractors of the Sentalur toll gate on Sentalur road, that owing to a large no. of tracks on both sides of the road & carts have successfully evaded the payment of tolls by making a detour across those loop lines and rejoining the main road at certain distances from the toll gate, thereby subjecting them to much loss. At the instance of the present contractor who complained bitterly of loss of income in that way, the District Board Enquiry was asked to inspect the locality and suggest if possible a remedy. We propose that the evasions complained of

can be checked by placing a subsidiary
bar in the Kadapperi village at the
16th mile stone of the same road where
a set of these cart tracks meet and lead
the Trunk road. This suggestion was
considered by the District Board at
a meeting held on 14th instant

and approved by it with effect
in next official year.

A copy of its resolution with a draft
notification and a sketch map showing
position of the existing main gate
and the proposed subsidiary gate
is enclosed.

I have the honor to request that
Government will be pleased to sanction
the opening of a subsidiary toll gate
in the limit of Kadapperi village at
the 16th mile stone of the Southern Trunk
road with effect from 1st April 1896 and
order the publication of the notification
in the Fort Saint George Gazette.

I have the honor to be,
Sir,
Your most obedient servant

President of the Board

CHINGLEPUT DISTRICT BOARD'S OFFICE,

Ref. No. 2847 of 95.

SAIDAPET, 30th October 1895.

Chief Secretary to Government,
Local and Municipal Department,
Madras.

From G. D. Forbes Esquire,
President of the District Board,
Chingleput.

To the Chief Secretary to Government,
Local and Municipal Department,
Madras.

Sir,
In reply to the memorandum of
Government No. 1490 dated 24th October 1895
regarding the arrangements proposed
to prevent toll being collected at both
the toll gates at Kadapperi and Vandalur,
I have the honor to state that
for every payment of a toll, the
toll collector has to pass a receipt
of which he is requested to keep
printed copies. When toll is paid
at one of the two gates and the
receipt

receipt obtained therefor is
 produced at the other gate on the
 same day no further toll will be
 demanded there. This arrangement
 is well known in the district and
 it will be further published in the
 villages affected by the toll gates
 under question.

no more named have the honour to be,
 Yours faithfully,
