Account.

READ—the following paper:—

From A. H. GARRETT, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 29th December 1894, No. 1845 G.D.

I have the honour to submit, at the request of the Vice-President, District Board, Gódvári, a plan and estimate, amounting to Rs. 30,238, drawn up by the Deputy Director, Royal Indian Marine, Calcutta, for constructing a stern wheel steamer for the river ferry at Narsapur, and to request that sanction of Government may be obtained to the same under Incorporated Local Canal and Ferry Funds Tools and Plant.

2. The plan and estimate have received the approval of the President, District Board, Gódvári, and a copy of the extract from the Proceedings of the District Board, dated the 24th November 1894, is enclosed together with the Vice-President's letter No. 2459-D.B., dated the 1st December 1894.

3. The steam launch already constructed for the Narsapur ferry under the sanction conveyed in G.O., No. 3309 W. of the 13th December 1890, has been used for another ferry; hence the submission of the present estimate.

4. No specification accompanies the estimate as the steamer will be built on the same lines as those laid down in the specification which accompanied the estimate for the steam launch sanctioned in the above Government Order.

ORDER—dated 15th January 1895, No. 84 W., Public Works.

The estimate, amounting to Rs. 30,238, for constructing a stern wheel steamer for the river ferry at Narsapur in the Gódvári district is sanctioned for execution on funds being made available by the Local and Municipal Department.

2. This sanction has been registered as Incorporated Local No. 17 W. of 1894-95 and classified as Tools and Plant, Special.
