SIR,

I have the honour to state, with reference to para 4(3) of G.O. No. 527, d, Local and Municipal Department, dated, 17th March 1894, that the Inspector of schools, Western Circle, recommended the employment of certain circle gymnastic instructors under the Malapuram Taluk Board in the Budget for 1894-95, but this was not recommended by this office as the Taluk Board was in want of funds even for the extension of primary education to

to the extent required. The Malapuram Taluk Board resolved to defer the question of appointing circle gymnastic instructors for want of funds, as will be seen from the enclosed extracts. The Palghat Taluk Board also provided in its budget for such gymnastic instructors. (Please see President's letter recorded in the order under reply - para 50 (d)). This Board, it will be observed from the President's letter, had to close a large number of salary-result schools for want of funds. Mr. Chouro appears to have recommended the abolition of these appointments, where gymnastic teachers had been

been employed and the abandonment of the proposal, where the employment of such teachers was suggested by the inspecting officers. This he did solely with a view to set free as much money as possible for the improvement of elementary education.

My own opinion on the question of circle gymnastic instructors was given in my letter, No. 8224, dated 16th June 1892 disposed of in L.O., dated 6th July 1892, No. 1570 & his.
