Sir, I have the honor to request the favor of your obtaining the orders of Government for the sale by auction of a narrow strip of land in Melvadriga — street colored red in the enclosed sketch. It is situated between a slope and a house and measures 23 by 6 ³/₄ feet towards the east, narrowing to a width of 5 ft in the west.

The place can be of no use to the Municipality. It is, as will be seen from the sketch, a continuation of a lane blocked on all sides except the east. One Chinna Saami Naidi the owner of the adjacent house wanted to purchase it but on the neighbouring slope owner also applying for it, the Council at their meeting on the 21st July 1874 resolved to sell it by auction. Copy of the resolution of the Council is also enclosed. I have the honor to be

The Chairman is requested to report
whether the sale of the land in question to
Chinnasami Naidu would cut off from access
through Melvadaaga Street the plots
belonging to Gopala Naidu and Kneeta-
raa chetti.

For orders/

CNOs 1888 + 2249m.

For orders

It is submitted that the
Municipal Council's proposal to
sell the land in question by
public auction should not be
approved, as the owner of the
tope situated to the west of it
will be deprived of the means
and apparently the only means
of access to his land from the
lane. If, as is likely to happen,
the owner of the adjoining land
on the north or south, purchases
it at the auction sale.

V.R.
2/10/94
Chinnasami Naidu has ap-
parently put up the Chairman to
make this proposal. Naturally the
owner of the neighbouring
tope objects. It is sub-
mitted that the sale should certainly
be facilitated. The Chairman's first
letter & plan appear to have been
intentionally misleading, & he may be
held so. This Council seems to
be in a hurry before the Crooked Lane.

With reference to Memorandum
No. 979 dated 13th October 1894, I have the honor
to state that the topos of Gopala Naidu
and Venkataswami Chetti have got sepa-
rate ways to enter into them and the
sale of the land in question will not
in any way interfere with them.
Venkataswami Chetti has got a gateway
to his tope from a lane in the western
side of his tope, while Gopala Naidu
can enter into his tope from the
Melvadaaga Street itself.

2. I think the land in question can
be sold in public auction with
advantage.
