To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In connection with the Budget Estimate for
the current year, the Malabar District
Board proposed to employ a peon for each
Taluk to distribute pay among the Board
Schoolmasters, and Mr. Morris suggested
to Government that the arrangement
might be tried as a tentative measure,
suitable security being taken from the
peons. In the enclosed letter the President
of the District Board
as to the form of bond to

executed by the peons. Two such peons have for years been employed under the Special Assistant Agent, Ganjam, to distribute pay to Hill school teachers and the Inspector of schools, Northern Circle, was, accordingly requested to report whether they had executed a bond or furnished security. I find that they have done neither. This should not, I think, furnish a precedent for Malabar, for the amount of money that may have to be entrusted to the Malabar peons will be considerable.

2, therefore, that it would

be prudent to take some security from them. I have the honour to suggest that the Board be required to call on the peons to execute security bonds for the sums they actually tender as security in the form of cash security bonds which Shroffs execute, or to execute indemnity bonds from approved and trustworthy persons prepared to come forward as sureties for the sum which the Board may at any time entrust to the peons. The Government Solicitor may be required to have two forms drawn up.

I have the honour to be,
Sir,

Your most obedient servant,

J. S. S. S.
Director of Public Instruction.

These two forms admit of either of
immovable property being placed as security,
or of third parties coming forward as
sureties. Cash security is it is submitted,
open to objection in the case of low paid
servants. They nearly always have to
borrow the amount for interest on it,
this amounts in practice to a deduction
from their already low pay.
