states as follows.

The land occupied by the union for two latrines and a dust bin in the Golla street is my garden land. I do not like to give up that land. I cannot get properly the produce of mango trees which are between the latrines as they are frequented by the public. I therefore incur loss. It is also my wish to improve the garden by planting mango trees on the land where these latrines ~~[illegible]~~ built.

The vacant site opposite the Swamivari tank is mine. It was given to me 44 years ago by the Bobbili Zemindar. It is in my enjoyment. I do not like to give up the land on which a latrine was built on taking compensation therefor. I am contemplating to build houses thereon. The union chairman has been giving me an annual rent of Rs 2 for 3 years for the land on which the latrine was built. The rent has been leased for the last 10 or 15 years to an annual rent of Rs 6. If the Government wants to take it on compulsion, I claim Rs 50 as its value if not I do not like to give up that land.
