CHIEF SECRETARY
11-NOV. 1895
GOVERNMENT OF MADRID

4th November 95

Local & Municipal De;
CURRENT No. 3348

To,

His Excellency the Governor
in Council Fort St.
George Madras.

The humble memorial of Machingal Kuntheen mulla
2nd master malapuram North mapila school Erumai
Taluk Malabar District.

Respectfully sheweth, That the memorialist

humbly begs to place the following before your Excellency
for kind consideration and favourable orders.

That the memorialist has been for
the last 24 years a mapila school master at malapuram
and maintaining himself and family with his pay.

That now the memorialist with
extreme sorrow beg to submit that he has been by the
inspecting schoolmaster served with a painful notice
informing him that His school will be removed
from the list of salary Recd schools with effect from
1st December 1895 in case Government sanction
is received for so doing and consequently the
memorialist is obliged to venture to approach your
Excellency with a prayer that even if some mapila
schools are wanted to be closed for effecting a
reduction in the expenditure of Local Funds his school
may not be included in them in consideration of
the facts below.

First and foremost his school is
one established so early as 1871 when there were
no schools in existence and when mapilas had a
bitter hatred towards any secular education,
Mr. Magrignan the then collector of Malabar, a
special benefactor to mapilas wanted to emancipate
them from strong control of ignorance which held
them to inter-

them to interfere in matters even against the
government putting their own body, family
and properties in perfect danger and all sorts
of inconveniences and loss and for accomplishing
this object he desired to start mappila schools.
In obedience to his order, the Local Adigar
Kalappadom Unnigam who is now about to
receive from the Government some rewards in
connection with Panditad a local Consulted
many mappilas to convert their mosque schools
into mappila schools but none, but consented
to do so except the poor memorialist who alone
converted his mosque school into mappila school and
he now to discharge his duties with great difficulty
consequent upon religious prejudices of his
congregants both rich and poor. It is long after
then, that some other mappila schools also came
to existence. Enclosed Certificate from Kalappadom
Unnigam Adigar will clearly prove that his
school is the one started first in the District
and the memorialist has undergone great
difficulties in starting it.

That the memorialist then
underwent an additional difficulty of being a
pupil in the mappila sessional school only
to enable him to discharge the duty efficiently.
That subsequently he sent his
eldest son to normal schools and got him through
qualified to hold the post of the Headmaster
of this school.

That he as a Headmaster gets a
monthly pay of Rupees 4 and the memorialist as
2nd master Rs 4 and with this 8 rupees the poor
memorialist and his son jointly support themselves
and their big family.

That their school is now exists
in a very flourishing and satisfactory conditions
and the memorialist can say that his school
is the best of all in the District.

That

That he begs to add that it being in addition to the schools
in existence that 14 schools are now sanctioned there is no necessity
to close any school.

That the memorialist humbly begs
to add that had mappila Educational Officer
been consulted in the matter his school would have
been certainly found to be retained in its present state.

That it is a reason for sorrow to
the memorialist that the Board have in the
absence of such consultation and enquiry and
overlooking his services and present state of
his school proposed to close now.

That the memorialist also begs to state
that his wife is also conducting a mappila
girls' school in spite of repeated protests from
mappila community.

That the memorialist's school is now
attended by 100 mappila children and this very
fact will show that all other neighbouring
schools are inferior to his school. His wife's school
is attended by 70 mappila girls.

That it is a reason for disappointment
that his school which has come to existence first,
has been proposed to be closed while other schools
in the neighbourhood which are very recently opened
are proposed to be retained.

That the memorialist begs to submit
that should your excellency be so good as to accord
sanction to the proposal made by the Board behind
the back of mappila Educational Officer the memorialist
will have no other go than to fall into great misery
and distress.

That he and his son are only familiar
to the profession of teaching and if they are now
thrown away from it they will have to starve for
ever.

That the memorialist for these reasons humbly
craves your Excellency that service qualifications
of teachers, present condition of school and other
circumstances connected may be kindly compared
and his school may be retained.
For which act of charity the memorialist
shall as in duty bound ever pray.
