Order No. 2270 dated 23-11-95

The explanation furnished
by the President of the Taluk Board
cannot be considered satisfactory,
as in G.O. No. 29392, dated 25th Novem-
ber 1891 the Presidents of Taluk
Boards were required to compile
the statements to be submitted
with their administration reports
from the preliminary accounts
for March and the Engineer's pro-
gress reports for March, which are
available in April and their
attention was again drawn to
this in G.O. No. 31302 dated 16th De-
cember 1891.

To,

The President,

District Board,

Visagapatam.

Sir,

In reply to your endorsement No. 965 dated 3rd instant, I have the honor to state, the Treasury Supplemental March Account without which the Local Fund Report could not be prepared, was received by Mr Thornton the then President in Waltair on the 10th June 1895 i.e. 10 days later than the due date. The account was received by my Taluk Board Clerk in Panvatipur on the 12th idem. The clerks took two weeks to prepare with care the Local Fund Report and its statements. The report of this Taluk Board was despatched on the 26th June last. The delay therefore was due to the late receipt of the account from the Treasury Deputy Collector.
