From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

With reference to G.O. No. 1647 L. dated 9th September 1895, I have the honour to submit the explanation of the Assistant Inspector of Schools, First Division with the Inspector of Schools' remarks thereon for the long delay in the submission of the reports and returns due from the former.

2. It will be observed that the Assistant Inspector has offered no satisfactory explanation for the late submission of the report on the working of the Inspecting Schoolmasters. He however appears to have had hard work to do and qualified clerks are difficult to get.

3. As regards the late despatch of the statement of the Lower Secondary schools, he does not appear to have acted with sufficient discretion. As remarked by the Inspector of Schools he would have done well to have sent in a copy of the statement to the President, District Board by the same day on which

SUBJECT:

Submitting his explanation for the delay in the submission of the Annual Statements and report to the President, District Board, Vizagapatam.

Vizagapatam
20th Oct 1895
Despd 22-10-95

No. 2/693.

Submitted to the Director of Public Instruction, Madras, with reference to footnote, no 10,159/16.9.95 to G.O. no 1647 dt/ 3.9.95

2 The President of the District Board has complained of delay on the part of the Assistant Inspector in the submission of
(1) report on the working of Inspecting schoolmasters,
and
(2) Statement shewing the working of Secondary schools.
Instead of explaining the delay in these two cases straight on, the Assistant Inspector in his anxiety to give a satisfactory explanation brings in other matters and makes his letter unnecessarily long. There is no doubt that as an Assistant Inspector Mr. Subbarayadu was obliged to do hard work. He could have, however, furnished the President of the District Board with the report on the work of Inspecting schoolmasters much earlier than he did, as he himself admits that he was able to submit it before receiving the reports of Sub-assistants.

3. M. R. Ry Subbarayadu Sastri should have furnished the Presidents of the various Taluk Boards with the statements and information relating to Secondary schools, in which case the President District Board would not have called for the statement again; or he should have submitted a consolidated statement relating to all the Secondary schools in the District to the District Board President and informed the Presidents of Taluk Boards of the same. The former course is to be preferred to the latter, as the Presidents of Taluk Boards also wish to know how the schools under them have worked during the year. After all, there was only one English Middle school and one Vernacular Middle school under the Parvatipur Taluk Board. Either the Assistant Inspector might have obtained and forwarded the information to the President or the President himself might have obtained the information from the Head Masters of Schools. One of the Schools was at his Head Quarters and the other not very far off from it.

P. Srinivasachari
Asst. Inspector of Schools,
N.C.

Both the Sub Assistant Inspectors in the District spent a long time in the agency Divisions under them last year and the verification work at the Huzur Treasury could not be finished rapidly.

I have the honor to be,
Sir
Your most obedient servant,

Assistant Inspector of Schools,
First Division.

with a statement on the 21st idem. But on the 5th of August 1895. I received from him again a letter No 277/1-8-1895 requesting me to forward statement (C) direct to the President, District Board, which I submitted to him with my Endorsement No 3366/10-8-1895. In this statement, I have furnished the particulars of all the Secondary schools in the Local Fund circle, lest I should again be called upon for the particulars of other schools at such a late hour if I omitted to give them in this statement though it was not prescribed by Government and though the return was one never furnished from my office. The President, Bobbatipur Taluk Board would have done well if he had obtained the statement from the Head Master of the Middle school, Bobbatipur just as the other Presidents seem to have done.

6. To conclude, I beg to submit that it will be plain from the above paragraphs that I spared no pains to expedite the submission of statements from my office in spite of the disadvantages which I had laboured under, and that the Sub Assistant Inspectors were the primary causes and the President, Taluk Board, Bobbatipur the secondary cause for the delay in the submission of Educational statements to the office of the President, District Board, Vizagapatam.

Both

5. As regards the submission of the statement showing the working of the secondary schools, I have the honor to state that this statement had never been submitted to the President, District Board, in the previous years as it was not one of those prescribed by Government in G O no 885 Ed 15-4-1891. The President, Taluk Board, Parvatipuram, asked me in his letter no 172/215-1895 herein enclosed, to furnish him with the statement showing the working of the secondary schools and this I took for statement IX which was forwarded on the 9th June 1895. On the 1st July 1895, I received from him a reminder for the submission of this statement which he then called as Statement (C). But I took this for the statement (C) relating to Teaching Staff prescribed in G O no 885 Ed 15-4-1891 and I reported to him in my letter no 2758/5-7-1895 that I had already forwarded this statement along with others on the 9th June 1895 and requested him at the same time to furnish me with a sample form of the statement. None of the Presidents of the other Taluk Boards ever requested me for this statement. On receipt of the form from the President, Taluk Board, Parvatipur, on the 16th July 1895, I furnished him with

I drafted and despatched my report to the President on the following date. In the latter part of June and the first week of July 1895, I was fully engaged in the preparation of revised D and E lists of the two Districts and the extracts from them for submission to the several Chairmen and Presidents, Taluk Boards in the Division. I devoted the 2nd and 3rd weeks to the Examination of schools in the Vizianagram Municipality.

He couldn't have done this earlier

3 In this connection, I may be permitted to state that in addition to the statements submitted to the Presidents of Local Boards, Vizagapatam District, I had to prepare, single handed as I was, the statements required for submission to 8 Local Bodies in the Ganjam District and 4 Chairmen in the Vizagapatam District - almost simultaneously with those referred to above. Unlike some of my colleques, I posted inspection work in June and July last and had to do a good deal of clerical work for want of efficient men for service in these parts. A clerk's post in the Educational Department is the least attractive to any body.

4. I received on the 28th June 1895 only one reminder dated the 26th June 1895 and another dated the 17th May 1895 was received on the 22nd July 1895, i.e. after the despatch of the statements as well as the report.

2 Observing that the statements from the Sub Assistant Inspector, Anakapalli Range, were not received in time, I requested him to submit them direct to the Presidents of Taluk Boards and copies thereof to me, which I received on the dates above mentioned. I had the Statements I to IV relating to the Vizianagram and Parvatipur Taluk Boards consolidated in my office and forwarded them to the Presidents on the 9th June 1895. Statements I to IV of Middle schools and Muhammadan schools relating to the Vizagapatam and Narasapatam Taluk Boards and Statement IX of the Middle and Muhammadan schools of all Taluk Boards in the District were also consolidated in this office and forwarded to the several Presidents on the same date, after checking the entries with the Annual Return No 4 and the verified Statements received from the Sub Assistant Inspectors Vizianagram and Anakapalli Ranges on the 23rd May, 4th and 7th June respectively. The Sub Assistant Inspectors submitted Statements IX and X of Primary schools to the Presidents of the several Boards although these Statements were required to to be prepared in the Presidents' offices. Here I beg to bring to your notice that my second clerk fell very ill from 10th May 1895 and obtained leave on medical certificate from 27th May and died on the 1st July 1895. No competent person was available to act for him and I was obliged at last to nominate an unpassed man under your special sanction to the post but he left me on the 12th July having worked from the 14th June 1895. The 3rd clerk who was employed as such on 3rd May 1895 was entirely new to clerical work. Thus you will be pleased to observe that myself and my Head clerk were the only persons who could manage the returns-work and my Head clerk had in addition to teach the office routine to all the new comers in the busiest season of the year. Not-with standing these difficulties, I have managed ——— the work as speedily as possible and submitted the Statements prescribed in G O No 8852 15-4-1891 to the President, District Board, in time with my letter No 2703 30-6-1895 and the report on the work of Inspecting School Masters and Muhammadan Education, requested by the President, though it had not been prescribed by Government, on the 19th July with my letter No 3020 19-7-1895. I awaited the receipt of the Annual Reports of my Sub Assistant Inspectors but not having received the same before 18th July 1895.

I

I drafted and despatched my report to the President on the following date. In the latter part of June and the first week of July 1895, I was fully engaged in the preparation of revised D and E lists of the two Districts and the extracts from them for submission to the several Chairmen and Presidents, Taluk Boards in the Division. A clerk's post in the Educational Department is at least attractive to any body.
