O.M. $\frac{1391}{3/10/95}$

The following points are noticed in the Presidents' and the Medical Officer's reports and in the statements submitted with the former:—

c.c

(1) In Columns 2 and 4 of statement I-A, the actuals of 1893-94 under "interest on Government Securities" are given as Rs 26 instead of Rs 24.

c

c.f para 40 of the President's report.

× in G.O. $\frac{2340 L}{14-11-94}$

(2) In Columns 8 and 10 of the same statement the fees realized from weekly fairs are credited to "market rents" instead of "fees and fines", notwithstanding the remark in para 1(1) of Government Memorandum dt 4th October 1894 No 910.

c.c

(3) In Columns 8 and 10 of statement I-B, the result grants amounting to Rs 5,933, which from Column 15 of statement IX appear to have been paid to masters in boards' elementary schools on the salary-result system, have been included under "fixed salaries."

c.c

(4) In Columns 17 to 19 of statement IV-A, the average cost of maintaining each mile of village, taluk and district road repaired, is ~~incorrectly~~ given as Rs 328, Rs 538 and Rs respective

which are ~~merely~~ the totals of the averages for the several taluks) instead of Rs 44, Rs 66 and Rs 104.

(5) From columns 13 and 14 of statement VI, it appears that the fixed and contingent charges of the Vriddhachalam hospital amounted to Rs 2,624-3-1; but in column 16 of statement XII they are shown as Rs 2836-8-1. d

(6) In the same statement (VI), the receipts and charges of markets have not been given. o.l

(7) In column 8 of statement IX, the total —— average attendance of the several schools and departments, except the lower primary departments of Salary system schools, and the grand total —— attendance of all the boards' schools, have not been given. o.c

(8) In column 22 of the same statement, the total average net cost f educating each pupil in the several Schools and departments, except the lower rimary departments of Salary system schools, —— and in all the boards' schools has not been given, notwithstanding he fact that a similar omission was noticed para 1(8) of Government Memorandum d 4th October 1894 No 910. o-c

(9)

o-c (9) In column 1 of statement XI, the bungalow at Valudavur should have also been shown, although there w no receipts or charges in connection with it during the year.

e.c (10) In column 7 of statement X the total number of patients treated the hospitals and dispensaries under the Vriddhachalam taluk board is ~~incorrectly~~ given as 39,695 instead of 38,695 and the error is repeated in the grand total for all the hospitals and dispensaries in the district.

e.c (11) In column 7 of the statement showing the statistics of animal vaccination appended to Statt XIII and in paras 70 and 13 of the President's and the District Medical Officer's reports respectively, the cost of vaccination with animal lymph should have been given as Rs 13,004, which is the total outlay on vaccination, instead of Rs 1,810-5-3, as all the vaccine operations in the district were conducted with animal lymph.

e (12) In column 16 of statement XVI-A the average attendance of officials at each meeting of the

Vriddhachālam taluk board is
given as 1 instead of 2, according to
olumn 4 of
tatement XVI.

(13) The total average attendance
t each meeting of the several pan-
hayats, given in column 18 of state-
ent XVI-A does not, except in a few
ases, agree with the details furnished
i columns 16 and 17.

(14) In columns 16 to 18 of the
me statement, the total average at-
ndance of the members of the taluk boards
nd panchayats should have been ar-
ved at by dividing the total number of
embers who attended the several meet-
gs by the total number of meetings,
directed in para 1(17) of Govern-
ent Memorandum dt 4th October
894 No 910, and not by adding together the
erage attendance of the several taluk
oards and panchayats.

(15) In column 8 of statement
T-B the occupation of Qadir Nawaz
an Sahib, a member of the Bhuvanagiri
nchayat should have been given,
required by the heading.

(16)

(16) In column 15 of the same statement, information should have been furnished as to whether resignations were obtained, as required in para 5 of G.O. dt 21st June 1887 No 1168 L, from the Sub Registrar of Tindivanam, the Hospital Assistants of Tittagudi and Panruti and Qadir Nawaz Khan Sahib of Bhuvanagiri on their transfer to other localities.

(17) In column 15 of the same statement, the circumstances under which the Hospital Assistants of Mannargudi and Nellikuppam and M R Ry Govinda Udaiyar of Tirukkōyilūr vacated their seats on the local panchayats should have been stated.

(18) In column 18 of the statement showing the incidence of house tax, the total average assessment per house is given as As 8-9 instead of As 8-3, according to columns 16 and 17.

(19) In column 19 of the same statement, the excess collection and distraint fees of Rs 4-7-.. should have been excluded.

(20) In column 22 of the same statement, the number of cases in which pro

was distrained for the Collection of house tax in the unions under the Vriddhachalam taluk board is given as six, whereas the total of the details furnished in the same Column amounts to seven and the same difference appears also in the grand total for the district.

i

(21) In Column 23 of the same statement, the amount of house tax realized by distraint of property in the unions under the Vriddhachalam taluk board is given as Rs 1-5, whereas the total of the details furnished in the same Column amounts to Rs 1-13-— and this difference appears also in the grand total for the district.

e

(22) In Column 3 of the statement showing the proportion of the receipts of each local board spent on the several services, the expenditure on the construction and repair of bridges &c, should not have been included in the outlay on roads.

e

(23) The submission of statement IX-B and the Local Fund Engineer's report was unnecessary.

e.c

(24) In para 28 of the President's report, the Current Collections under tolls are given as Rs 41,707-—-— instead of Rs 41,707-1-8, according to Column 6 of Statement VIII.

e.c

(25) In para 56, the percentage of the outlay on public works by the Local Fund Engineering establishment to the allotment under the same head in 1894-95 and 1893-94 is given as 91 and 99, respectively, instead of 92 and 101, according to the details furnished in statement III.

o

(26) In para 57, the numbers of villages visited by the inspecting Schoolmasters and of the Local Fund and other Schools prepared by them for examination have not been given, although the first of these omissions was noticed in the reports for the two previous years.

e.c

(27) In para 60, the estimated cost of the boards' primary Schools for 1894-95 is given as Rs 40,000 instead of Rs 40,270, according to Columns 5 and 7 of Statement I-B.

e

(28) In para 62 the statistics of the Schools which did not receive

aid from local funds should not have been given.

~~(29) In para 75, the estimated outlay on Choultries is given as Rs 1311 instead of Rs 1361 according to Columns 5 and 7 of statement I B.~~

(29) Important variations from the actuals of the previous year should have also been noticed in the President's report, as required in para 3 of G. O. dt 4th May 1889 No 987 L.

(30) The paragraphs of the Medical Officer's report have not been correctly numbered.

2. The necessary corrections have been made with reference to Clauses (1), (3), (4), (7) to (11), (18), (24), (25), (27), and (30) of the preceding paragraph. The discrepancies noticed in Clauses (5), (20) and (21) should be explained, the omission referred to in Clauses (6) and (26) should be supplied and a revised statement XVI-A should be submitted, with reference to Clauses (12) to (14), as soon as possible. The Union to which the excess collection and the distraint fees referred to in Clause (19) appertained should also be reported.

3 The report and the accompanying statements have not been carefully prepared. Greater attention should be paid to this, in future.
