CURRENT No. 34732

His Excellency the
Governor of Madras.

The humble memorial of J.

Kunhikrishna Menon of Kinnassery Anson the
Palghat Taluq, Late 2nd class Vaccinator under order
the District Board of Malabar

Most Respectfully sheweth,

1. That your Excellency's humble memorialist, who was a government servant and whose services were lent to the Local Fund Malabar, submitted to your Excellency in Council, a humble petition on the 9th July last appealing against the order of his dismissal from his post, passed by the President of the District Board Malabar (copy of the appeal marked A). the memorialist having been dismissed on the ground of absence from duty without leave.

2. That the said Memorial was ~
under

T.S. 11

the Government Order No. 1055 dated 1st August 1895, transferred to the President District Board - Malabar (Paper marked B).

3. That though the President was good enough to place the said Memorial at a meeting of the members of the Local Fund Board held on 14th September 1895, orders were passed on it ex parte without giving any chance to Your Excellency's memorialist to represent his grievances either verbally or by a Counsel appointed for the purpose.

4. That on receipt of the copy of the said Order communicated to Your Excellency's Memorial by post, Your Excellency's humble memorialist petitioned the President of the District Board on 22nd October 1895 for a reconsideration of the orders passed against him and submitted in full detail the grounds on which the re-consideration was prayed for (Vide paper marked C). Before disposing of the Petition, the present President of the Board had the kindness to grant the Memorialist an opportunity of personally representing his grievances to him and the President after patiently hearing the Memorialist expressed himself as feeling sympathy for the Memorialist but ordered that he could not interfere as the matter has already been disposed of by a meeting

of the District-Board.

5. That the Memorialist respectfully ventures to think that the allegations made in the former memorial to the Government as well as in the Petition subsequently presented to the President (Copy of which enclosed) will satisfy your Excellency that the Memorialist was really ill at the time, that he was, therefore, unable to attend his duties, that the application for leave prepared for the Memorialist by the Hospital Assistant at Kalkinade in his (Hospital Assistant's) handwriting (marked O) is sufficient evidence of the fact that the Memorialist was ill, (though the Hospital Assistant afterwards sent in an untrue official report when he was ordered by the District Medical and Sanitary Officer to report on Memorialist's state of health), that the Memorialist had put in a service of 5 years in the Vaccine Department during which time he had discharged his duties to the satisfaction of his superiors and never given them room to find fault with him and that the authorities under whom the Memorialist served had

not the kindness to treat one of their very subordinate servants fairly.

6. That your Excellency's humble Memorialist humbly and respectfully prays that your Excellency in Council may be graciously pleased, under the above circumstances, to order the re-instatement of the Memorialist in his former post as the Memorialist belongs to a very poor family consisting of several souls who have no other means to live upon.

7. For which act of kindness and charity your Excellency's humble Memorialist shall as in duty bound ever pray.
