Sir,

I have the honor to state that in
taking over charge, from the Local Fund
overseer Palaconda who was dismissed, there
was a deficiency of road materials costing -
Rs 18-4-5 and building materials costing -
Rs 96. The Engineer recommended that these
items may be written off the accounts as
shrinkage and wastage in consideration
of the large stock accounted for. The Taluk
Board of Vizianagaram which has charge
of the works relating to the above items, -
approved of the Engineer's recommendation
and passed a resolution accordingly.

I have the honor therefore to request that
the sanction of Government may be obtained.
A copy of the Taluk Board's resolution
is enclosed.

The Honorable J. F. Viree,
CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

Sir,

With reference to your Memorandum
No. 1371 dated 30th September 1895, I have the
honor to report as follows:-
2. The Palakonda Overseer was dismissed
in February 1892. According to his
materials at site account there should have
been a balance of 3350 cubic feet of metal
on the 3rd mile of the Razam-Seetharampuram
road and 538 cubic feet of gravel on the
Jagannadhapuram road when he gave
over charge. The new overseer reported that
there were, according to his measurements
only 2450 cubic feet of metal and 526 cubic
feet of gravel and the difference is explained
to

to have been due to shrinkage and wastage and the Engineer recommended that their cost amounting to Rs 18-4-5 may be written off.

3. The same overseen under the orders of the late Supervisor, collected building materials such as rafters, bamboos, grass etc at a cost of Rs 103-8- for the construction of the Pannkulalasa bungalow, before a suitable site was selected for it. The work had to be postponed for a considerable time and the materials rotted and became damaged with the exception of burnt brick costing Rs 7-8-.

For this the Supervisor is evidently responsible but both he and the Overseer are no longer in the service of the Board. The difference of Rs 96 is therefore recommended to be written off. The Visianagram Taluk Board which had charge of the works, sanctioned the writing off of the above two items.
