The Sanitary Commissioner for Madras

Madras.

I have the honour to state that through the courtesy of Surgeon-Major H. A. J. Taylor, I have recently allowed the perusal of your "Minutes of Proceedings" for the fourth quarter of 1894, and I was not, until then, aware of the existence of such a useful publication, although I have been for some years past a member of the Chingleput Sahib Board and also the Chairman of this large Union, being responsible in the latter capacity for the sanitary conditions of this town, while as a member of the Sahib Board attention to the sanitation of three Taluqs has also been a self-imposed obligation.

I do not doubt that the quarterly publication of the minutes of your proceedings in a pamphlet form must cost a great deal, but I very much doubt whether sufficient advantage has been taken to

extend the usefulness of that publication so as to
make its cost justifiable by its usefulness.

In my opinion, an opinion based on thirty years' experience of official life spent in villages, towns, cities, and in the rural parts of the country, there cannot possibly be a better publication than your Minutes of Proceedings to create an interest in Sanitary matters, to advance the Cause of the Sanitary education of the Country, to supply those who are in a position to improve the welfare of the people.

welfare of any place, a subject in which I
am deeply interested, with useful suggestions

Enclosure.

SIR,

I have the honour to forward
 for favourable consideration to
 Government a proposal by the
 Chairman, Union Panchayat Chingleput.
 Mr. Lewis, Assistant Superintendent
 of the Chingleput Reformatory. The
 Minutes of Proceedings of the
 Sanitary Commissioner are now
 issued to all Municipalities,
 District Boards, and District
 Sanitary Officers, and the num-
 ber now required for distribution
 is 200. If Government sanctioned
 this proposal, more copies would
 have to be struck off. The providing
 of copies to all Taluk Boards
 and to Chairmen of Union
 Panchayats of over 10,000 inhabitants
 would however probably suffice.
 The

fulness of that pub.

The number required would then
be 162 extra. If the suggestion
be approved, I could make the
Proceedings by slight modifi-
cation the medium for convey-
ance of important sanitary
matters, irrespective of those that
happen to be treated officially
by this office - to which the matter
is at present confined.

Forwarding for Sanction of Govern-
ment a proposal by the Chairman
Union Panchayat, Chingleput requesting
that a copy of the Minutes of Proceedings
of the Sanitary Commission be supplied
to all Taluk Boards and to all Chair-
men of Union Panchayats

(For Orders)

C.S. For Orders

The proceedings of the Sanitary
Commissioner, which are published quar-
terly, are now supplied to all District
Boards and Municipal Councils, and District
Medical and Sanitary officers, the cost being
recovered from Local and Municipal funds.
The Sanitary Commissioner now proposes to
circulate them to all Taluk Boards, and
Panchayats of Unions with a population of
more than 10,000 inhabitants. Taluk Boards
of which there are 86, may be supplied
with copies of these proceedings, but it is
doubtful whether any useful purpose
will be served by sending them to
Panchayats.

V.R.
29/11/95 The suggestion in the last sentence
of San. Com's letter, if carried out,
will alter the whole nature of the
publication, as probably abstracts of
schemes & plans for sanitation etc. will
be inserted, making the book still more
 bulky - which is hardly worth while.

W.D.
29/11/95

Taluk Bd might have the Receipts.
but to send them to Unions
even those of 10,000 & upwards
is very rather too far.
If the Chairman of any
particular Union wishes to
see the Proceedings they could
be circulated to him by the

As suggested by the Sanitary
Commissioner the Minutes of his
Proceedings will ^{in future} be supplied to
all Taluk Boards. The Govt. is
however not prepared to supply
the publication to all large Unions,
but if the members of any
particular Union Panchayat, wish
to see it, Presidents of Taluk
Boards will circulate it for their
perusal.

San. Comm's proposal to alter
the subject matter of the publication.
