Simla, the 11th October 1895.

SIR,

I AM directed to state that, in reviewing the reports on vaccination of the different Provinces, it has been found impossible to ascertain the amounts expended on the different sections of the establishments, as shown in the columns 3 to 9 of Statement II attached to the reports. It is necessary that the amounts paid as salaries to the Administrators, Inspectors, Clerks, Vaccinators, Peons, etc., should be shown separately, so that it may be clearly distinguishable what the different sections of the establishment are. To meet this requirement it is considered desirable that Statement II A (Vaccine Department), forwarded with the Resolution recorded by the Government of India in the Home Department marginally noted, should be modified in the manner set forth in the accompanying form which it is proposed to substitute for the one now in use. I am to request that the Government of India may be informed whether

I have the honour to be,

SIR,

Your most obedient Servant,

J. P. Hewett.
