PRESIDENT, DISTRICT BOARD,

VIZAGAPATAM.

To

The Honorable J. H. Price,

CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

SIR,

The Government of India in its resolution
No 5 dated the 24th May 1895 embodied in Govern-
ment Order No 1207 L dated the 10th July 1895
directed that a large proportion of the annual
assignments should be devoted to the construc-
tion of feeder roads to railways. There are
several important railway feeder roads to
be constructed in the Visianagram Taluk
Board and the Taluk Board cannot take
them in hand unless its funds are suppli-
-mented by a grant from the District
Funds. The financial position of the
District Board does not allow of any

being made to the Taluk Funds and
it has therefore resolved to ask Government
whether it may take credit for any contri-
bution from Provincial Funds towards
their construction next year.

2. A copy of the Board's resolution is enclosed.

I have the honor to be,

Sir,

Your most obedient servant

Alexander S.

from the

Current No. **33012** of 1895, dated *2nd November 1895* from the *President,*
District Board, Vizagapatam.

FOR ORDERS.

The Vizagapatam district was the eleventh in point of Local Fund receipts in 1894-95, the total income having amounted to Rs 3,39,398 and the year closed with a balance of Rs 16,166 under General funds, or 5.1 p.c of the receipts. The construction of Railway feeder roads not being an extraordinary work, a grant from Provincial funds on this account does not appear to be necessary.

It is, therefore, submitted that the District Board may be told to apply for a loan from Provincial funds, its attention being drawn to G.O No 1580 M dated 1st October 1895. The District Board of Ganjam lately submitted an application for loan for the same purpose. vide G.O

Yes - and also point out that
last year they spent on roads only
Rs (25210 + 12390 42) 149120, or Rs 20000
less than half land cess plus whole
amt. of taxes (Rs 126610 + 42541 =
169151), which is the standard of good
expenditure which has recently
been laid down. On the other hand
they spent on forest 11 83607
111 74243
88144

They must spend some of this money for
roads.

Order No 2373 Lms. 6-12-95

The Govt is unable to sanction
any contribution towards the
construction of Railway, feeder
roads; but the Dt. Bd. is to be
informed that it should apply for
a loan from Gov. Fund for
this purpose in accordance
with G.O. No 10550 N.

2. It is observed that last year
the Dt. Bd. only spent Rs 149,114
on communications, or Rs 20,000
less than half the income from
land tax (Rs 126,650) plus the
net receipts from tolls (Rs 42,361),
which was laid down in
G.O. No 16862 as the
minimum that should be spent
under this head. The expenditure
under Grant II (Rs 63,600) a part of
(Rs 74,243) should be reduced, & the
savings expended on communications.

This is the fig in para 4 (1) of G.O.
No 19062, but in para 1 (abstract)
191095
it is Rs 149,120 as given by A.H.
