Cost of putting up a shed for payment, but the amount does not appear to have been disbursed pending sanction of the payment of the bill for the other 8 months up to 31st May 1894.

5 The mistake appears to have arisen from the non-submission of the water panchal bills monthly. Had this been done the continuance of the panchal for over 4 months would have been stopped at once. The first time that the Taling Board came to know of the continuance of the water panchal was in October 1893 when a bill for 7 months was ^{received} raised and immediate orders were issued.

6 On receipt of ^{807/93} the Talsildar who was supplied with a list of all water panchals in the Taling should have taken care to communicate an extract at least from the fo to all officers concerned which he appears to have failed to do.

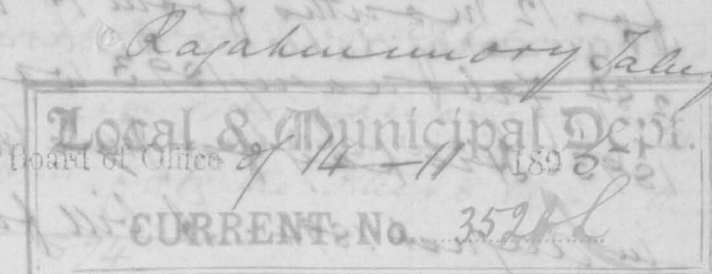

7 I should have recommended the payment of the excess amount from the Dy. Talsildar's concerned, but as the fo was not communicated to him, I now request sanction for payment of the lapsed bill of Rs 30 and also of the bill for Rs 32 received but sanctioned by the Board at its last meeting.

I have the honor to be

at March 1892 to 30th June 1894. His pay for 12 months from 1st March 1892 to 28th February 1893 was disbursed in 1893. His pay for June was also disbursed in August 1894. A bill for the pay of the water panchal brachin was sent for 7 months from 1st March up to the end of September 1893. When the attention of the Deputy Talsildar was drawn in this office ~~in a letter~~ ^{in a letter} no 109 of 30th 93 to fo no 807 of 11th 93 communicated to the Talsildar on 9th 7-93. The ~~document~~ ^{document} specifically stated that water panchals should not be continued for more than 4 months from March to June both inclusive. The Deputy Talsildar appears to have taken no notice of the ~~document~~ ^{document} but reported in February 1894 that he had not received the G.O. The water panchal was kept up until June 1894. Although the Deputy Talsildar if he had not received the fo should on receipt of this office ~~document~~ ^{document} no 109 of 30th 93 have immediately stopped it and asked for further instructions. However he allowed the matter to lie over till February 1894.

In its Resoln no 61 ²⁴⁻⁵⁻⁹⁴ the Taling Board sanctioned a sum of Rs 30 for 7 months wages from 1st March 1893 to the end of September 1893 at Rs 4 per mensem ^{and} 2 the
