The Honorable J. T. Price,
CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

SIR, In para 1 of Government Order No. 1680

G.O. No. 14 dated 14 September 1895 the Government approved of the acceptance of the District Board of the Bobbili Rajah's offer to place at its disposal for the upkeep of the hospitals at Bobbili, the interest on the sum of Rs 20,000 endowed by him and stated that the Women's hospital might be named the "Bobbili Estate Women's Hospital". The Raja of Bobbili in his letter No. 34 dated, the 19 October 1895, herewith submitted, requests that it may be represented to Government, that the hospital may be called "Bobbili Samasthanam hospital" as originally proposed by him.

I have the honor therefore to request that the Government may be pleased to alter the designation of the institution according to his wishes if it sees no objection.

2. With regard to the investment of the trust funds, the Raja has no objection to their being invested, as the Government thinks fit, and is prepared to place it at my disposal.

I have the honor to be,
Sir,
your most obedient servant,
Ramanatha
for President District Board.

To

President District Board,
Vizagapatam.

Sir,

I have the honor to acknowledge the receipt of your letter No. 1062. dated 5th Inst. District Board's Office, Vizagapatam, and of the G. O. No. 1680. L + M, therein enclosed, and while thanking the Government for their kind acceptance of my offer of Rs. 20000 for the upkeep of the local Hospitals, I beg to submit as follows:—

In my letter of the 4th. October 1894 to Mr. H. G. A. O. Wolfmurray, the then President of the District Board, I applied for sanction of the Government to call the local women's Hospital "Bobbili Samasthanam Female Hospital," whereas in the G. O. now communicated to me by you, the Government seem to propose the name "Bobbili Estate women's Hospital." As regards the appellation proposed by the Government, I venture to suggest that the word

word 'Estate' is of such general application
and import - that it is applicable to any
proprietary Estate, however small, whereas the
Bobbili Zemindary is one of the chief ancient
Zemindaries in the Presidency, and as such may
be called 'Samasthanam'. Apart from this;
the radical meaning of the Sanskrit word
'Samasthanam', and of the English word 'Estate',
and the Hindustani word 'Zemindary', is
essentially the same, and I therefore request
that the word 'Samasthanam' be substituted
for the word 'Estate' in the name proposed by
the Government for the ^{local} women's Hospital. If
however the Government should take any technical
objection to the acceptance of my proposal, I
request, as an alternative, that sanction be
accorded to give the Hospital one of the following
names at the pleasure of the Government:-
1. The Rajah of Bobbili's Hospital for women.
2. The Rajah's Hospital for women.

I beg leave to add that, as the annual
interest on the sum of Rs 20000/-, proposed to
be invested by me, will be well nigh sufficient
for the upkeep of the local women's Hospital, a
building for which has already been provided by
me, it is not unreasonable on my part to
request the sanction of the Government to give
to the Hospital in question a name consistent
with the prestige and status of my Samasthanam.

I

I therefore request you will be good
enough to address the Government once more
on this subject, and obtain their sanction
to my proposal.

In conclusion I beg to add that the
proposed amount will be placed at the
disposal of the Collector, to be invested where -
soever the Government thinks fit.

I have the honor to be,
Sir,

Your most obedient servant.

R. Ranga Rao
Rajah of Bobbili.

Requesting that Government may be pleased to alter the designation of the Female hospital at Bobbili into "Bobbili Samasthanam" or the Rajah of Bobbili's Hospital for women Female Hospital" according to the Rajah's wishes if it sees no objection and stating that the Rajah has no objection to the trust funds being invested as Government thinks fit.

2. The President will be requested to state the securities which the District Board proposes to invest the trust funds in what
Note. The Rajah evidently wishes to call it the Bobbili "Samasthanam" women's hospital, but H.M. objected to the use of the word "Samasthanam" (please see note in G.O. 1680 L) therefore one of the alternative names proposed by the Rajah is inserted in the order.

An investment will have to be sought - something must be said about that.
