Sir,

The District Board Engineer, Nilgiris
Solicits permission to disburse an advance
of Rs 500 (five hundred) to Canarese maistries
in the Wynnad Sub. Division who are wont
to depart for their native country in Mysore
about the middle of February every year,
the Engineer's object being to bind them to
collect and bring laborers on their return
to South East Wynnad during the working
season.

2. The grant of such advances for labour has annually
received the approval of Government and is
unavoidable under existing local conditions.
I may add that the advance of Rs. five
hundred last sanctioned by G.O. No. 284 L. Misc
dated the 14th February 1895 has been recovered
in full.

3. In these circumstances, I have the honour to request that Government will be pleased, with reference to para 3 of the notes appended to Local Fund Public works Form No. 38, to accord its sanction to the advance of Rs. 500. (five hundred) being made and to its remaining unadjusted for a period of ten months, ^{and, with effect from the 15th February 1906.} by the end of which period and if possible, within a shorter time, it will be fully recovered.

4. The Resolution of the District Board which will not meet until the latter part of January next, will be obtained and forwarded in due course.
