Copy of letter No: $\frac{101}{25-4-94}$ from the
President, Saluk Board, Guntur, to the
President, District Board, Kistna.

With reference to your No: $\frac{806}{9-4-94}$ request-
ing to explain why the post of Sanitary
Inspector of the Board was abolished,
I have the honor to state that the
services of the Sanitary Inspector were
disposed with mainly for want of
funds, and for circumstances explained
below: —

1. In the proceedings of the District
Board communicated with your No:
 $\frac{300}{9-3-93} + \frac{835}{5-4-93}$ it was remarked that
the utilisation of funds under Sanitation
was not up to the mark. That the
proportion of the expenditure was very
poor and that of crowding of expenditure
was allowed in March 1993 and as all
this was attributed to the indifference of
the Sanitary Inspector, I was asked to
report why the services of the Sanitary
Inspector were not to be disposed
with

with. This was one reason that actuated the Board to abolish this office.

2. The Taluk Board (Exclusion of Rs 6089 being the endowment fund balance merged in the whole grant) has had a minus balance of Rs 2610 under Reserve as pointed out in your nos: $\frac{889}{1-7-93} + \frac{1307}{10-7-93}$ vide also Government Proceedings no: $\frac{16432-210}{26-7-93}$ which you communicated to this office with your endorsement no: $\frac{1767}{9-8-93}$ with a request in your no: $\frac{1353}{7-9-93}$ to eliminate the same by some transfer of funds. Proposals were accordingly submitted with this office no: $\frac{1046}{26-9-93}$ and approved by the Taluk Board. Vide Taluk Board Res: no: $\frac{4}{29-9-93}$ forwarded to you with my no: $\frac{111}{9-10-93}$. It was then thought advisable to abolish the office of the Sanitary Inspector as he had no proportionate work to the salary given and thus make saving to the Board.

3. The Board had very few works as shown below under water supply for 893-94 for which the expenditure runs thus.

Thus: —

For works under the above head }
in Guntur and Sattenapalli Taluks } Rs 1350

do in Sattenapalli & Mangalagiri Taluks. 200

Salary of Sanitary Inspector, his peon }
and Contingencies — } 450

Rs. 2,000

It was thought that the expenditure of Rs 450 for an establishment was too large an expenditure out of Rs 1350 allotted for works and so the Board resolved to carry out the above said very few works by contract under the supervision of the Sattenapalli Overseer who had scarcely any work to attend to except Sattenapalli road repairs. The Taluk Board dispensed with the services of the Sanitary Inspector giving him three months notice terminable on 29-12-93. Vide Taluk Board Resolution nos: $\frac{19+6}{21-7-93, 9-10-93}$ respectively.

4. When sending the Budget for the current year, the Board could not conveniently allot funds to maintain Sanitary

Sanitary Inspector and his Establish-
ment for want of funds, and as the
Board has still a minus balance of
Rs 3060. Vide Budget Estimate Statement
B. for 1894-95.

The Gunjur Taluk Board is a small
one, it is much in debt; it has
but little to spend on sanitation and
the Sattenapalli Quereer who works
within the limits of the Board's juris-
diction has practically no work to do.
It is thus unadvisable and unnecessary
to appoint a Sanitary Inspector.
