Statement of Pattalur alias Edattodi Parameswaran Nambudiri of Alanallur Desam, Arakkaparamba amsam, Walluvanad Taluk, given before the 4th Revenue Inspector of Walluvanad Taluk on the 21st October 1895.

I am willing to repair at my own expense my well situated in Kolaparamba which is east of Alanallur market. If so repaired, I don't like that the general public should take water out of it. I have no objection to the Brahmins and nairs taking water out of it. I cannot allow such low caste people as Tiyars, moplahs etc to take water out of it. The reason is that I intend opening a water-shed at my expense near it. If low caste people are allowed to draw water from this well it would not suit for the above purpose. It is on this ground, I say, I object to the public making use of it.
