OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,Madras, 4th February 1895.

Local & Municipal Dept
CURRENT No. 400 M

No. 1158

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honour to return Government endorsement,
No. 636, dated 6th August last, with the following remarks:-

2. In G.O. No. 2165.M. mis, dated, 7th December 1891, —

M. S. Narayana Rao was appointed Headmaster of the
Municipal High School, Mayavaram, on condition of his passing the
L. T. degree examination before December 1893. He has not yet
passed the examination and it does not appear that any
endeavour was made by him to fulfil the condition. He urges
that his heavy duties do not permit of his studying for the
examination and the Chairman recommends that he be
exempted from the condition. I see no reason in the interests
of the school and in view of the requirements of the Education

Rules

Rules to recommend the exemption. The Council may grant him leave for six months, if necessary, to enable him to prepare for the examination, and he has been informed to that effect. I would here observe that in my letter n^o. 896, dated, 29th January 1895, submitting remarks on the Educational portion of the Budget estimate of the Mayavaram Municipality for 1895-96, I proposed to withhold the increment due to the Headmaster on this ground. I think there should be no difficulty in a really successful teacher passing the L. T. Examination after six months' preparation.

2. With regard to the other charges incidentally referred to by the petitioner, a petition was received in this office and was duly disposed of, after an enquiry into the matter by the Assistant Inspector. The petitioner appears to bear some grudge against the Headmaster and the petition appears to be dictated by ill-will and is certainly not free from exaggeration. An example of this last, is the writer's remark that "there are hundreds of L. T.s of better qualification," &c. ~~and~~ The fact is that, according to the University Calendar for 1894-95, there were only 48 who had taken that degree from its first institution down to the 31st March last.

I have the honour to be,
Your most obedient servant

J. G. Srinivasan

As the Director has already done the work
in this matter, no further action in the part of
appears to be necessary.

The Chairman deserves censure for not
following the G.O., but this is the kind
of petition on which it is perhaps in-
advisable for Govt. to take pronounced
action.

13.2.95
If no one says anything to the Chairman
on this at least it is his responsibility:
He has probably a chance of dropping
on him in the Budget Review; if
not in that in the Administration
Report.
