Revised Estimate for 1894–95.

2. The current receipts and charges are now estimated at Rs. 2,54,120 and Rs. 2,79,750, respectively, against Rs. 2,32,650 and Rs. 2,42,130 in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, fishery-rents, Public Works and contributions from Provincial funds, and that in the charges under Grant I and Reserve.

Budget Estimate for 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,40,230 against Rs. 2,54,120 in the revised estimate, the decrease appearing mainly under Public Works and contributions from Provincial funds.

4. *Charges.*—(1) The charges are set down at Rs. 2,59,620 against Rs. 2,79,750 in the revised estimate, the decrease being under Grant I.

(2) *Grant I.*—No expenditure should be incurred on the construction of the hospital building at Saidapet, the dispensary at Tiruvottiyúr and the drain at Sembiam until the plans and estimates are sanctioned by competent authority. The proposed alterations in the names of the roads referred to in paragraph 21 of the President's first letter are approved. The revision of the Local Fund Engineer's office establishment proposed in the President's third letter read above is sanctioned, and the provision made in the budget on this account will be raised by Rs. 120. The President should have explained why the proposal last named was not embodied in the budget as required in paragraph 2 of G.O., dated 14th June 1894, No. 1094 L.

(3) *Grant II.*—The additions to, and alterations in, the educational establishments referred to in paragraphs 26 and 28 of the President's first letter are sanctioned, with retrospective effect where asked for. The Government is not prepared to adopt the suggestions made by the Director of Public Instruction in paragraph 1 of his letter, as the Local Boards have in this budget made a larger provision for education than was adopted in previous years, and have not the funds to devote to further increases under this head.

(4) *Grant III.*—The allotment for medical subordinates will be raised by Rs. 60 as proposed in paragraph 1 of the Surgeon-General's letter read above. As regards paragraph 2, the Surgeon-General's attention will be drawn to paragraph 32 of the President's first letter, from which it will be seen that the necessary provision has been made in the budget for payment of house-rent to hospital assistants. Further, under paragraph 3 of G.O., dated 24th January 1895, No. 154 L., the rate of compensation in lieu of quarters has to be fixed by the Local Boards concerned subject to a maximum of Rs. 5 in each case, according to the circumstances of each locality, and not at a uniform rate of Rs. 5 as supposed by the Surgeon-General. The suggestion made by him in paragraph 3 of his letter should be adopted in future. The remarks of the Sanitary Commissioner on the allotments for vaccination and sanitation will be awaited. The provision of Rs. 30 for contribution to Provincial funds on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—As the sum of Rs. 1,810 provided on account of controlling establishments at the Presidency with reference to G.O., dated 4th December 1894, No. 2527 L., does not include the cost of printing work done at the Government Press, a provision of Rs. 330, being the actuals of 1893–94, will be made under the latter head. The additions to, and alterations in, the local board's account and audit establishments referred to in paragraph 43 of the President's first letter are sanctioned with retrospective effect.

5. *Reserve and Balance.*—Owing to want of funds, a reserve of Rs. 12,130 or only 5 per cent. of the estimated receipts of the year is provided. This will now be further

48. The total provision under Grant IV is Rs. 29,800 and represents 12·4 per cent. of the estimated total receipts.

49. *Reserve and Balance.*—Deducting Rs. 2,47,490, the estimated total charges under the several grants, from Rs. 2,63,930, the estimated total assets of the year, a balance of Rs. 16,440 is left, of which Rs. 3,860 appertain to the union and endowment funds. The amount available for provision under reserve and balance is thus reduced to Rs. 12,580, which is about 5·2 per cent. of the estimated receipts. Of this sum, Rs. 12,130 or 5 per cent. of the receipts excluding the opening balance and the endowment receipts are set apart as reserve as shown in the margin, and the remaining sum of Rs. 450 as a general closing balance.

50. The necessary proposition statements in respect of the additions to, and alterations in, the existing establishments and for the new establishments proposed in the foregoing paragraphs, are enclosed.

51. The revised and the consolidated budget estimates have been duly passed by the district board and a copy of its resolution is enclosed.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 21st December 1894, No. 12485.

With reference to the budget estimate of the Chingleput district board for 1895–96, I have the honour to state that the provision made under Grant II is sufficient, except in regard to the following items:—

(i) *Results Grants.*—The current year's allotment is repeated. The actuals of 1893–94 having amounted to Rs. 14,000 nearly, I would recommend that Rs. 16,000 be allotted for the ensuing year. I would here observe that only 58 per cent. of the net cost could be assigned as results grants during the current year. The increased allotment will be necessary to allow a larger amount of aid and to provide for grants to new schools.

(ii) *Building Grants.*—As the educational rules will apply to lower primary schools also from 1st January next, and as a large number of results schools may apply for building grants so as to meet the conditions of recognition as far as accommodation is concerned, I beg to recommend that the allotment proposed by the Board be raised by Rs. 200.

(iii) *Furniture and Special Grants.*—No provison has been made for grants for furniture, apparatus and appliances to results schools. For reasons urged in the preceding clause I would suggest that Rs. 400 at least be entered for the purpose in the present budget.

2. Should the modifications suggested above be approved, the expenditure under Grant II will amount to Rs. 29,000. In paragraph 32 of its order, No. 2500–2501 L., Local and Municipal, dated 8th November 1893, Government directed that the allotment for education in this district should be increased as funds become available.

From N. S. BRODIE, Esq., President of the District Board, Chingleput, to the Chief Secretary to Government, dated Saidapet, 8th January 1895, Ref. on No. 3780 L. of 1894.

I have the honour to submit herewith a map of the Chingleput District as promised in paragraph 1 of my covering letter No. 629, dated 17th ultimo, to the consolidated budget estimate for 1895–96 and an abstract of the estimated receipts and charges of local boards for the same year in the form prescribed in G.O., No. 661 L., dated 20th March 1891.

From H. A. STUART, Esq., C.S., President of the District Board, Chingleput, to the Chief Secretary to Government, dated Saidapet, 15th January 1895, Ref. on No. 102 L.

I have the honour to forward herewith a resolution of the District Board passed at its meeting held on the 12th instant and a proposition statement in the prescribed form regarding the reorganization of the office establishment of the District Board Engineer, and to request that Government will be pleased to sanction the same.

2. The establishment as it stands at present is not sufficiently strong to deal with the increased work and the District Board Engineer has repeatedly asked for an additional clerk. The change proposed provides for another clerk on Rs. 15, and after setting off the savings effected by reducing the pay of the head clerk from Rs. 35 to Rs. 30 towards the additional cost, the extra charge involved is only Rs. 10.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 4th February 1895, No. 87.

With reference to Grant III of the budget estimate of the District Board, Chingleput, for the year 1895–96, I have the honour to state that the pay provided for the subordinates attached to the Saidapet dispensary should be increased from Rs. 1,610 to Rs. 1,669 as the hospital assistant attached to it will complete seven years service on the 11th October 1895, and will be entitled to a higher rate of pay with effect from that date.

2. Provision of Rs. 920 is made under "rents." This sum, it is presumed, includes the amount for compensation for quarters to the medical subordinates and the rents on buildings. If so, the provision for the former appears to be inadequate considering the number of hospital assistants employed (fourteen) and the estimate under this head should be increased by Rs. 270.

3. I would suggest that house-rent for hospital assistants should be distinguished from rents on buildings.

ORDER—dated 11th February 1895, No. 267 L., Local and Municipal.

The estimated Local fund receipts and charges of the Chingleput district for 1895–96, as passed by Government, are compared below with the budget and revised estimates for 1894–95 and the actuals of 1893–94.

40. (*h*) *Miscellaneous—Lighting Charges, Rs.* 2,680.—The increase as compared with the current year's budget in the taluks is due to the enhanced provision made for the Chingleput, Madurántakam, Karunguli and Sembiyam unions where it is proposed to fix additional lights. The decrease in the Saidapet union and in the district board is due to cheaper contract rates.

Water pandal, Rs. 60.—This amount is to be expended on water-pandals during the hot weather at places that may be determined by the taluk boards.

41. The total provision under Grant III amounts to Rs. 58,620 and is 24·4 per cent of the estimated receipts of the year.

42. *Grant IV, General Administration*—(*a*) *Controlling Establishments at the Presidency (including charges of Printing in the Government Press), Rs.* 1,810.—This amount has been calculated on the percentage rate advised in G.O., dated 4th December 1894, No. 2527 L.

(*b*) *Establishment in the Collector's Office, Rs.* 2,540.—The allotment includes provision (*a*) for the entertainment of an attender on Rs. 7 per mensem for the local audit office, sanctioned by the district board in its resolution, dated 8th September 1894, and (*b*) for the purchase of a copy of the "Route book" for use in the same office, and (*c*) travelling allowances and contingencies.

The pay of the head accountant in the local fund account branch of the Collector's office has been reduced, after reference to the practice in other districts, from Rs. 60 to Rs. 40 and the saving utilised in providing, what was much wanted, a third accountant on Rs. 15. This branch of the office will now be organized thus: One head accountant on Rs. 40, one second accountant on Rs. 20, and one third accountant on Rs. 15. The further saving of Rs. 5 should, it has been resolved, be utilized in improving the pay of one of the clerks of the district board office as explained in the next paragraph.

(*c*) *Local Boards' Office Establishment, Rs.* 5,700.—The increase of Rs. 210 as compared with the current year's budget represents—

(1) the pay of an assistant clerk for the Tiruvallúr taluk board office on Rs. 10. This was sanctioned by the taluk board in its resolution, dated 3rd November 1894, to be entertained at once, as the work in the office was found too heavy for a single clerk.

(2) the increase of pay to the karnam of Ponneri union office from Rs. 7 to Rs. 10 as house-tax is collected in that union, and

(3) The increase from Rs. 15 to Rs. 20 of the pay of the third clerk of the district board office. The present staff includes one head clerk on Rs. 60, one second clerk on Rs. 25, one third clerk on Rs. 15, and one fourth on Rs. 15. The proposal will raise the total pay by Rs. 60, but this has been provided, as explained in the preceding paragraph, from the reduction effected in the pay of the head accountant.

43. (*a*). The sanction of Government with retrospective effect is solicited (1) for the employment of the attender in the local audit office, (2) for the additional clerk in the Tiruvallur taluk board office, and (3) for the re-organisation of the local fund account branch of the Collector's office and of the district board office as detailed above.

44. (*d*) *Contingencies.*—A total provision of Rs. 3,820 is made against Rs. 3,710 in the current year. The allotments have been fixed with reference to the revised estimate for the current year and the probable requirements of the ensuing year.

45 (*e*) *Pensions, Rs.* 330.—The increase in the provision under this head is required to meet the pension sanctioned to a late local fund overseer—*vide* G.O., dated 22nd November 1894, No. 1494, Pension.

46. (*g*) *Loans*—(1) *Principal and* (2) *Interest.*—A total sum of Rs. 15,250 is provided for the instalments falling due in 1895–96 according to the statement originally furnished by the Accountant-General in respect of the loan from Government for the construction of the iron girder bridge over the Korttalaiyár river.

47. (*h*) *Miscellaneous, Rs.* 150.—This is intended to meet law charges during the ensuing year. This repeats the budget estimate of the current year.

33. (8) *Medical Pupils.*—The district board resolved at its meeting on the 13th October 1894 to defer the proposal to appoint a trained female apothecary in the district till the budget, but owing to want of funds no provision has been made for this at present.

34. *Vaccination*—(1) *Fixed Charges.*—As the single vaccinator on Rs. 10 sanctioned in G.O., dated 15th February 1894, No. 304 L., was not able to cope with the work in the Kachinad taluk, the district board sanctioned the entertainment from November last of a first-class vaccinator on Rs. 15 temporarily for six months subject to further report as to the necessity of retaining him permanently. Owing to the size of this taluk and the backward state of vaccination in it there is every probability of this vaccinator's being continued; the necessary provision has therefore been made for his pay and allowance for the whole of the ensuing year. Including this, the fixed charges of the vaccine establishment for 1895–96 are as follow:—

	Rs.
Two deputy inspectors of vaccination—one on Rs. 70 and the other on Rs. 60	1,560
Seven first-class vaccinators on Rs. 18 each	1,512
One first-class vaccinator on Rs. 15 for the Kachinad taluk	180
Thirteen second-class vaccinators on Rs. 10 each	1,560
Four pupil vaccinators and two peons on Rs. 6 each	432
Total	5,244

(2) *Contingencies.*—The revised estimate for 1894–95 is Rs. 2,300 and the actuals of 1893–94 are Rs. 2,286. A total provision of Rs. 2,700 is therefore considered sufficient for the ensuing year. The following are the details:—

	Rs.
Travelling allowance to deputy inspectors of vaccination and their peons	720
Travelling allowance to vaccinators on special duty	100
Rewards to vaccinators	400
Animal vaccination	1,000
Postage charges	120
Stationery	100
Printing	100
Batta to mothers of vaccinated children	20
Supplies of instruments from Medical depôt	80
Sundries	60
Total	2,700

35. The sanction of Government is solicited for the temporary vaccinator referred to in the foregoing paragraph.

36. (*c*) *Sanitation.*—The allotments under this head amount to Rs. 18,500 against Rs. 18,650 in the current year's budget. The decrease chiefly appears under scavenging establishment and is owing to a reduction in the contract rates for rubbish carts in the unions under the Chingleput taluk board.

37. (*d*) *Markets.*—A sum of Rs. 50 has been tentatively provided. On the receipt side some income from fees is expected and it is proper to contemplate some expenditure. As the levy of fees in the markets has only been started, no details of expenditure can be given.

38. (*e*) *Choultries—Rs.* 300, *and* (*f*) *Public Bungalows, Rs.* 390.—The current year's provision has been repeated.

39. (*g*) *Contributions to*—(1) *Provincial Services.*—The contributions under the several heads have been fixed with reference to the actuals of 1893–94 as required by G.O., dated 2nd April 1887, No. 641 L.

(2) *To Municipalities, Rs.* 1,800.—This is the contribution to be paid to the Conjeeveram municipality on account of the upkeep of the municipal dispensary at that station and on account of the sanitary arrangements required during the grand festival held there about the month of May.

The total allotment for establishment and contingencies amounts to 18·4 per cent. of the proposed outlay on works against the maximum of 20 per cent. prescribed by Government. The amounts shown under these heads and under "Tools and plant" have been distributed between the district and taluk boards at the percentage rates noted in the margin, calculated with reference to G.O., dated 5th August 1890, No. 1942 L.

Engineering establishment	15·9
Tools and plant	·39
Contingencies	1·04

23. (*i*) (3) *Tolls and Ferries.*—The usual provision of Rs. 120 is repeated for meeting the cost of advertising sale of tolls and of painting numbers on licensed carts and for miscellaneous charges.

24. (*f*) *Miscellaneous.*—The sum of Rs. 200 is provided to meet the refund of fees for compounding toll licenses payable to the contractors concerned at the close of the year under their agreement. The actuals of 1893–94 included the refund of fees collected in 1890–91 and were therefore exceptionally high.

25. The total provision under Grant I amounts to Rs. 1,31,970 and is 54·9 per cent. of the estimated receipts for the year.

26. *Grant II, Education*—(*a*) *Inspection.*—The Director of Public Instruction again urges the necessity of appointing an additional inspecting schoolmaster for the Madurántakam taluk and reorganizing the staff of inspecting schoolmasters. The present staff consists of four inspecting schoolmasters on Rs. 35 each and two on Rs. 30 each. The district board, in its Resolution No. X, dated 11th November 1893, resolved to regrade the staff as shown below:—

The proposal was not, however, carried into effect for want of funds. Provision is now made for the purpose and the estimate under "Inspection" is set down at Rs. 3,800 as detailed:—

	Rs.

Total ..	3,800

The sanction of Government is solicited for the changes proposed in the inspecting staff. The usual provision under printing is reduced as the actuals of 1893–94 amounted to only Rs. 55.

27. (*b*) *Normal Schools.*—These are now under Provincial management.

Sessional Schools.—The provision of Rs. 1,260 is the same as in the current year.

28. (*d*) *Elementary Schools*—(1) *Salary System.*—There are no such schools.

(2) *Salary-result System.*—In the current year's budget provision was made for thirty schools. Two new schools were opened during the year by the Tiruvallúr taluk board for Hindu boys at Varadayyapalayam and for Panchamas at Thervoy. There are thus thirty-two schools for the upkeep of which a total provision of Rs. 5,990 is made against Rs. 5,330 in the current year. The increase occurs chiefly under the five following heads:—

(1) the pay of the teachers of the two new schools at Varadayyapalayam and Thervoy at Rs. 5 each;

(2) the pay of the assistant teachers proposed for the schools at (1) Perunagar, (2) Perambakkam, (3) Pitchivakkam and (4) Vadamadurai on Rs. 5 each;

(3) increased pay to the teachers of Pitchivakkam, Poonamallee and Vengalcheri schools at Re. 1 each, and to the head and the first assistant masters of the Tinnanore school at Rs. 3 and Rs. 2 respectively;

(4) the results stipends provided for the new schools referred to in (1) above and the increase of the same in the case of some of the existing schools as recommended by the Educational officers; and

(5) additional provision under rent, furniture, maps and books and sundries as detailed in Statement IV-A.

The sanction of Government is solicited to the additions and alterations in establishments noted under (1) to (3) above with effect from the dates noted in the proposition statements accompanying this report.

29. (*e*) *Grants-in-aid*—(1) *The salary grants* are taken at Rs. 460. This is the current year's provision.

(2) *Results Grants.*—These are estimated at Rs. 14,700, the current year's revised estimate. It has not been possible to adopt the recommendations of the Educational officers for want of funds.

(3) *Building Grants.*—For this purpose a sum of Rs. 300 is proposed at Rs. 50 for each taluk.

(4) *Miscellaneous Grants.*—The current year's figure is repeated and is intended for payment of oil charges to night schools.

30. (*g*) (1) *Purchase of Books, and* (2) *Commission on Sale of Books.*—The current year's figures are repeated.

31. The total estimate under Grant II is Rs. 27,100 and is 11·3 per cent. of the estimated receipts of the year.

32. *Grant III, Medical Services, &c.*—(*a*) *Hospitals and Dispensaries.*—Of the fourteen institutions under the local boards, in-patients are received in the Chingleput and Sríperumbúdúr hospitals only. The Chingleput taluk board has recently arranged to open two wards in the Madurántakam dispensary—one for males and the other for females. The plan and estimate for the proposed wards of the Saidapet dispensary have been submitted for the approval of the Sanitary Board and the work will probably be taken in hand early next year. The Honorable P. Rangayya Nayudu Garu has, it is understood, generously promised to provide accommodation in the Tiruvallúr dispensary for in-patients. He has been addressed on the subject, and his reply is awaited. The total grant under hospitals and dispensaries is Rs. 24,400, or Rs. 1,000 over the budget estimate for the current year. The increase is due to the enhanced provision made for medicines, diet of patients and furniture. Additional expense has also been entailed by the employment of a reserve hospital assistant on Rs. 25 per mensem (G.O., dated 10th November 1894, Mis. No. 2306 L.); the allowance of increased pay to compounders attached to the Madurántakam hospital and Uttaramerur and Cheyyur dispensaries who have put in the prescribed service (G.O., dated 26th July 1889, No. 1662 L.) and by the provision of house-rent to hospital assistants as required by G.O., dated 4th September 1894, No. 1684 L. There is, however, a saving under establishments owing to the appointment of a third-class instead of a first-class hospital assistant at Nagalapuram. The provision for midwives and midwifery pupils has also been reduced with reference to their actual earnings in the past year. A sum of Rs. 200 is allotted for training two midwifery pupils as usual.

(*j*) *Avenues.*—The revised estimate amounts to only Rs. 1,900. Credit has been taken for Rs. 2,000 as the probable income of the ensuing year. The smaller receipts in 1893–94 were due to special circumstances (*vide* remark (*o*) in Statement IX.)

15. (6) *Public Works*—(*d*) *Contributions from*—(3) *Private Individuals, Rs.* 300.—This is the contribution promised by the Agent and Manager of the Madras Railway Company towards the cost of constructing a drain in the Sembian union in the circumstances stated in paragraph 20 *infra.*

(*f*) *Miscellaneous, Rs.* 30.—This is expected under Engineer's miscellaneous receipts. The actuals of 1893–94 included rents charged to hospital assistants occupying portions of dispensary buildings in certain stations. These are now omitted with reference to G.O., dated 4th September 1894, No. 1684 L.

16. (7) *Contributions from Provincial Funds*—(*a*) *Education, Rs.* 950.—Credit is taken for a contribution of Rs. 800 from Provincial funds on account of earnings by the fourth standard classes of boards' schools and of Rs. 150 on account of building grants. The actuals of 1893–94 were excessive in consequence of the erroneous inclusion of Rs. 261 as stipends paid to normal students of other districts, as explained in paragraph 13 of the annual report for that year. The actuals of that year also included Rs. 654 refunded by the Accountant-General in consequence of the transfer of training schools from Local funds to Provincial, with reference to G.O., dated 9th April 1894, No. 674, Local and Municipal.

17. *Contribution from Special Funds, Rs.* 30.—This is the amount anticipated from special funds, being one-fourth of the travelling allowance of the local audit clerk due to local funds under G.O., dated 6th March 1893, No. 494 L. The actuals of the year 1893–94 amounted to Rs. 23, being for only a part of the year.

18. *Allotments from the District to Taluk Funds.*—To cover the short receipts of the taluk boards, a sum of Rs. 19,600 is transferred to them as shown below :—

	Rs.
Chingleput Taluk Board	4,630
Saidapet " "	13,160
Tiruvallúr " "	1,810
Total ..	19,600

19. *Expenditure.*—The total expenditure under the several grants is estimated at Rs. 2,47,490, against the current year's revised estimate of Rs. 2,65,160, and the actuals of 1893–94, Rs. 2,33,883, the decrease as compared with the revised estimate being due chiefly to enhanced provision made under Grant I in the current year.

20. *Grant I, Public Works*—(*a*) *New Works*—(1) *Communications.*—No proposals can be made for new works under this head as no funds are available.

(2) *Civil Buildings.*—The provision of Rs. 4,950 under (2) "Civil Buildings" comprises the following items :—

	Rs.
* Chingleput Taluk Board	150
Saidapet " "	200
Tiruvallúr " "	100
Total ..	450

(1) Rs. 450 * for the construction of buildings for boards' primary schools.

(2) Rs. 3,250 for the construction of a hospital building at Saidapet.

(3) Rs. 1,250 for the construction of a dispensary at Thiruvothiyur.

The estimate and plan for works Nos. (2) and (3) are before the Sanitary Board and the required sites for the buildings are being acquired. It is proposed to take up these works early in the next year. Under (3) "Miscellaneous public improvements" a sum of Rs. 600 is provided for constructing a drain in the Sembiyam Union for the purpose of carrying off to the fields beyond the village limits the sewage water which now collects in a pond in Agaram village near Perambúr and causes a serious nuisance. The Madras Railway Company has agreed to pay a contribution of a moiety of the cost as the proposal will benefit the railway employés residing in the neighbourhood.

21. (*b*) *Repairs*—(1) *Communications.*—The total provision is Rs. 1,00,420. Rs. 4,250 are provided for remetalling the fifth and sixth miles of the Southern trunk road worn out by heavy traffic to the Presidency town. The usual maintenance grants are also slightly increased so that certain roads which are in bad order may be thoroughly repaired. This explains the increase of Rs. 5,340 under this head as compared with the current year's budget. It is proposed to change the nomenclature of the roads shown below, as the present designations are confusing :—

Number in budget for 1894–95.	Present name of road.	Miles.	Number in budget for 1895–96.	Proposed name.	Miles.
18	Road from Conjeeveram *via* McLean's choultry to the North Arcot district boundary with a branch from Palur to a point on the Kambakkal channel	15	18	Road from Palur Railway Station to Conjeeveram *via* McLean's choultry	8
20 / 1	Road from Sogundi to Parandur ..	10	19	Road from Palur Railway Station to Parandur and thence to Sogundi ..	16
	Total ..	25		Total ..	24

The sanction of Government is solicited for the change. The difference of one mile in the total length of the above-mentioned roads according to the existing and proposed arrangements represents the length in the Western trunk road, which is common to them and is maintained out of the allotment for that road.

(2) *Civil Buildings, Rs.* 730.—The increase of Rs. 50 over the budget estimate of the current year is due to a provision of Rs. 30 for repairing the Tiruvallúr dispensary buildings and of Rs. 20 for the newly-built school house at Tinnanore.

(3) *Miscellaneous Public Improvements, Rs.* 3,650.—A separate gardener for the tope round the mortuary at Chingleput is considered unnecessary as the servants attached to the adjacent local fund chattram can look after the tope also. The provision for planting avenues is, however, slightly increased. Hence a net increase of Rs. 20.

22. (*c*) (2) *Local Fund Engineering Establishment.*—The cost of the engineering establishment including travelling allowances has been estimated at Rs. 19,200, against Rs. 17,820, the budget estimate for the current year. The increase is chiefly due (*a*) to the provision for the payment of overseer's clerks sanctioned in G.O., dated 13th August 1894, Mis. No. 1521 L. and (*b*) to the payment of the second instalment of Rs. 1,500 of the *bonus* sanctioned to the late Engineer in G.O., dated 9th July 1894, Mis. No. 1261 L., falling due in June 1895. This increase is, however, in part counterbalanced (1) by the reduction from Rs. 500 to Rs. 350 of the pay of the Engineer as sanctioned in G.Os., dated 10th September 1894, Mis. Nos. 1743 and 1744 L., and (2) by the appointment of an overseer on Rs. 60 in the room of a retired local fund overseer who was drawing Rs. 75.

(*d*) *Tools and Plant.*—The provision is Rs. 1,000. As the system of spreading material on roads by contract was abolished in 1893–94, as explained in paragraph 16 of the administration report for that year, tools and plant have now to be supplied by the board and a provision of Rs. 1,000 is therefore entered for purchasing and repairing tools.

(*e*) *Contingencies* are estimated at Rs. 1,100. The estimate hasbeen based on the actuals of 1893–94 and is thus distributed :—

	Rs.
(1) Postage	360
(2) Stationery and books	240
(3) Printing and binding	200
(4) Furniture	100
(5) Contingencies and miscellaneous	200

	Rs.
Deduct—	
(6) Collections up to 30th September as by the treasury account.	57,750
(7) Balance on 1st October	8,040
Add—	
(8) Three-fourths of the demand on ryotwari and miscellaneous holdings for the three kists falling due from January to March 1895	94,110
(9) Three-fourths of the demand on shrotriems falling due from January to March 1895	15,240
(10) Three-eighths of the demand on zemindaris falling due from January to March 1895	9,880
(11) Total of items (7) to (10) to be realised in the second half-year	1,27,270
(12) Probable collection out of item No. 11 at 90 per cent. of the demand	1,14,550
(13) Total of items (6) and (12) being the total revised estimate for 1894–95	1,72,300
(14) Balance on 31st March 1895 deducting item (12) from item (11)	12,720

4. *Tolls, Rs.* 32,200.—The sale of the Red Hills and Cheyur tolls realized less than in the previous year, and the income under tolls accordingly fell to Rs. 32,200 from a budget estimate of Rs. 34,000.

5. (6) *Public Works*—(*d*) *Contributions*—(3) *From Private Individuals, Rs.* 5,500.—This is made up (*a*) of a contribution of Rs. 2,000 promised by M.R.Ry. Viraswami Chettiyar Avargal towards building a hospital at Saidapet (*vide* G.O., dated 12th October 1893, No. 2261 L., Mis.), and (*b*) of a similar contribution of Rs. 2,500 by M.R.Ry. Ramakrishnayya Pantulu Garu towards the same work and for building a dispensary at Tiruvothiyur (*vide* same Government Order); (*c*) of the balance of Rs. 500 of the subscriptions promised by private individuals towards the construction of the "Thomas ward" referred to in G.O., No. 2870 L., Mis., dated 23rd December 1893; and finally (*d*) of private subscriptions amounting to Rs. 500 contributed for extending the Mádurantakam and Sríperumbudur hospitals. Of item (*a*) Rs. 500, and of items (*c*) and (*d*) Rs. 568, have already been collected during the first six months. The remaining amounts, it is expected, will be collected before the close of the official year.

6. *Expenditure.*—Excluding the reserve, the total expenditure of the year is now estimated at Rs. 2,65,160 against the budget estimate of Rs. 2,33,430. The increase appears chiefly under Grant I, and is due to subsequent allotments made from the reserve and balance at the disposal of local boards for special works and repairs, and to the allotment of Rs. 14,000 from Provincial funds for recoating the Western trunk road—*vide* G.O., No. 913 L., Mis., dated 23rd May 1894. There are also slight variations in the allotments under the other grants, which are explained in the remarks column of Statement IX. The unallotted portion of the reserve, amounting to Rs. 14,590, is set apart for future appropriation. The balance to be carried forward to the ensuing year's budget amounts to Rs. 23,700, of which Rs. 5,270 appertain to endowment funds and Rs. 1,000 to unions.

BUDGET ESTIMATE FOR 1895–96.

7. *Receipts.*—The receipts, excluding the opening balance, are estimated at Rs. 2,40,230 against Rs. 2,54,120, the revised estimate of 1894–95, and Rs. 2,83,209, the actuals of 1893–94. The difference between the budget estimate of 1895–96 and the revised estimate of 1894–95 is due chiefly to decreases under fishery rents (Rs. 700) and contributions from private individuals (Rs. 5,200) and from Government (Rs. 14,250) on account of public works; with, on the other hand, an increase in the estimate from tolls of Rs. 6,300.

The difference between the present budget estimate and the actuals of 1893–94 is further mainly due to the large collections of arrears of land-cess in the earlier year; and also to receipts under miscellaneous debt heads which are now excluded.

8. (i) *Rates and Taxes*—(*a*) *Cess on Land.*—According to the demand, collection and balance statement appended to Statement IX, a balance of Rs. 12,720 will be left uncollected at the end of the current year. Taking the current demand at the same figure, Rs. 1,72,150, as the demand in the revised estimate, the total amount to be realized in 1895–96 will be Rs. 1,84,870, of which Rs. 1,71,930, or 93 per cent., it is anticipated, will be collected within the year. The decrease as compared with the actuals of 1893–94 is due to the collection in that year of large arrears amounting to about Rs. 50,000 of previous years.

9. (*b*) *Tolls under Act V of* 1884.—The Government, by G.O., dated 23rd May last, No. 913 L., Mis., permitted the district board to place its toll-gates within ten miles of the Madras municipal limits. The board has accordingly resolved to remove the gates at Munankattalai and Poonamallee to their former sites at Porur and Maduravayal on the road from Saint Thomas' Mount to Poonamallee and the Western Trunk road respectively. The revenue from this source is estimated on the basis of the receipts between 1885 and 1890 before the two gates referred to above were removed, and on the basis of the receipts from the other gates during the past five years, at Rs. 38,500, or Rs. 6,300 over the revised estimate for 1894–95.

Contributions from Municipalities, Rs. 1,650.—This has been based on the revised estimate of the current year.

10. (*c*) *House tax, Rs.* 15,000.—The slight increase of Rs. 100 over the revised estimate is anticipated in consequence of revision of assessments in Sríperumbúdúr and Tiruvallúr unions.

11. (2) *Education*—(*a*) *School-fees, Rs.* 900.—The increased attendance in some of the boards' schools and the opening of a new school for Hindu boys by the Tiruvallúr taluk board in the current year account for the increase.

12. (3) *Medical*—(*a*) *Hospital Receipts, Rs.* 250.—The revised estimate has been repeated.

13. (4) (*a*) *Interest on Government Securities, Rs.* 1,360.—Owing to the conversion of the investments in 4 per cent. Government paper into $3\frac{1}{2}$ per cent. under the recent notifications of the Government of India, the income under this head has been estimated at Rs. 1,360, against Rs. 1,560, the revised estimate for 1894–95.

14. (5) (*a*) *Contributions for purposes other than Education, &c.*—(3) *From Private Individuals.*—Credit is taken for the usual contribution of Rs. 120 from the temple authorities at Tiruvallúr and Periyapalayam towards the cost of making sanitary arrangements during festivals.

(*c*) *Market Rents.*—There were two markets under the local boards—the weekly market at Avadi and the vegetable market at Pulicat. The former is held on private land and no fees have been levied. In the latter a small sum of Rs. 11 was collected during 1893–94 and about the same amount is anticipated in 1895–96. Efforts are being made by the Chingleput taluk board to transfer the sites of markets, so far as possible, to Government waste lands and to levy fees in them; these being expended for the improvement and sanitation of the market. The market at Uttaramerur has already been thus transferred and a sum of Rs. 50 is expected from it in 1895–96.

(*h*) *Fishery Rents, Rs.* 2,600.—The revised estimate of 1894–95 amounted to Rs. 3,300 in consequence of the special receipts from some of the tanks as explained in column 8 of Statement IX. The estimate of 1895–96 is based on the actuals of 1893–94.

(*i*) *Rents and Produce of Land.*—The actuals of 1893–94 included special receipts from sale of trees in unions and streets, blown down by the cyclone in that year. The estimate of 1895–96 is therefore taken at Rs. 750 only, or at nearly the same figure as the revised estimate.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following papers :—

From G. S. FORBES, Esq., President of the Chingleput District Board, to the Chief Secretary to Government, dated Saidapet, 17th December 1894, Dis. No. 629 L.

I have the honour to submit the revised estimate of receipts and charges of the local boards of the Chingleput district for the official year 1894–95 and the consolidated budget estimates for 1895–96, together with the prescribed statements and a map of the district corrected up to date.

Revised Estimate for 1894–95.

2. *Receipts.*—The year opened with a balance of Rs. 49,330 as detailed by the Accountant-General against Rs. 14,250 anticipated in the original budget. The large increase in the balance is due chiefly to the collection in 1893–94 of arrears of the land-cess of previous years, not realized owing to the unfavorable agricultural seasons. There were also increases under fishery rents and miscellaneous debt heads in 1893–94. The receipts as now estimated amount to Rs. 2,54,120 against Rs. 2,32,650 expected in the original budget, the increase appearing chiefly under land-cess and contributions from Government and private individuals on account of public works. The chief variations are explained below, while the others are accounted for in the remarks column of Statement IX.

3. *Cess on Land.*—The balance that remained uncollected at the end of 1893–94 amounted to Rs. 12,870. The current demand for 1894–95 is estimated at Rupees 1,72,150, which is the beriz of fasli 1303 (1893–94) and made up of the following items :—

		Rs.
(i)	Cess on ryotwar and miscellaneous holdings	1,25,480
(ii)	,, zemindaris including Rs. 9,100 from Kachinad taluk	26,350
(iii)	,, shrotriems..	20,320
	Total ..	1,72,150

This with the opening balance makes a total of Rs. 1,85,020, of which Rupees 1,72,300 are expected to be realized before the end of the year as detailed below :—

		Rs.
(1)	Balance on 1st April 1894	12,870
Add—		
(2)	One-fourth of the kist demand on ryotwari and miscellaneous holdings which fell due in April last	31,370
(3)	One-fourth of the kist demand on shrotriems which fell due in April last	5,080
(4)	Five-eighths of the demand on zemindaris which fell due in April and June last	16,470
(5)	Total for realization during the first half-year	65,790

Revised Estimate for 1894–95.

2. The current receipts and charges are now estimated at Rs. 2,54,120 and Rs. 2,79,750, respectively, against Rs. 2,32,650 and Rs. 2,42,130 in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, fishery-rents, Public Works and contributions from Provincial funds and that in the charges under Grant I and Reserve.

Budget Estimate for 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,40,230 against Rs. 2,54,120 in the revised estimate, the decrease appearing mainly under Public Works and contributions from Provincial funds.

4. *Charges.*—(1) The charges are set down at Rs. 2,59,620 against Rs. 2,79,750 in the revised estimate, the decrease being under Grant I.

(2) *Grant I.*—No expenditure should be incurred on the construction of the hospital building at Saidapet, the dispensary at Tiruvottiyúr and the drain at Sembiam until the plans and estimates are sanctioned by competent authority. The proposed alterations in the names of the roads referred to in paragraph 21 of the President's first letter are approved. The revision of the Local Fund Engineer's office establishment proposed in the President's third letter read above is sanctioned, and the provision made in the budget on this account will be raised by Rs. 120. The President should have explained why the proposal last named was not embodied in the budget as required in paragraph 2 of G.O., dated 14th June 1894, No. 1094 L.

(3) *Grant II.*—The additions to, and alterations in, the educational establishments referred to in paragraphs 26 and 28 of the President's first letter are sanctioned with retrospective effect where asked for. The Government is not prepared to adopt the suggestions made by the Director of Public Instruction in paragraph 1 of his letter, as the Local Boards have in this budget made a larger provision for education than was adopted in previous years, and have not the funds to devote to further increases under this head.

(4) *Grant III.*—The allotment for medical subordinates will be raised by Rs. 60 as proposed in paragraph 1 of the Surgeon-General's letter read above. As regards paragraph 2 the Surgeon-General's attention will be drawn to paragraph 32 of the President's first letter, from which it will be seen that the necessary provision has been made in the budget for payment of house-rent to hospital assistants. Further, under paragraph 3 of G.O., dated 24th January 1895, No. 154 L., the rate of compensation in lieu of quarters has to be fixed by the Local Boards concerned subject to a maximum of Rs. 5 in each case, according to the circumstances of each locality, and not at a uniform rate of Rs. 5 as supposed by the Surgeon-General. The suggestion made by him in paragraph 3 of his letter should be adopted in future. The remarks of the Sanitary Commissioner on the allotments for vaccination and sanitation will be awaited. The provision of Rs. 30 for contribution to Provincial funds on account of the cutlers' establishment will be struck out with reference to G.O , dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—As the sum of Rs. 1,810 provided on account of controlling establishments at the Presidency with reference to G.O., dated 4th December 1894, No. 2527 L., does not include the cost of printing work done at the Government Press, a provision of Rs. 330, being the actuals of 1893–94, will be made under the latter head. The additions to, and alterations in, the local board's account and audit establishments referred to in paragraph 43 of the President's first letter are sanctioned with retrospective effect.

5. *Reserve and Balance.*—Owing to want of funds, a reserve of Rs. 12,130 or only 5 per cent. of the estimated receipts of the year is provided. This will now be further

48. The total provision under Grant IV is Rs. 29,800 and represents 12·4 per cent. of the estimated total receipts.

49. *Reserve and Balance.*—Deducting Rs. 2,47,490, the estimated total charges under the several grants, from Rs. 2,63,930, the estimated total assets of the year, a balance of Rs. 16,440 is left, of which Rs. 3,860 appertain to the union and endowment funds. The amount available for provision under reserve and balance is thus reduced to Rs. 12,580, which is about 5·2 per cent. of the estimated receipts. Of this sum, Rs. 12,130 or 5 per cent. of the receipts excluding the opening balance and the endowment receipts are set apart as reserve as shown in the margin, and the remaining sum of Rs. 450 as a general closing balance.

50. The necessary proposition statements in respect of the additions to, and alterations in, the existing establishments and for the new establishments proposed in the foregoing paragraphs, are enclosed.

51. The revised and the consolidated budget estimates have been duly passed by the district board and a copy of its resolution is enclosed.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 21st December 1894, No. 12485.

With reference to the budget estimate of the Chingleput district board for 1895–96, I have the honour to state that the provision made under Grant II is sufficient, except in regard to the following items:—

(i) *Results Grants.*—The current year's allotment is repeated. The actuals of 1893–94 having amounted to Rs. 14,000 nearly, I would recommend that Rs. 16,000 be allotted for the ensuing year. I would here observe that only 58 per cent. of the net cost could be assigned as results grants during the current year. The increased allotment will be necessary to allow a larger amount of aid and to provide for grants to new schools.

(ii) *Building Grants.*—As the educational rules will apply to lower primary schools also from 1st January next, and as a large number of results schools may apply for building grants so as to meet the conditions of recognition as far as accommodation is concerned, I beg to recommend that the allotment proposed by the Board be raised by Rs. 200.

(iii) *Furniture and Special Grants.*—No provison has been made for grants for furniture, apparatus and appliances to results schools. For reasons urged in the preceding clause I would suggest that Rs. 400 at least be entered for the purpose in the present budget.

2. Should the modifications suggested above be approved, the expenditure under Grant II will amount to Rs. 29,000. In paragraph 32 of its order, No. 2500–2501 L., Local and Municipal, dated 8th November 1893, Government directed that the allotment for education in this district should be increased as funds become available.

From N. S. BRODIE, Esq., President of the District Board, Chingleput, to the Chief Secretary to Government, dated Saidapet, 8th January 1895, Ref. on No. 3780 L. of 1894.

I have the honour to submit herewith a map of the Chingleput District as promised in paragraph 1 of my covering letter No. 629, dated 17th ultimo, to the consolidated budget estimate for 1895–96 and an abstract of the estimated receipts and charges of local boards for the same year in the form prescribed in G.O., No. 661 L., dated 20th March 1891.

From H. A. STUART, Esq., C.S., President of the District Board, Chingleput, to the Chief Secretary to Government, dated Saidapet, 15th January 1895, Ref. on No. 102 L.

I have the honour to forward herewith a resolution of the District Board passed at its meeting held on the 12th instant and a proposition statement in the prescribed form regarding the reorganization of the office establishment of the District Board Engineer, and to request that Government will be pleased to sanction the same.

2. The establishment as it stands at present is not sufficiently strong to deal with the increased work and the District Board Engineer has repeatedly asked for an additional clerk. The change proposed provides for another clerk on Rs. 15, and after setting off the savings effected by reducing the pay of the head clerk from Rs. 35 to Rs. 30 towards the additional cost, the extra charge involved is only Rs. 10.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 4th February 1895, No. 87.

With reference to Grant III of the budget estimate of the District Board, Chingleput, for the year 1895–96, I have the honour to state that the pay provided for the subordinates attached to the Saidapet dispensary should be increased from Rs. 1,610 to Rs. 1,669 as the hospital assistant attached to it will complete seven years service on the 11th October 1895, and will be entitled to a higher rate of pay with effect from that date.

2. Provision of Rs. 920 is made under "rents." This sum, it is presumed, includes the amount for compensation for quarters to the medical subordinates and the rents on buildings. If so, the provision for the former appears to be inadequate considering the number of hospital assistants employed (fourteen) and the estimate under this head should be increased by Rs. 270.

3. I would suggest that house-rent for hospital assistants should be distinguished from rents on buildings.

ORDER—dated 11th February 1895, No. 267 L., Local and Municipal.

The estimated Local fund receipts and charges of the Chingleput district for 1895–96 as passed by Government are compared below with the budget and revised estimates for 1894–95 and the actuals of 1893–94.

33. (8) *Medical Pupils.*—The district board resolved at its meeting on the 13th October 1894 to defer the proposal to appoint a trained female apothecary in the district till the budget, but owing to want of funds no provision has been made for this at present.

34. *Vaccination*—(1) *Fixed Charges.*—As the single vaccinator on Rs. 10 sanctioned in G.O., dated 15th February 1894, No. 304 L., was not able to cope with the work in the Kachinad taluk, the district board sanctioned the entertainment from November last of a first-class vaccinator on Rs. 15 temporarily for six months subject to further report as to the necessity of retaining him permanently. Owing to the size of this taluk and the backward state of vaccination in it there is every probability of this vaccinator's being continued; the necessary provision has therefore been made for his pay and allowance for the whole of the ensuing year. Including this, the fixed charges of the vaccine establishment for 1895–96 are as follow:—

	RS.
Two deputy inspectors of vaccination—one on Rs. 70 and the other on Rs. 60	1,560
Seven first-class vaccinators on Rs. 18 each	1,512
One first-class vaccinator on Rs. 15 for the Kachinad taluk	180
Thirteen second-class vaccinators on Rs. 10 each	1,560
Four pupil vaccinators and two peons on Rs. 6 each	432
Total	5,244

(2) *Contingencies.*—The revised estimate for 1894–95 is Rs. 2,300 and the actuals of 1893–94 are Rs. 2,286. A total provision of Rs. 2,700 is therefore considered sufficient for the ensuing year. The following are the details:—

	RS.
Travelling allowance to deputy inspectors of vaccination and their peons	720
Travelling allowance to vaccinators on special duty	100
Rewards to vaccinators	400
Animal vaccination	1,000
Postage charges	120
Stationery	100
Printing	100
Batta to mothers of vaccinated children	20
Supplies of instruments from Medical depôt	80
Sundries	60
Total	2,700

35. The sanction of Government is solicited for the temporary vaccinator referred to in the foregoing paragraph.

36. (*c*) *Sanitation.*—The allotments under this head amount to Rs. 18,500 against Rs. 18,650 in the current year's budget. The decrease chiefly appears under scavenging establishment and is owing to a reduction in the contract rates for rubbish carts in the unions under the Chingleput taluk board.

37. (*d*) *Markets.*—A sum of Rs. 50 has been tentatively provided. On the receipt side some income from fees is expected and it is proper to contemplate some expenditure. As the levy of fees in the markets has only been started, no details of expenditure can be given.

38. (*e*) *Choultries*—*Rs.* 300, *and* (*f*) *Public Bungalows*, *Rs.* 390.—The current year's provision has been repeated.

39. (*g*) *Contributions to*—(1) *Provincial Services.*—The contributions under the several heads have been fixed with reference to the actuals of 1893–94 as required by G.O., dated 2nd April 1887, No. 641 L.

(2) *To Municipalities*, *Rs.* 1,800.—This is the contribution to be paid to the Conjeeveram municipality on account of the upkeep of the municipal dispensary at that station and on account of the sanitary arrangements required during the grand festival held there about the month of May.

40. (*h*) *Miscellaneous—Lighting Charges*, *Rs.* 2,680.—The increase as compared with the current year's budget in the taluks is due to the enhanced provision made for the Chingleput, Madurántakam, Karunguli and Sembiyam unions where it is proposed to fix additional lights. The decrease in the Saidapet union and in the district board is due to cheaper contract rates.

Water pandal, *Rs.* 60.—This amount is to be expended on water-pandals during the hot weather at places that may be determined by the taluk boards.

41. The total provision under Grant III amounts to Rs. 58,620 and is 24·4 per cent of the estimated receipts of the year.

42. *Grant IV, General Administration*—(*a*) *Controlling Establishments at the Presidency (including charges of Printing in the Government Press)*, *Rs.* 1,810.—This amount has been calculated on the percentage rate advised in G.O., dated 4th December 1894, No. 2527 L.

(*b*) *Establishment in the Collector's Office*, *Rs.* 2,540.—The allotment includes provision (*a*) for the entertainment of an attender on Rs. 7 per mensem for the local audit office, sanctioned by the district board in its resolution, dated 8th September 1894, and (*b*) for the purchase of a copy of the "Route book" for use in the same office, and (*c*) travelling allowances and contingencies.

The pay of the head accountant in the local fund account branch of the Collector's office has been reduced, after reference to the practice in other districts, from Rs. 60 to Rs. 40 and the saving utilised in providing, what was much wanted, a third accountant on Rs. 15. This branch of the office will now be organized thus: One head accountant on Rs. 40, one second accountant on Rs. 20, and one third accountant on Rs. 15. The further saving of Rs. 5 should, it has been resolved, be utilized in improving the pay of one of the clerks of the district board office as explained in the next paragraph.

(*c*) *Local Boards' Office Establishment*, *Rs.* 5,700.—The increase of Rs. 210 as compared with the current year's budget represents—

(1) the pay of an assistant clerk for the Tiruvallúr taluk board office on Rs. 10. This was sanctioned by the taluk board in its resolution, dated 3rd November 1894, to be entertained at once, as the work in the office was found too heavy for a single clerk.

(2) the increase of pay to the karnam of Ponneri union office from Rs. 7 to Rs. 10 as house-tax is collected in that union, and

(3) The increase from Rs. 15 to Rs. 20 of the pay of the third clerk of the district board office. The present staff includes one head clerk on Rs. 60, one second clerk on Rs. 25, one third clerk on Rs. 15, and one fourth on Rs. 15. The proposal will raise the total pay by Rs. 60, but this has been provided, as explained in the preceding paragraph, from the reduction effected in the pay of the head accountant.

43. (*a*). The sanction of Government with retrospective effect is solicited (1) for the employment of the attender in the local audit office, (2) for the additional clerk in the Tiruvallur taluk board office, and (3) for the re-organisation of the local fund account branch of the Collector's office and of the district board office as detailed above.

44. (*d*) *Contingencies.*—A total provision of Rs. 3,820 is made against Rs. 3,710 in the current year. The allotments have been fixed with reference to the revised estimate for the current year and the probable requirements of the ensuing year.

45 (*e*) *Pensions*, *Rs.* 330.—The increase in the provision under this head is required to meet the pension sanctioned to a late local fund overseer—*vide* G.O., dated 22nd November 1894, No. 1494, Pension.

46. (*g*) *Loans*—(1) *Principal and* (2) *Interest.*—A total sum of Rs. 15,250 is provided for the instalments falling due in 1895–96 according to the statement originally furnished by the Accountant-General in respect of the loan from Government for the construction of the iron girder bridge over the Korttalaiyár river.

47. (*h*) *Miscellaneous*, *Rs.* 150.—This is intended to meet law charges during the ensuing year. This repeats the budget estimate of the current year.

The total allotment for establishment and contingencies amounts to 18·4 per cent. of the proposed outlay on works against the maximum of 20 per cent. prescribed by Government. The amounts shown under these heads and under "Tools and plant" have been distributed between the district and taluk boards at the percentage rates noted in the margin, calculated with reference to G.O., dated 5th August 1890, No. 1942 L.

Engineering establishment	15·9
Tools and plant	·39
Contingencies	1·04

23. (*i*) (3) *Tolls and Ferries.*—The usual provision of Rs. 120 is repeated for meeting the cost of advertising sale of tolls and of painting numbers on licensed carts and for miscellaneous charges.

24. (*f*) *Miscellaneous.*—The sum of Rs. 200 is provided to meet the refund of fees for compounding toll licenses payable to the contractors concerned at the close of the year under their agreement. The actuals of 1893–94 included the refund of fees collected in 1890–91 and were therefore exceptionally high.

25. The total provision under Grant I amounts to Rs. 1,31,970 and is 54·9 per cent. of the estimated receipts for the year.

26. *Grant II, Education*—(*a*) *Inspection.*—The Director of Public Instruction again urges the necessity of appointing an additional inspecting schoolmaster for the Madurántakam taluk and reorganizing the staff of inspecting schoolmasters. The present staff consists of four inspecting schoolmasters on Rs. 35 each and two on Rs. 30 each. The district board, in its Resolution No. X, dated 11th November 1893, resolved to regrade the staff as shown below:—

	Rs.
One inspecting schoolmaster on Rs. 40	40
Two " " on " 35 each	70
Two " " on " 30 "	60
Two " " on " 25 "	50
Total ..	220

The proposal was not, however, carried into effect for want of funds. Provision is now made for the purpose and the estimate under "Inspection" is set down at Rs. 3,800 as detailed:—

	Rs.
Salaries	2,640
Travelling allowance to the officer on Rs. 40, at Rs. 12½ on an average	150
Travelling allowance to four officers on Rs. 35 and 30 each, at Rs. 9½ on an average	450
Travelling allowance to two officers on Rs. 25 each, at Rs. 6¼ on an average	150
Travelling allowance to Muhammadan Inspecting schoolmaster of the Madras Municipality in charge of board schools	60
Stationery	80
Postage	120
Printing	100
Miscellaneous	50
Total ..	3,800

The sanction of Government is solicited for the changes proposed in the inspecting staff. The usual provision under printing is reduced as the actuals of 1893–94 amounted to only Rs. 55.

27. (*b*) *Normal Schools.*—These are now under Provincial management.

Sessional Schools.—The provision of Rs. 1,260 is the same as in the current year.

28. (*d*) *Elementary Schools*—(1) *Salary System.*—There are no such schools.

(2) *Salary-result System.*—In the current year's budget provision was made for thirty schools. Two new schools were opened during the year by the Tiruvallúr taluk board for Hindu boys at Varadayyapalayam and for Panchamas at Thervoy. There are thus thirty-two schools for the upkeep of which a total provision of Rs. 5,990 is made against Rs. 5,330 in the current year. The increase occurs chiefly under the five following heads:—

(1) the pay of the teachers of the two new schools at Varadayyapalayam and Thervoy at Rs. 5 each;

(2) the pay of the assistant teachers proposed for the schools at (1) Perunagar, (2) Perambakkam, (3) Pitchivakkam and (4) Vadamadurai on Rs. 5 each;

(3) increased pay to the teachers of Pitchivakkam, Poonamallee and Vengalcheri schools at Re. 1 each, and to the head and the first assistant masters of the Tinnanore school at Rs. 3 and Rs. 2 respectively;

(4) the results stipends provided for the new schools referred to in (1) above and the increase of the same in the case of some of the existing schools as recommended by the Educational officers; and

(5) additional provision under rent, furniture, maps and books and sundries as detailed in Statement IV-A.

The sanction of Government is solicited to the additions and alterations in establishments noted under (1) to (3) above with effect from the dates noted in the proposition statements accompanying this report.

29. (*e*) *Grants-in-aid*—(1) *The salary grants* are taken at Rs. 460. This is the current year's provision.

(2) *Results Grants.*—These are estimated at Rs. 14,700, the current year's revised estimate. It has not been possible to adopt the recommendations of the Educational officers for want of funds.

(3) *Building Grants.*—For this purpose a sum of Rs. 300 is proposed at Rs. 50 for each taluk.

(4) *Miscellaneous Grants.*—The current year's figure is repeated and is intended for payment of oil charges to night schools.

30. (*g*) (1) *Purchase of Books, and* (2) *Commission on Sale of Books.*—The current year's figures are repeated.

31. The total estimate under Grant II is Rs. 27,100 and is 11·3 per cent. of the estimated receipts of the year.

32. *Grant III, Medical Services, &c.*—(*a*) *Hospitals and Dispensaries.*—Of the fourteen institutions under the local boards, in-patients are received in the Chingleput and Sríperumbúdúr hospitals only. The Chingleput taluk board has recently arranged to open two wards in the Madurántakam dispensary—one for males and the other for females. The plan and estimate for the proposed wards of the Saidapet dispensary have been submitted for the approval of the Sanitary Board and the work will probably be taken in hand early next year. The Honorable P. Rangayya Nayudu Garu has, it is understood, generously promised to provide accommodation in the Tiruvallúr dispensary for in-patients. He has been addressed on the subject, and his reply is awaited. The total grant under hospitals and dispensaries is Rs. 24,400, or Rs. 1,000 over the budget estimate for the current year. The increase is due to the enhanced provision made for medicines, diet of patients and furniture. Additional expense has also been entailed by the employment of a reserve hospital assistant on Rs. 25 per mensem (G.O., dated 10th November 1894, Mis. No. 2306 L.); the allowance of increased pay to compounders attached to the Madurántakam hospital and Uttaramerur and Cheyyur dispensaries who have put in the prescribed service (G.O., dated 26th July 1889, No. 1662 L.) and by the provision of house-rent to hospital assistants as required by G.O., dated 4th September 1894, No. 1684 L. There is, however, a saving under establishments owing to the appointment of a third-class instead of a first-class hospital assistant at Nagalapuram. The provision for midwives and midwifery pupils has also been reduced with reference to their actual earnings in the past year. A sum of Rs. 200 is allotted for training two midwifery pupils as usual.

(*j*) *Avenues.*—The revised estimate amounts to only Rs. 1,900. Credit has been taken for Rs. 2,000 as the probable income of the ensuing year. The smaller receipts in 1893–94 were due to special circumstances (*vide* remark (*o*) in Statement IX.)

15. (6) *Public Works*—(*d*) *Contributions from*—(3) *Private Individuals, Rs.* 300.—This is the contribution promised by the Agent and Manager of the Madras Railway Company towards the cost of constructing a drain in the Sembian union in the circumstances stated in paragraph 20 *infra.*

(*f*) *Miscellaneous, Rs.* 30.—This is expected under Engineer's miscellaneous receipts. The actuals of 1893–94 included rents charged to hospital assistants occupying portions of dispensary buildings in certain stations. These are now omitted with reference to G.O., dated 4th September 1894, No. 1684 L.

16. (7) *Contributions from Provincial Funds*—(*a*) *Education, Rs.* 950.—Credit is taken for a contribution of Rs. 800 from Provincial funds on account of earnings by the fourth standard classes of boards' schools and of Rs. 150 on account of building grants. The actuals of 1893–94 were excessive in consequence of the erroneous inclusion of Rs. 261 as stipends paid to normal students of other districts, as explained in paragraph 13 of the annual report for that year. The actuals of that year also included Rs. 654 refunded by the Accountant-General in consequence of the transfer of training schools from Local funds to Provincial, with reference to G.O., dated 9th April 1894, No. 674, Local and Municipal.

17. *Contribution from Special Funds, Rs.* 30.—This is the amount anticipated from special funds, being one-fourth of the travelling allowance of the local audit clerk due to local funds under G.O., dated 6th March 1893, No. 494 L. The actuals of the year 1893–94 amounted to Rs. 23, being for only a part of the year.

18. *Allotments from the District to Taluk Funds.*—To cover the short receipts of the taluk boards, a sum of Rs. 19,600 is transferred to them as shown below :—

	Rs.
Chingleput Taluk Board	4,630
Saidapet „ „	13,160
Tiruvallúr „ „	1,810
Total ..	19,600

19. *Expenditure.*—The total expenditure under the several grants is estimated at Rs. 2,47,490, against the current year's revised estimate of Rs. 2,65,160, and the actuals of 1893–94, Rs. 2,33,883, the decrease as compared with the revised estimate being due chiefly to enhanced provision made under Grant I in the current year.

20. *Grant I, Public Works*—(*a*) *New Works*—(1) *Communications.*—No proposals can be made for new works under this head as no funds are available.

(2) *Civil Buildings.*—The provision of Rs. 4,950 under (2) "Civil Buildings" comprises the following items :—

	Rs.
* Chingleput Taluk Board	150
Saidapet „ „	200
Tiruvallúr „ „	100
Total ..	450

(1) Rs. 450 * for the construction of buildings for boards' primary schools.

(2) Rs. 3,250 for the construction of a hospital building at Saidapet.

(3) Rs. 1,250 for the construction of a dispensary at Thiruvothiyur.

The estimate and plan for works Nos. (2) and (3) are before the Sanitary Board and the required sites for the buildings are being acquired. It is proposed to take up these works early in the next year. Under (3) "Miscellaneous public improvements" a sum of Rs. 600 is provided for constructing a drain in the Sembiyam Union for the purpose of carrying off to the fields beyond the village limits the sewage water which now collects in a pond in Agaram village near Perambúr and causes a serious nuisance. The Madras Railway Company has agreed to pay a contribution of a moiety of the cost as the proposal will benefit the railway employés residing in the neighbourhood.

21. (*b*) *Repairs*—(1) *Communications.*—The total provision is Rs. 1,00,420. Rs. 4,250 are provided for remetalling the fifth and sixth miles of the Southern trunk road worn out by heavy traffic to the Presidency town. The usual maintenance grants are also slightly increased so that certain roads which are in bad order may be thoroughly repaired. This explains the increase of Rs. 5,340 under this head as compared with the current year's budget. It is proposed to change the nomenclature of the roads shown below, as the present designations are confusing :—

Number in budget for 1894–95.	Present name of road.	Miles.	Number in budget for 1895–96.	Proposed name.	Miles.
18	Road from Conjeeveram *via* McLean's choultry to the North Arcot district boundary with a branch from Palur to a point on the Kambakkal channel	15	18	Road from Palur Railway Station to Conjeeveram *via* McLean's choultry	8
20 / 1	Road from Sogundi to Parandur ..	10	19	Road from Palur Railway Station to Parandur and thence to Sogundi ..	16
	Total ..	25		Total ..	24

The sanction of Government is solicited for the change. The difference of one mile in the total length of the above-mentioned roads according to the existing and proposed arrangements represents the length in the Western trunk road, which is common to them and is maintained out of the allotment for that road.

(2) *Civil Buildings, Rs.* 730.—The increase of Rs. 50 over the budget estimate of the current year is due to a provision of Rs. 30 for repairing the Tiruvallúr dispensary buildings and of Rs. 20 for the newly-built school house at Tinnanore.

(3) *Miscellaneous Public Improvements, Rs.* 3,650.—A separate gardener for the tope round the mortuary at Chingleput is considered unnecessary as the servants attached to the adjacent local fund chattram can look after the tope also. The provision for planting avenues is, however, slightly increased. Hence a net increase of Rs. 20.

22. (*c*) (2) *Local Fund Engineering Establishment.*—The cost of the engineering establishment including travelling allowances has been estimated at Rs. 19,200, against Rs. 17,820, the budget estimate for the current year. The increase is chiefly due (*a*) to the provision for the payment of overseer's clerks sanctioned in G.O., dated 13th August 1894, Mis. No. 1521 L. and (*b*) to the payment of the second instalment of Rs. 1,500 of the *bonus* sanctioned to the late Engineer in G.O., dated 9th July 1894, Mis. No. 1261 L., falling due in June 1895. This increase is, however, in part counterbalanced (1) by the reduction from Rs. 500 to Rs. 350 of the pay of the Engineer as sanctioned in G.Os., dated 10th September 1894, Mis. Nos. 1743 and 1744 L., and (2) by the appointment of an overseer on Rs. 60 in the room of a retired local fund overseer who was drawing Rs. 75.

(*d*) *Tools and Plant.*—The provision is Rs. 1,000. As the system of spreading material on roads by contract was abolished in 1893–94, as explained in paragraph 16 of the administration report for that year, tools and plant have now to be supplied by the board and a provision of Rs. 1,000 is therefore entered for purchasing and repairing tools.

(*e*) *Contingencies* are estimated at Rs. 1,100. The estimate hasbeen based on the actuals of 1893–94 and is thus distributed :—

	Rs.
(1) Postage	360
(2) Stationery and books	240
(3) Printing and binding	200
(4) Furniture	100
(5) Contingencies and miscellaneous	200

(8) Three-fourths of the demand on ryotwari and miscellaneous holdings for the three kists falling due from January to March 1895	94,110
(9) Three-fourths of the demand on shrotriems falling due from January to March 1895	15,240
(10) Three-eighths of the demand on zemindaris falling due from January to March 1895	9,880
(11) Total of items (7) to (10) to be realised in the second half-year	1,27,270
(12) Probable collection out of item No. 11 at 90 per cent. of the demand	1,14,550
(13) Total of items (6) and (12) being the total revised estimate for 1894–95	1,72,300
(14) Balance on 31st March 1895 deducting item (12) from item (11)	12,720

4. *Tolls, Rs.* 32,200.—The sale of the Red Hills and Cheyur tolls realized less than in the previous year, and the income under tolls accordingly fell to Rs. 32,200 from a budget estimate of Rs. 34,000.

5. (6) *Public Works*—(*d*) *Contributions*—(3) *From Private Individuals, Rs.* 5,500.—This is made up (*a*) of a contribution of Rs. 2,000 promised by M.R.Ry. Viraswami Chettiyar Avargal towards building a hospital at Saidapet (*vide* G.O., dated 12th October 1893, No. 2261 L., Mis.), and (*b*) of a similar contribution of Rs. 2,500 by M.R.Ry. Ramakrishnayya Pantulu Garu towards the same work and for building a dispensary at Tiruvothiyur (*vide* same Government Order); (*c*) of the balance of Rs. 500 of the subscriptions promised by private individuals towards the construction of the "Thomas ward" referred to in G.O., No. 2870 L., Mis., dated 23rd December 1893; and finally (*d*) of private subscriptions amounting to Rs. 500 contributed for extending the Mádurantakam and Sríperumbudur hospitals. Of item (*a*) Rs. 500, and of items (*c*) and (*d*) Rs. 568, have already been collected during the first six months. The remaining amounts, it is expected, will be collected before the close of the official year.

6. *Expenditure.*—Excluding the reserve, the total expenditure of the year is now estimated at Rs. 2,65,160 against the budget estimate of Rs. 2,33,430. The increase appears chiefly under Grant I, and is due to subsequent allotments made from the reserve and balance at the disposal of local boards for special works and repairs, and to the allotment of Rs. 14,000 from Provincial funds for recoating the Western trunk road—*vide* G.O., No. 913 L., Mis., dated 23rd May 1894. There are also slight variations in the allotments under the other grants, which are explained in the remarks column of Statement IX. The unallotted portion of the reserve, amounting to Rs. 14,590, is set apart for future appropriation. The balance to be carried forward to the ensuing year's budget amounts to Rs. 23,700, of which Rs. 5,270 appertain to endowment funds and Rs. 1,000 to unions.

BUDGET ESTIMATE FOR 1895–96.

7. *Receipts.*—The receipts, excluding the opening balance, are estimated at Rs. 2,40,230 against Rs. 2,54,120, the revised estimate of 1894–95, and Rs. 2,83,209, the actuals of 1893–94. The difference between the budget estimate of 1895–96 and the revised estimate of 1894–95 is due chiefly to decreases under fishery rents (Rs. 700) and contributions from private individuals (Rs. 5,200) and from Government (Rs. 14,250) on account of public works; with, on the other hand, an increase in the estimate from tolls of Rs. 6,300.

The difference between the present budget estimate and the actuals of 1893–94 is further mainly due to the large collections of arrears of land- cess in the earlier year; and also to receipts under miscellaneous debt heads which are now excluded.

8. (i) *Rates and Taxes*—(*a*) *Cess on Land.*—According to the demand, collection and balance statement appended to Statement IX, a balance of Rs. 12,720 will be left uncollected at the end of the current year. Taking the current demand at the same figure, Rs. 1,72,150, as the demand in the revised estimate, the total amount to be realized in 1895–96 will be Rs. 1,84,870, of which Rs. 1,71,930, or 93 per cent., it is anticipated, will be collected within the year. The decrease as compared with the actuals of 1893–94 is due to the collection in that year of large arrears amounting to about Rs. 50,000 of previous years.

9. (*b*) *Tolls under Act V of* 1884.—The Government, by G.O., dated 23rd May last, No. 913 L., Mis., permitted the district board to place its toll-gates within ten miles of the Madras municipal limits. The board has accordingly resolved to remove the gates at Munankattalai and Poonamallee to their former sites at Porur and Maduravayal on the road from Saint Thomas' Mount to Poonamallee and the Western Trunk road respectively. The revenue from this source is estimated on the basis of the receipts between 1885 and 1890 before the two gates referred to above were removed, and on the basis of the receipts from the other gates during the past five years, at Rs. 38,500, or Rs. 6,300 over the revised estimate for 1894–95.

Contributions from Municipalities, Rs. 1,650.—This has been based on the revised estimate of the current year.

10. (*c*) *House tax, Rs.* 15,000.—The slight increase of Rs. 100 over the revised estimate is anticipated in consequence of revision of assessments in Sríperumbúdúr and Tiruvallúr unions.

11. (2) *Education*—(*a*) *School-fees, Rs.* 900.—The increased attendance in some of the boards' schools and the opening of a new school for Hindu boys by the Tiruvallúr taluk board in the current year account for the increase.

12. (3) *Medical*—(*a*) *Hospital Receipts, Rs.* 250.—The revised estimate has been repeated.

13. (4) (*a*) *Interest on Government Securities, Rs.* 1,360.—Owing to the conversion of the investments in 4 per cent. Government paper into $3\frac{1}{2}$ per cent. under the recent notifications of the Government of India, the income under this head has been estimated at Rs. 1,360, against Rs. 1,560, the revised estimate for 1894–95.

14. (5) (*a*) *Contributions for purposes other than Education, &c.*—(3) *From Private Individuals.*—Credit is taken for the usual contribution of Rs. 120 from the temple authorities at Tiruvallúr and Periyapalayam towards the cost of making sanitary arrangements during festivals.

(*c*) *Market Rents.*—There were two markets under the local boards—the weekly market at Avadi and the vegetable market at Pulicat. The former is held on private land and no fees have been levied. In the latter a small sum of Rs. 11 was collected during 1893–94 and about the same amount is anticipated in 1895–96. Efforts are being made by the Chingleput taluk board to transfer the sites of markets, so far as possible, to Government waste lands and to levy fees in them; these being expended for the improvement and sanitation of the market. The market at Uttaramerur has already been thus transferred and a sum of Rs. 50 is expected from it in 1895–96.

(*h*) *Fishery Rents, Rs.* 2,600.—The revised estimate of 1894–95 amounted to Rs. 3,300 in consequence of the special receipts from some of the tanks as explained in column 8 of Statement IX. The estimate of 1895–96 is based on the actuals of 1893–94.

(*i*) *Rents and Produce of Land.*—The actuals of 1893–94 included special receipts from sale of trees in unions and streets, blown down by the cyclone in that year. The estimate of 1895–96 is therefore taken at Rs. 750 only, or at nearly the same figure as the revised estimate.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following papers :—

From G. S. FORBES, Esq., President of the Chingleput District Board, to the Chief Secretary to Government, dated Saidapet, 17th December 1894, Dis. No. 629 L.

I have the honour to submit the revised estimate of receipts and charges of the local boards of the Chingleput district for the official year 1894–95 and the consolidated budget estimates for 1895–96, together with the prescribed statements and a map of the district corrected up to date.

Revised Estimate for 1894–95.

2. *Receipts.*—The year opened with a balance of Rs. 49,330 as detailed by the Accountant-General against Rs. 14,250 anticipated in the original budget. The large increase in the balance is due chiefly to the collection in 1893–94 of arrears of the land-cess of previous years, not realized owing to the unfavorable agricultural seasons. There were also increases under fishery rents and miscellaneous debt heads in 1893–94. The receipts as now estimated amount to Rs. 2,54,120 against Rs. 2,32,650 expected in the original budget, the increase appearing chiefly under land-cess and contributions from Government and private individuals on account of public works. The chief variations are explained below, while the others are accounted for in the remarks column of Statement IX.

3. *Cess on Land.*—The balance that remained uncollected at the end of 1893–94 amounted to Rs. 12,870. The current demand for 1894–95 is estimated at Rupees 1,72,150, which is the beriz of fasli 1303 (1893–94) and made up of the following items :—

		Rs.
(i)	Cess on ryotwar and miscellaneous holdings	1,25,480
(ii)	,, zemindaris including Rs. 9,100 from Kachinad taluk	26,350
(iii)	,, shrotriems..	20,320
	Total ..	1,72,150

This with the opening balance makes a total of Rs. 1,85,020, of which Rupees 1,72,300 are expected to be realized before the end of the year as detailed below :—

		Rs.
(1)	Balance on 1st April 1894	12,870
Add—		
(2)	One-fourth of the kist demand on ryotwari and miscellaneous holdings which fell due in April last	31,370
(3)	One-fourth of the kist demand on shrotriems which fell due in April last	5,080
(4)	Five-eighths of the demand on zemindaris which fell due in April and June last	16,470
(5)	Total for realization during the first half-year	65,790

Press, a provision of Rs 330, being the actuals of 1893-94, will be made under the latter head. The additions to and alterations in the Local Boards' and Account audit Establishments referred to in para 43 of the President's first letter are Sanctioned, with retrospective effect.

5. Reserve and Balance. Owing to want of funds, a reserve of Rs 12,130 or only 5 per cent of the estimated receipts of the year is provided. This will now be further reduced by Rs 600 so as to avoid the deficit with which the General funds would otherwise close the year. The budget, as revised by Government, closes with a balance of Rs 3090, of which Rs 1600 appertain to unions and Rs 2260 to endowments, leaving only Rs 30 available for general purposes.

and have not the funds to devote to further increases under this head.

Boards have in this budget shown made a larger provision for education than was adopted in previous years ~~and a that still as stinted as their circumstances, which the Calcutta Director characterised as shattered, in para 4 (iv) of his letter dated printed at page 19 of the issue of the 15th February 1894 he put it, have shown no improvement in~~ sanctioned by competent authority. The proposed alterations in the names of the roads referred to in para 21 of the President's first letter are approved. The provision of the Local Fund Engineer's office establishment proposed in the President's third letter read above is sanctioned and the provision made in the budget on this account will be raised by Rs 120. The President should have explained why the proposal last named was not embodied in the budget, as required in para 2 of G.O. dt 14th June 1894 No 1094 L.

(3) Grant II. The additions to and alterations in the Educational establishments referred to in paras 26 and 28 of the President's first letter are sanctioned, with retrospective effect where asked for. The Government is not prepared to adopt the suggestions made by the Director of Public Instruction in para 1 of his letter, as the Local Boards

(4) Grant III. The remarks of the ~~Surgeon General and the~~ Sanitary Commissioner on the allotments for Medical Services and Vaccination and Sanitation will be awaited. The provision of Rs 30 for Contribution to Provincial Funds on account of the Cutlers' establishment will be struck out with reference to G.O. dt 18th January 1895 No 97 L.

(5) Grant IV. As the sum of Rs 1810 provided on account of Controlling establishments at the Presidency with reference to G.O. dt 4th December 1894 No 2527 L does not include the cost of printing work done at the Government

The allotment for Medical Subordinates will be raised by Rs 60 as proposed in para 1 of the Surgeon General's letter read above. As regards para 2, the Surgeon General's attention will be drawn to para 32 of the President's first letter, from which it will be seen that the necessary provision has been made in the budget for payment of house-rent to Hospital Assistants. Further, under para 3 of G.O. dt 24th January 1895 No 154 L, the rate of Compensation in lieu of quarters has to be fixed by the Local Boards Concerned subject to a maximum of Rs 5 in each case, according to the circumstances of each locality, and not at a uniform rate of Rs 5, as supposed by the Surgeon General. The suggestion made by him in para 3 of his letter, should be adopted in future.

Revised Estimate for 1894-95

2 The Current receipts and Charges are now estimated at Rs 254,120 and Rs 279,750 respectively, against Rs 232,650 and Rs 242,130 in the sanctioned budget. The increase in the receipts occurs Chiefly under Land Revenue, fishery rents, Public Works Contributions from and Provincial funds and that in the Charges under Grant I and Reserve.
