No 19

Municipal office. Palui

7 December 1894

From

The Chairman, Municipal Council

Palui

To

The Chief Secretary to Government,

Madras

Local & Municipal Department

Through the Sub. Collector & Collector of

Madura

Sir,

I have the honor to forward herewith
Copy of Proceedings passed by the Council
resolving to request Government to Cancel
an assignment made to one Kristnesami
Iyer of a piece of Varamboke land at the
junction of Road No 41 & 31.

2. The Council, in its resolution No 185 of
16th October 1890, (Copy enclosed), said, in
reply to a reference made by the Tahsildar
of Palui, that it had no objection to the grant
of this piece of land to Kristnesami Iyer
aforesaid.

3. Again, in its resolution No 344 dated
6th October 1891, (Copy enclosed), the Council
as then constituted, cancelled its resolution
of 1890 and resolved to apply to Government
to make over the site to it, as on reconsideration
it has found that the site is indispensably
needed for the purpose of the Municipality,

and

and as it came to understand that the assignment was not made till then.

4. The Chairman (Dahsildar), who was not present at this meeting of the Council, subsequently put in a note to the effect that a portion of the site was made over to Kristnasami Dyer in 1892, and the other portion also was made over to him on the 31st August last, and that therefore the Council should prefer an appeal if it is desired to have the assignments cancelled.

5. The site in question is at the junction of two main roads just at the eastern entrance of the town, and very near the Daluk Cutcherry, and measures about 19,260 square feet. It has till now been used by the Council for holding Cattle market on festival occasions: of course the Council, as it constituted in the year 1890, thought that the site was not needed, and said that it could be given over to Kristnasami Dyer, as it is understood from some of the old Councilors that there was some verbal understanding that a site just close to the Daluk Cutcherry Compound, and said to be the property of Kristnasami Dyer aforesaid, should be made over to the Council.

6. The Council now sees that the site in question is needed for the purposes of the Municipality, as it is best adapted for the construction of an office building, as being

Very M

very close to the Daluk Cutcherry, or for use as a lucrative public Carstand, as being at the junction of two main roads, and at the entrance of the town.

7. I therefore request that the assignments already made be ordered to be cancelled and the site made over to the Municipal Council.

I have the honor to be

your most obedient servant

Copy of Communication No. 65 dated 15th
January 1895 from Mr. R. S. Nagasamisthija
Tahsildar of Palni, to the Collector,
Madurai.

In submitting herewith as per list, the
records connected with the petition put in by
V. Krishnasami Iyer, 1st Grade Pleader, Madurai
and the Municipal Chairman's letter requesting
to Cancel the assignment of a piece of poramboke
land granted to the said Krishnasami Iyer under
the Darkhast rules, I beg to report as follows:—

2. In May 1890, V. Krishnasami Iyer 1st Grade
Pleader, Madurai, applied for a piece of poramboke
land in Survey No: 788A located poramboke at
the entrance into the town lying between Dindigul
road and the petitioner's land on the South and
North, and the new Darapuram road, and the
Kappiliari's Madam on the East and West respectively.

3. This petition was referred by the then Tahsildar
Mr. Gnanapada Mudaliar, to the Municipal
Council as to whether it has any objection in
granting the same to the petitioner.

4. The Council in its Resolution No: 185
16-10-90
replied that it had no objection. The same being
granted (vide para 2 of the Chairman's letter)

5. Thereupon, the late Tahsildar after necessary
inquiries into the claims of some Kappiliari

the adjacent Madam reported that the land in question maybe ordered to be assigned to the petitioners.

6. In order no: 267 ¹⁸⁻⁷⁻⁹² it was directed by the then Subcollector to treat the application under the darkhast rules, and the land was therefore granted to the petitioners as being the first applicant and adjacent land-holder on 21-11-92.

7. This darkhast was then sent to the Revenue Inspector for subdivision, who measured the same and reported that only 27 cents of the land was available in the survey no: 788A assigned, and the remaining 16 cents was claimed by the petitioners brother from the adjacent Road Poramboke no: 43 which was accordingly recommended and granted after transferring it to assessed waste, vide your office no: 5179 ²⁷⁻⁸⁻⁹⁴

8. In conformity to the said assignment an order was sent to the Curram to enter the said transfer and assignment in the accounts and to inform the petitioners to prepare necessary demarcation stones for subdivision and make over the assigned portion to the petitioners. The order is dated 31st August 1894.

9. At this stage, the Municipal Council have resolved that the site is indispensably needed for building an office or a cart stand which they

they say would be lucrative.

As the petitioner's request was granted for the construction of a choultry, and as the assignments were made in November 1892, and August 1894, I doubt if the Municipal Council can now interfere having once given their consent for the grant.

Endorsement on C.W. no: 3687 of 1894 dated 25th Aug.

January 1895.

Submitted to the Collector with reference to his R.C. no: 264 of 1894 herewith returned.

I think that the Municipal Council cannot interfere now.
