B.

To

W.

In forwarding herewith the statement shewing amounts of Local Fund Works scrutinised by the P.W. Department for the quarter ending 31st. December 1894, I beg to point out that the Superintending Engineer 4th. Circle shews the percentage leviable on items 2 and 3 of the statement, on the full amount of the revised estimates; but as this appears to be incorrect in connection with the remarks against the works, he has been addressed on the subject & asked to furnish the correct amounts on which the percentage should be charged with reference to G.O. No. 1137 W. dated 29th. April 1889, and on receipt of his reply the amounts chargeable will be intimated.
