Read also the District Board's Resolution
N: 14 dated 28th July last on the Subject.

On careful consideration of the
facts, the District Board is of opinion
that the Vridachalam Middle School

agree to the proposals of Government but
trusts that the usual $\frac{1}{3}$ rd grant will be
made from Provincial funds towards

From the Director of Public Instruction, Madras, dated 25th May 1894, No 5040.

I have the honor to inform you that the Government building occupied by the Board Middle School, Viddhachalam, is reported to be in need of urgent repairs. In his letter to the Inspector of Schools, No 221, dated 17th March 1894 (copy enclosed), the Executive Engineer, South Arcot Division, reports that the expenditure for repairing the schoolhouse will exceed Rs 500, and suggests that the sanction of Government be obtained. I beg, under these circumstances, to request that the Public Works Department be authorized to prepare the necessary plans and estimates at an early date.

Order, 16th June 1894, No 437.

The Government does not consider it any longer necessary that the cost of repairs to the Government schoolhouse at Viddhachalam occupied by the Board Middle School should be met from Provincial Funds
