For order.

There was all but six months' delay in making the recommendation for reappointment. (Mr. Grinlay)

Had the Hd. Asst. Collr. followed the usual course he would have noticed from the list which should be kept in his office that the Councillor's time would soon expire, & would have made enquiries beforehand as to his successor. On deciding to reappoint him he would have sent to, & forwarded his consent. As it was he only reported the vacancy after it occurred & then sent no proposals, & when he did send the proposals (after six weeks) they were incomplete. Submitted that his explanation is not satisfactory.

I think Do too. Let C. point it out to the Collr. Draft pointing out that the H.A.C. should have done something that him before he did so & not after.

No reply was received from him till the 3d November when, in reply to a reminder from me, he reported that the reply to my reference had already been Submitted on the 18th October. The Same not having been received in my office I called for a copy of it. The Copy was received on the 23d November, when, finding that the usual letter of consent from the Nominee was not Sent I requested the Head Assistant Collector to obtain and forward it. This was received on the 3d December when the Nomination was finally Submitted to Government.

2. As regards the delay from the beginning of August to the Middle of October in the Head Assistant Collector's office, that officer states that he called on the Tahsildar of Wallajah to Select a Competent person for the Vacant Seat and that the Tahsildar reports that the delay was due to the absence from the town of M.R.Ry K Chinnaswami Chettiar Avl.
