ENCLOSURE. 3

Local & Municipal Dept.

FROM

CURRENT No. 352 L

G. F. J. Power Esquire,

President, District Board,

North Arcot.

To

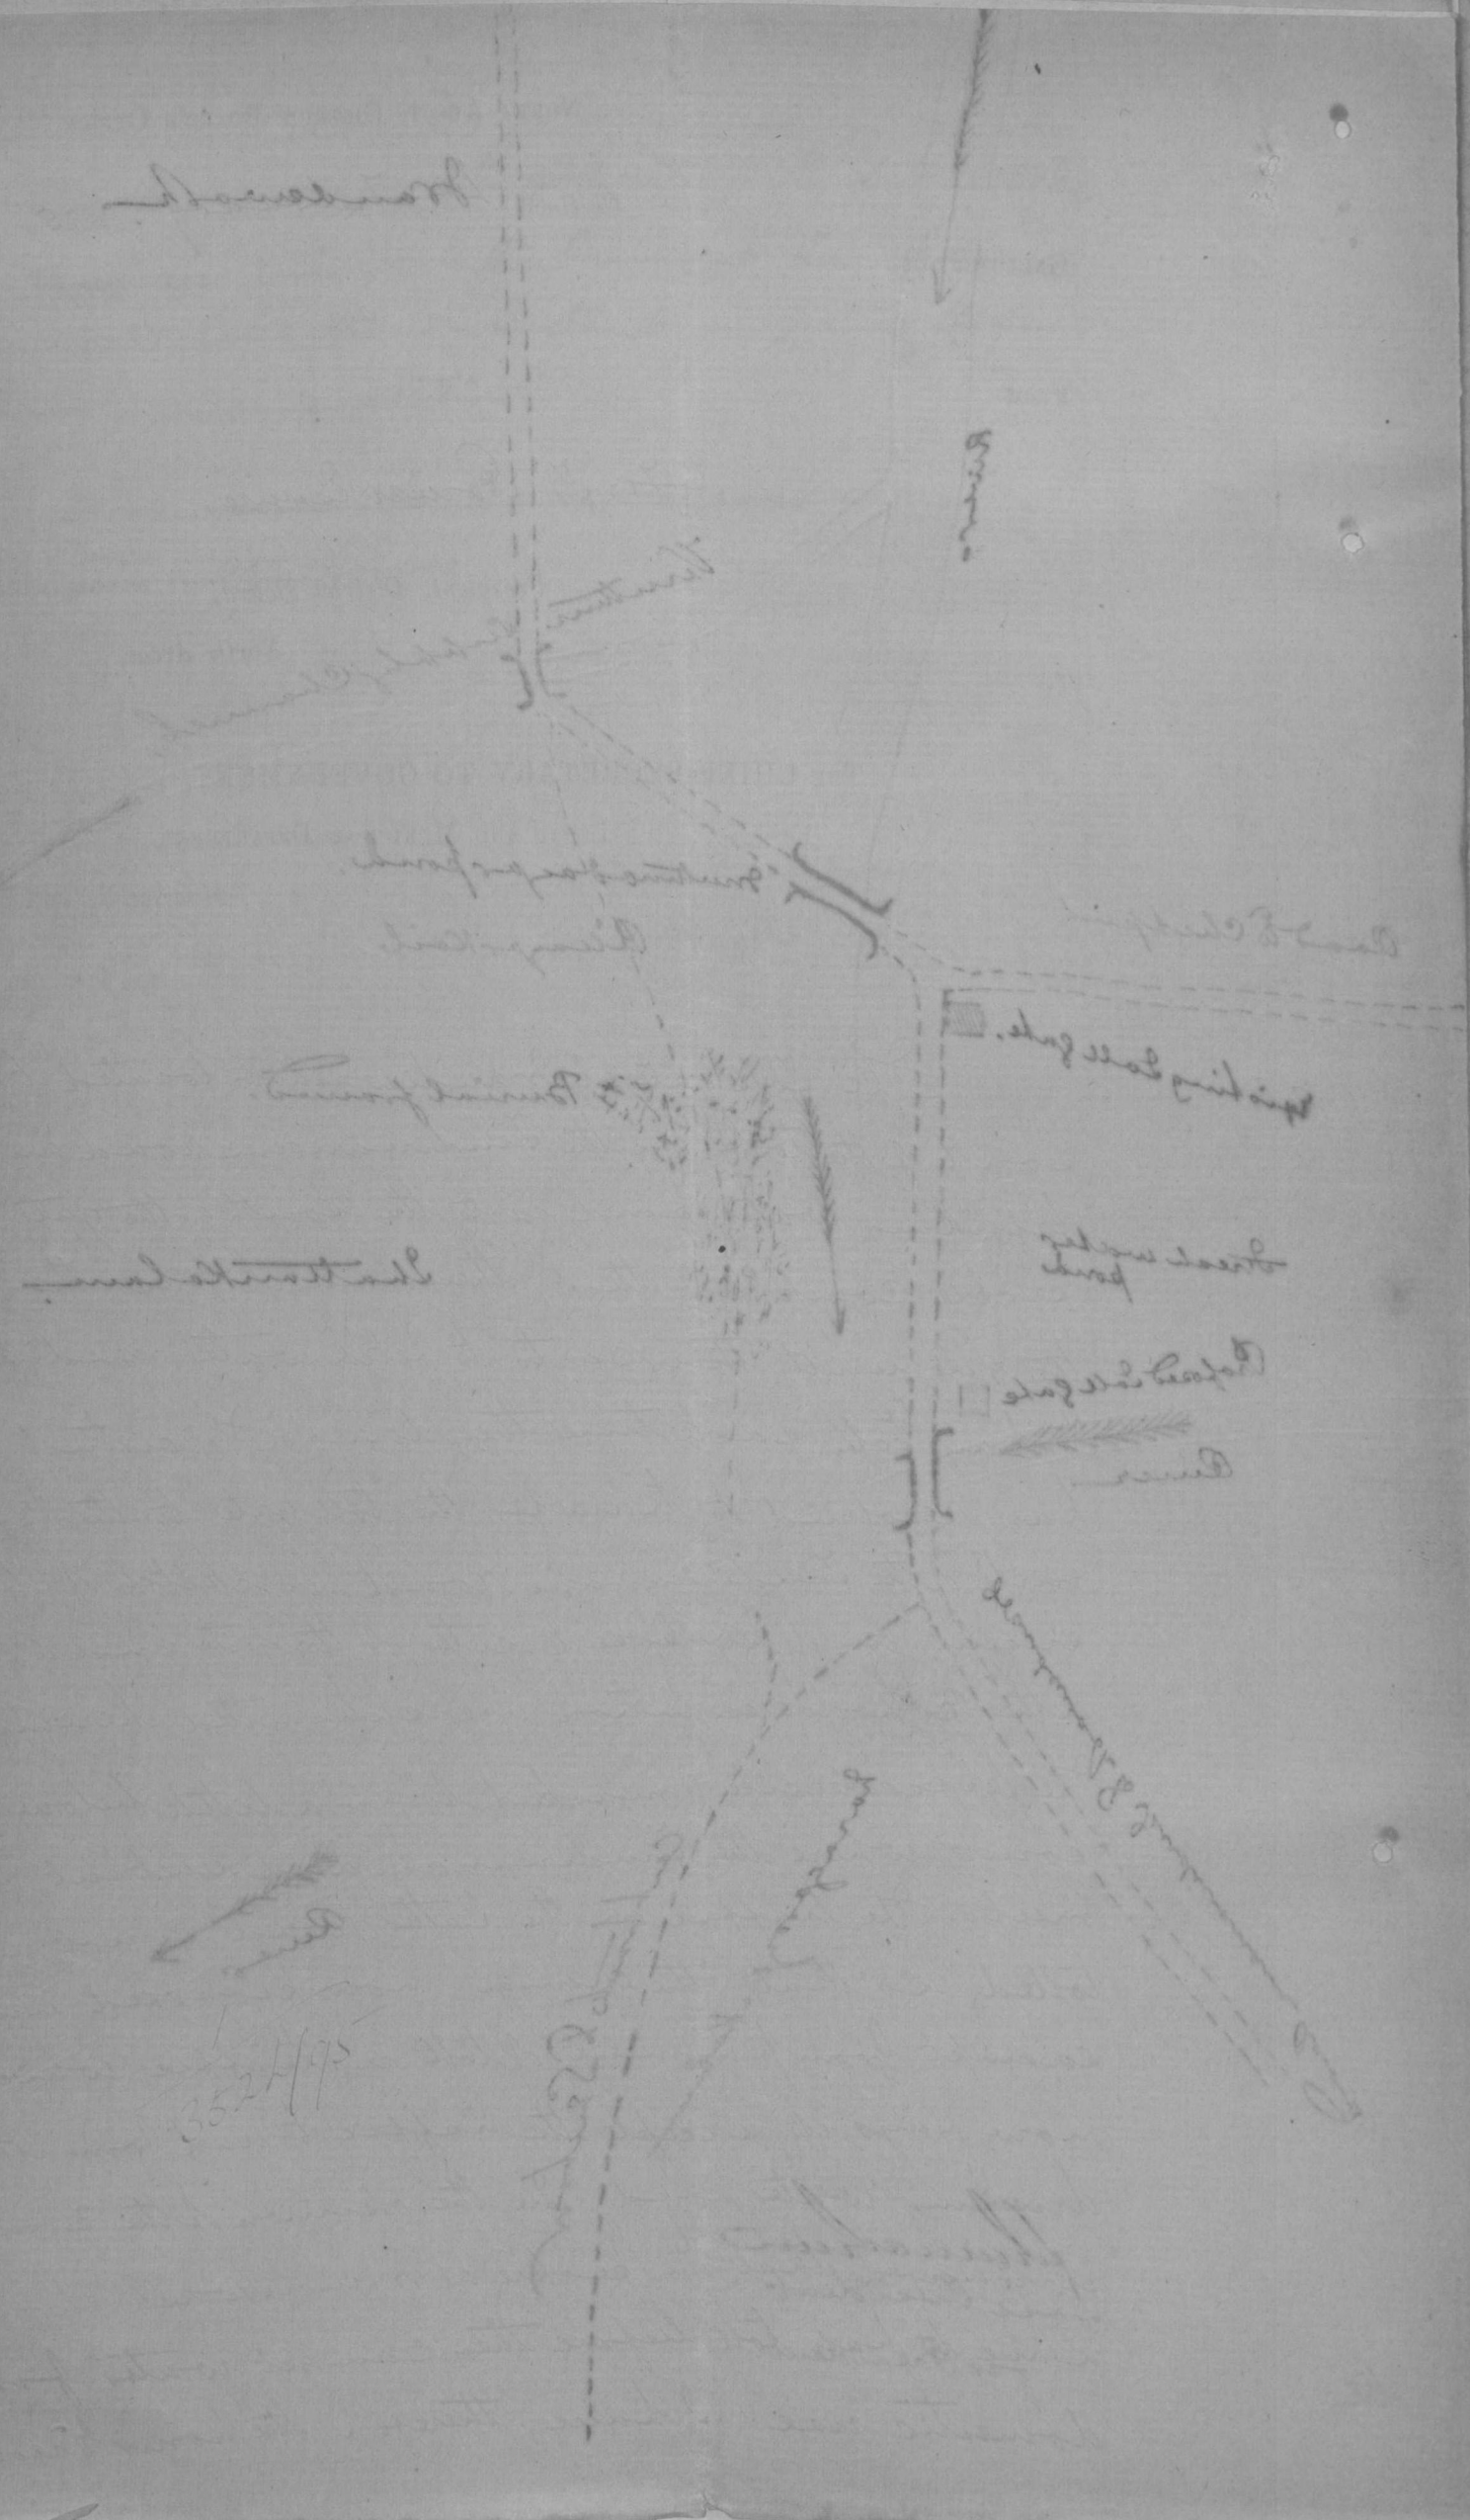

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

Madras.

Sir,

The Toll gate at Brandiwash is located to the south of the town on the Tindivanam road and the drinking water pond is to the south of the gate. The people complain that, they have to pass through the gate with their carts to fetch water, and have to pay toll each time they do so. The District Board has resolved to transfer the toll gate to the 25th mile of the Tindivanam road. A sketch of the present and proposed sites of the gate and a copy of the Board's resolution are submitted herewith. The present site (marked A), is a little below the point where the Tindivanam and Chelput roads meet. The traffic on the latter road is not now tolled, so that, the change, now proposed will exempt from payment of toll no traffic which now pays it except the traffic to and from the drinking water pond. In the opinion of the Board, it is hard that the people of Brandiwash should have to pay toll before they can get water for domestic use. I have, therefore, the honor to request that

that Government will be pleased to sanction the transfer of the gate. The usual draft notification is submitted herewith.

2. As the date for leasing out the toll gates in the district is fixed for the 20th proximo, I solicit the favor of early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant

Thamara
For President.
