The difference is ascribed to the Coonoor L. F. Vaccinator having with the concurrence of District Medical Officer, Coonoor, excluded from the operations reported to this office, 99 operations performed with pseudo.

The work done by the Vax attached to Adisampattanam Village could not be exhibited in statement No. I of the appendix to my report, as information was received in a manner that would enable me to do so. It was however shown in statement No. III of the appendix & was specially brought to notice by means of foot notes to statements I & III.
