1 Read revised estimate for 1894-95.

Resolution: Adopted.

2 Read Budget Estimate for 1895-96.

Resolution:—

(i) Receipts - adopted.

(ii) Charges -

Grant I (a) No provision need be made for 'new works', for want of funds.

The provision of Rs1000 made by the Cumbum Taluq Board for building a School house for the Lower Secondary School at Markapur is disallowed. The Superintendent of Police will be asked to hand over the old Taluq Cutcherry building belonging to the Police department and in which the School is at present located, for the Lower Secondary School; in the event of his so doing, an Estimate will be prepared for its repair which is said to be badly wanted; if not, the matter will be laid before the Board again.

(b) The Current Year's maintenance grants should be repeated in respect of the District Board's roads, and Rs 8,490 provided for the Taluq Board roads among which the following roads will be newly provided for and the Chagalmurri Mutyalapad road eliminated.

(1) Pattikonda-Devanakonda road

(2) Veldurthi - Emboy road

(3) Roja - Nadgur road

(4) Akavid - Papinenipalli pass road.

(C.) The present Local Fund Engineer represents in his letter No. C/86 dated 15th November 1894 that the system of employing one Overseer for

each Taluk Board assisted by a clerk has not worked well. It is hereby resolved to reorganize the Subordinate Engineering Staff by reverting to the old System of having one Overseer for each Revenue Taluq, doing away with the clerk now allowed to him and adopting the following Scale of Salaries, Subject to the Sanction of Government.-

3 Overseers for Ramallakota, Nandyal and Nandikotukur Taluqs on Rs 60 each.

5 Overseers for the remaining Taluqs on Rs 40 each.

8 Overseer's lascars on Rs 6 each.

Travelling allowance to be paid to them according to Civil Service Regulations.

(2) One of these Overseers will be utilized for remeasuring the Jamine local metal as the materials at Site accounts have been incorrectly maintained in the Offices of the Local Fund Engineer as reported by him in his letter No. C/85 dated 15th November 1894.

3. The Board in its present financial position is not prepared to sanction another clerk on Rs 15 nor to increase the Salaries of his Clerks as recommended by the Local Fund Engineer.

(d) It is resolved to make a provision of Rs 280 being the amount of Contribution to Provincial Funds for the maintenance of the Sudireddy Palli and Musalimadugu tank bund roads.

Grant II. (a) Resolved that the allotment desired by the Educational authorities be made for Inspection as also for Sessional Schools disallowing the Excess of Rs 120 over the Current year's provision proposed for "Stipends of Students" for want of funds.

(b) Resolved (1) that the proposal of the Ramallakota and Nandyal Taluk Boards to work the Secondary Schools in their Circles on Salary System instead of on Salary Result System be adopted (2) that the Scale of teachers in the Atmakur, Koilkuntla, Peapalli and Kodumur Schools be raised to 5 on 48, owing to their increased Strength (3) that a Head Master on Rs 20 and another teacher on Rs 5 be appointed for the Nandyal School, raising the Standard thereof by opening the 2nd Form and (4) that the pay of the Servant of the Nandyal School be raised from Rs 3 to 4.

(c) Resolved to allot only Rs 4000 as in the Current Year for "Results grant" to private Schools.

Schools and to disallow for want of funds the additional grants proposed by the Taluq Boards at the instance of the Educational department, but that this sum be devided in proportion to the number and Strength of Schools and not equally to all Taluqs as done during the Current Year.

Resolved also that a building grant of Rs200 proposed for the Cumbum Taluq Board be disallowed for want of funds.

Grant III. Resolved (1) that provision be made for the increased rate of Salary and allowances to the Civil Apothecary at Cumbum and for the additional Cost attending upon the employment of Compounders in the place of ward-Coolies in all dispensaries (2) that the Current Year's provision for "Medecines and Surgical instruments' under Taluq Boards be increased by Rs 720 as the District Medical and Sanitary Officer is of opinion that at least Rs 200 is necessary for each dispensary, (3) that a Sum of Rs 7820 be allotted for Vaccination (4) that the Current Year's provision under "Sanitation" be repeated with Slight modifications as proposed by the Presidents of Taluq Boards making provision for the increase of Rs 2 each to the pay of two Sweepers at Erragondapalem, in order that they may do the duty of Scavengers (5) that the provision for improving the Slaughter house at Cumbum be disallowed as the Board is of opinion that the Expenditure should be met from the Union funds.

Grant IV. Resolved (1) that the Salaries of the Head and Second Clerks of the Kanala-Kota Taluq Board's Office be raised from Rs 15 and 10 respectively to Rs 20 and 15 in Consideration of their work having increased to a large extent. (2) that Rs 5000 be provided for under 'Refunds' for payment of the 3rd instalment of refund of land Cess ordered by Government.

Reserve. Resolved that, in consequence of the above allotments being found quite necessary only a reserve of Rs 6750 be provided for the year against Rs 17,460 required by rules, which would close the Budget with a working balance of Rs 8730.

Vice President D.B.

6. It is observed that the bunds of tanks numbers 9. 26. 68 and 69 in the Tindivanam Taluq form also the chief or only cart tracks leading to the villages concerned and they are naturally liable to get damaged by the traffic passing over them. The Collector should therefore consider the propriety of calling upon the District Board to contribute to the maintenance of the cart tracks in question.

Revised Estimate for 1894-95.

2. The current receipts and charges are now estimated at Rs 174,630 and Rs 217,060 respectively, against Rs 175,120 and Rs 196,830 in the sanctioned budget. The increase in the Charges occurs chiefly under Grant I and Refunds Grant IV and is partly counterbalanced by a decrease under Reserve. A provision of Rs 840 is made for Contribution to Provincial Funds on account of the Cost of Constructing the Musalimadugu and Sudereddipalli tank bund roads. The President is requested to state whether the works are to be undertaken by the P.W. Department and at what rate the Contribution payable from Local Funds has been calculated.

Budget Estimate for 1895-96.

3. Receipts. The receipts for the ensuing year are placed at Rs 176,980 against Rs 174,630 in the Revised

Estimate, the increase appearing mainly under Land Revenue.

4 Charges (1) The Charges are set down at Rs 181,250 against Rs 217,060 in the Revised Estimate, the decrease being principally under Grants I and II & partly being covered by an increase under Revenue.

(2) Grant I. ~~A provision of~~ Rs 500 will be made for the construction of school sheds as recommended by the Director of Public Instruction and the Contribution to the Public Works Department for the Scrutiny of Local Fund plans and estimates will be reduced from Rs 200 to Rs 130 with reference to G. O. dated 12th December 1894 No 2582 L. The Cost of the Local Fund Engineering establishment provided in the budget, amounts to more than 35 per cent of the proposed outlay on works to be executed by that agency, but the President states

The President's letter makes no allusion to the instructions on the subject of maintenance allotments for communications in para 4(1) of G.O. dated 4th Oct. 94 No. 1964-L. reviewing the administration report for 1893-94. It is presumed that he has satisfied himself that his proposal to repeat the maintenance grants which were provided in the current year is will meet the needs of the roads.

but it is evident that this is the second year in which it has been far in excess of that limit. Steps

stakes that as much of the reserve and balance will be spent on Grant I, the percentage will eventually be somewhat reduced, Unless the actual outlay on works in 1895-96 cannot be so far raised as to bring the percentage down to the prescribed limit of 20 per cent, and steps should therefore be taken at once to reduce the scale of the Engineering Establishment, ~~and in~~ Pending comprehensive proposals to this end, ~~the meanwhile~~ the revision proposed in para 33 of the President's letter will be disallowed and the provision under this head will be reduced from Rs 15930 to Rs 14660, being the revised estimate for the current year. ~~However, the~~ The scale of establishment now in force which was sanctioned in G. O. dy 19th February 1894 No 343 L, does not appear to have been sufficiently tried to warrant its condemnation. The provision of Rs 280 for Contribution to Provincial Funds for the maintenance of the roads referred to in para 2 supra will be allowed to stand therein pending receipt of the information called

for ~~from the President in that para.~~

(3) Grant II. The additions to and alterations in the Establishments referred to in para 38 of the President's letter ~~are~~ cannot be sanctioned, ~~and~~ the ~~the~~ suggestions (i) (iii) & (iv) made by the Director in para 2 of his letter read above will be referred to the Taluk Boards for consideration.

Cannot be adopted as the Taluk Bds already spend a disproportionately large share of their income upon Education. His remark in clause (ii) of the same para.

(4) Grant III. The provision for Medical Services will be raised by Rs 1280 with reference to paras 1 and 2 of the Surgeon General's letter. This observed that the allotment for vaccination is Rs 7,820 and not Rs 7,860, as stated by the Sanitary Commissioner in his letter read above. As regards his proposal to provide Rs 550 under Sanitation - "Cholera Charges", the Sanitary Commissioner's attention will be drawn to para 2(3) Conf G.O of 6th March 1893 No 492 L. The provision for Rs 30 for Contribution to Provincial Funds on account of the Cutlers' Establishment will be struck out with reference to G.O of 18th January 1895 No 97 L. The proposed entertainment of a Chapelman on Rs 4 per Mensem for the Choultry at Adoni is Sanctioned.

But with reference to the provision for compensation for quarters for medical subordinates the attention of the Local Boards will be drawn to the fact that Rs 5 is the maximum compensation allowable to each subordinate.

Note
Vide the statement in Three Boards stand 8, 6, & 4 per cent respectively on rents of 15, 33, & 23 on Revenue

(5) Grant IV. The provision for establishments at the Presidency should be Rs 1310 and not Rs 1300. The proposal to increase the Salaries of the Head and Second Clerks of the Ramallakot Taluk Board office referred to in para 41 of the President's letter is approved.

Reserve and Balance

5. For want of funds, a reserve of Rs 6,750 or only 4 per cent the estimated receipts is provided. Sanitation respectively. The last item is particularly heavy — so heavy as to satisfy Dr. King. No new works other in the way of buildings, miscellaneous public improvements or communications have been possible for want of funds, the reserve is Rs 6,750 against the Rs. 17,640. That the rules require, while the general balance is only Rs 1180.

The D.P.I. nevertheless recommends an increase of Rs. 1500 or some 7 per cent. in the provision for education.

M 14.2.95

It does not seem possible to find the additional Rs 10,000 wanted for reserve except by drastic measures such as closing Government schools, the Board may perhaps be allowed to struggle on this year on the understanding that no increases under Grants II & III will be proposed.

M 15.2.95

Let the Govt. of India know that we have found it impossible to avoid closing Government schools and have therefore not proposed any increase under Grants II & III.

M 20.2.95

Note the state of the Board's finances at the end of this year and any increase in Grants II & III be proposed during the ensuing year.

19TH FEBRUARY 1895, No. 316 L., LOCAL AND MUNICIPAL.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From C. M. MULLALY, Esq., President, District Board, Kurnool, to the Chief Secretary to Government, dated Kurnool, 13th December 1894, No. 97.

I have the honour to submit the Consolidated Local Fund Budget Estimate for the official year 1895–96, together with the revised estimate for the year 1894–95.

REVISED ESTIMATE FOR 1894–95.

2. *Balance.*—The opening balance of the year as finally audited by the Accountant-General and advised in his result statement on the Supplemental Treasury Account for March 1894 was Rs. 55,432 against an estimated balance of Rs. 34,700. This increase was due to an increase over the revised estimate of Rs. 7,991 in the receipts and a diminution of Rs. 12,741 in the expected expenditure of the year 1893–94.

3. *Receipts.*—The receipts of the current year as now estimated are compared hereunder with the sanctioned estimate:—

4. *Land-cess.*—A sum of Rs. 1,39,240 has been entered in the revised estimate against Rs. 1,40,300 budgeted for, with reference to the adjusting statements of land-cess. The total demand of the current year is Rs. 1,48,842, of which 93·5 per cent. is expected to be collected within the year.

5. *Tolls.*—A sum of Rs. 6,240 has been entered in the revised estimate against Rs. 5,280 of the budget with reference to the actual income from the gates under the management of the district board. The increase is owing to the establishment of two new toll-gates during the year at Gadidemadugu and Kodumur sanctioned in G.Os., No. 1546 L. Mis., dated 17th August 1894 and No. 810 L. Mis., dated 7th May 1894.

The amount of municipal contribution under this head has been reduced by Rs. 30, with reference to the receipts anticipated by the municipality.

6. *House-tax.*—The budget estimate under this head has been increased by Rs. 1,100 owing to the collection of arrears of the last year, to the collection of the tax in the village of Nandigunta recently included in the Atmakúru union (*vide* G.O., dated 12th June 1894, No. 1080 L.), and to the revision of the assessment registers in some of the unions.

7. *Medical—Miscellaneous.*—The decrease of Rs. 560 under this head is owing to the abolition of the system of purchase of calves by the vaccinators in the district, on the introduction of the glycerine vaccine paste and the consequent large reduction in the sale-proceeds of calves.

8. *Miscellaneous—Fees and Fines.*—The increased receipt of Rs. 380 from these sources is chiefly owing to increased fines under "Police Act" as anticipated by the Presidents of taluk boards and to the collection of fees at certain festivals under section 57 (clause v) of the Local Boards Act, during the current year for the first time.

9. *Public Works—Sale of old materials.*—A sum of Rs. 200 has been entered in the revised estimate with reference to the sale-proceeds of the materials of the old Nandyal local fund school building and those of the choultry at Krishnamsettipalli proposed to be abandoned by the Cumbum taluk board.

10. *Contributions from Private Individuals.*—A sum of Rs. 70 has been entered under this head as anticipated by the President of the Nandikotkur taluk board, being the amount promised to be contributed by the ryots of Ramapuram for excavating a well in their village.

11. *Contributions from Provincial Funds—Public Works.*—The sum of Rs. 2,000 entered in the sanctioned budget has not been entered in the revised estimate, as the amount was struck out of the Forest budget and consequently no credit was taken from Provincial funds.

12. The slight variations in the other items have either been explained in the remarks column of statement IX, or call for no special remarks owing to their fluctuating nature.

13. *Charges.*—The revised estimate of expenditure under the several grants, as compared with the sanctioned estimate is noted in the following abstract:—

—	Revised Estimate.	Sanctioned Estimate.	Difference.
	Rs.	Rs.	Rs.
Grant I	1,03,100	78,100	+ 25,000

Total ..	2,14,060	1,79,540	+ 34,520

14. *Grant I.*—The increase under this grant is the net result of the following additional allotments made from the reserve, and savings expected from some of the items:—

* Muhammadan.

(1) Medicines and surgical instruments		270
The decrease is the net result of the non-payment of the contribution of Rs. 300 to Revd. Mr. Downes for the proposed dispensary at Regadigudur, as anticipated in the budget, and the increased expenditure of Rs. 30 in the purchase of medicines.

(13) Contribution to private individuals		200
The decrease under this head was the result of the amount of contribution (Rs. 300) refunded by Rev. Mr. Downes consequent upon the non-opening of the proposed dispensary at Regadigudur, having been scored out from the charges side of the treasury account, as per instructions of the Accountant-General.		
(14) Miscellaneous	20	..

17. *Grant IV.*—The revised estimate under this grant exhibits an increase of Rs. 5,450 over the sanctioned estimate on account of the following variations:—

(9) Refunds	5,150	..
The increase is due to the provision for the second instalment of refund of land-cess ordered by Government, and other miscellaneous refunds during the year.		

17 (*a*). A reserve of Rs. 3,000 has been provided for in the revised estimate to meet any unforeseen expenditure under the several local boards during the current half-year.

18. The current receipts and charges as now estimated are Rs. 2,30,062 and Rs. 2,17,060 respectively, against Rs. 2,09,820 and Rs. 1,96,830 in the sanctioned budget, as detailed below under the various grants :—

19. This balance is carried over to the budget for the year 1895–96.

BUDGET, 1895–96.

20. *Receipts.*—The receipts for the year are estimated at Rs. 1,76,980 against Rs. 1,74,630 anticipated in the revised estimate of the current year, as detailed below :—

Public Works	730	70
Contributions from Provincial Funds—

Choultries	360	360
Total excluding balance ..	1,74,630	1,76,980
Grand total ..	2,30,062	1,89,980

21. *Land-cess.*—The arrears estimated to be outstanding at the beginning of the year are Rs. 9,600, and the current demand is placed at Rs. 1,41,000, so that the total demand for the year would amount to Rs. 1,50,600. The collections during the year are estimated at Rs. 1,41,564, or 94 per cent. of the demand, as was the case in the year 1893–94.

22. *Tolls.*—An increase of Rs. 760 has been entered under this head over the revised estimate, as the toll-gates at Gadidemadugu and Kodumur will be leased out for the whole year instead of only for a portion, as in the current year.

23. *House-tax.*—A sum of Rs. 12,840 has been entered under this head against Rs. 14,150 in the revised estimate which includes the arrears of last year. As the Presidents of taluk boards anticipate that almost the whole of the demand will be realized during the current year, only the collections appertaining to the next year have been entered in the budget, making allowance for remissions which the President of the Ramallakot taluk board expects to grant during the year owing to poverty of some of the tax-payers in the unions under the board.

24. *School-fees.*—The increase under this head over the revised estimate is due to the fact that the strength of the board schools has considerably increased, and to the proposed raising of the standard of the secondary school at Nandyal, and also to a closer check on receipts by the introduction of new printed forms of receipts and chalans.

25. *Market Rents.*—An increase of Rs. 140 over the revised estimate has been budgeted for on account of the receipts expected from the market proposed to be opened at Gudur by the President of the Ramallakot taluk board and to the increase in the receipts from the markets in general.

26. *Miscellaneous—Other Items.*—The increase over the revised estimate occurs under "Fees and fines" and "Sundry receipts," mainly owing to a stricter enforcement of the provisions of the Nuisances Act in the unions, to the levying of fees for private scavenging in the Nandyal union, and to the sale-proceeds of sweepings in the unions.

27. *Contribution from Provincial Funds for Education.*—The amount of grant as advised by the Educational Department has been budgeted for under this head.

28. *Charges—Grant I.*—The expenditure proposed under this grant is Rs. 64,700, against Rs. 1,03,100 in the revised estimate, and Rs. 78,100 in the sanctioned budget for the current year. The details are as under :—

Items.	Revised Estimate, 1894-95.	Budget Estimate, 1895-96.

Tools and plant	350	400
Contingencies	800	800
Contributions to Provincial funds	840	280
Total ..	1,03,100	64,700

29. No provision has been made for "New Works" for want of funds.

30. *Repairs—District Board Roads.*—The current year's provisions for the upkeep of the district board roads maintained during the current year have been repeated.

Repairs—Taluk Board Roads.—A sum of Rs. 8,490 has been provided for the maintenance of the taluk board roads considered necessary, as detailed in Statement III-B in which the following new roads appear :—

	Rs.
Repair of road from Pattikonda to Devenakonda	500
„ „ from Veldurti to Emboy	400
„ „ from Roza to Nidzur	350
„ of Akavidu-Papinenipalli Pass road	500

31. *Civil Buildings.*—Only a sum of Rs. 250 has been provided for the repairs of the travellers' bungalows at Dhone, Tekur, Veldurti and Pyápali and the rest-house at Giddalore.

32. *Miscellaneous Public Improvements.*—The usual allotment of Rs. 2,000 alone has been made for the maintenance of avenues.

33. *Local Fund Engineering Establishment.*—The present Local Fund Engineer represented that the system of employing one overseer for each taluk board assisted by a clerk, sanctioned in the current year's budget, has not worked well. The overseer of the Nandyal taluk board circle has an extensive charge of three revenue taluks, while that of the Nandikotkur taluk board circle has only one taluk. The overseers of the Ramallakot and Cumbum taluk board circles have each two taluks, which is more than they can be expected to satisfactorily work. The district board entirely concurred in the above views, and resolved to revert to the old system of having one overseer for each revenue taluk, doing away with the clerk now allowed to him and adopting the following scale of salaries for which the sanction of Government is solicited :—

—	Pay.	Travelling allowance.	Total.
	Rs.	Rs.	Rs.
Three overseers on Rs. 60 each	180	57	237
Five „ on „ 40 „	200	75	275
Eight overseers' lascars on Rs. 6 each	48	15	63
Total monthly expenditure ..	428	147	575
Total annual cost ..	5,136	1,764	6,900

The above statement shows only an increase of Rs. 252 in the expenditure on the subordinate engineering staff over that sanctioned in G.O., No. 2790, dated 30th November 1892, for which provision is accordingly made in the budget. This system,

it is hoped, will secure an efficient mode of working. It will be observed that, according to the above proposals, the cost of the Local Fund Engineering establishment including contingencies will amount to 35·5 per cent. of the total outlay on works. This high percentage is unavoidable owing to want of funds, but, as most of the reserve and balance will be spent under Grant I, the percentage will eventually be somewhat reduced.

34. The current year's provision for the scrutiny of local fund estimates by the Public Works Department, viz., Rs. 200, has been repeated.

35. A sum of Rs. 280 has been entered under "Contributions to Provincial funds," being the amount of contribution payable to the Public Works Department for the maintenance of the Suddireddipalle and Musalamadugu tank bund roads by that department, as claimed by the Superintending Engineer of the III Circle under the authority of Board's Proceedings, No. 2439, Mis., dated 19th April 1894, alluded to above.

36. *Grant II.*—The proposed expenditure under this grant is Rs. 28,810, against Rs. 30,940 in the revised estimate, and Rs. 28,010 in the sanctioned budget for the current year. The details are given in the following abstract :—

37. *Inspection and Sessional Schools.*—The provisions under these heads have been entered as recommended by the Educational authorities except under "Stipends of students" for which Rs. 720 was proposed owing to want of funds.

38. *Secondary Schools.*—On the recommendation of the Educational authorities, the taluk boards of Nandyal and Ramallakot have resolved to work the secondary schools at Nandyal, Koilkuntla, Pyápali and Kodumur on salary system instead of on salary-result system as in the current year, and to revise the scale of salaries of masters in each of them by employing five teachers on Rs. 15, 12, 9, 7 and 5, respectively, owing to their increased strength. The Nandyal taluk board has further proposed the appointment of a headmaster on Rs. 20 to the secondary school at Nandyal and raising the standard of the school by opening the second form, and also the increase of pay to the servant from Rs. 3 to 4. The Nandikotkur taluk board has also proposed to increase the establishment of teachers in the Atmakur school from four on Rs. 37 to five on Rs. 48 on account of the increased attendance in the school. An additional provision of Rs. 160 has been made under "Miscellaneous" by the Nandyal and Nandikotkur taluk boards for the purchase of furniture, maps, etc., for the schools at Koilkuntla and Atmakur.

A proposition statement for the above revision of the establishments of the secondary schools is herewith submitted.

39. *Elementary Schools.*—Certain proposals involving additional expenditure on these schools made by the Presidents of taluk boards on the recommendations of the Educational officers have been disallowed for want of funds, and current year's provision adhered to.

A provision of Rs. 2,000 has been made for backward classes as in the current year.

40. *Grant III.*—The total expenditure under this grant is placed at Rs. 59,100, against Rs. 58,000 in the revised estimate and Rs. 56,860 in the sanctioned budget for the current year.

The following are the details of the proposed expenditure under the various sub-heads :—

Item (1).—An increase of Rs. 360 has been provided for under "Medical subordinates" to meet the increased rate of salary and allowances to the civil apothecary of Cumbum, to which he will be entitled from July next. Provision has also been made under "Clerks and servants" to meet the additional cost on account of the entertainment of compounders, in lieu of ward coolies, in all the dispensaries, as sanctioned in G.O., No. 1190 L., dated 27th June 1894, Mis. An increase of Rs. 720 has also been provided for medicines and surgical instruments under taluk boards, as the District Medical and Sanitary Officer was of opinion that the present provision under that head is quite insufficient and that at least Rs. 200 must be allotted for each dispensary.

Item (2).—Owing to the starting of a glycerine vaccine paste depôt and the consequent abolition of calf-to-arm vaccination and the entertainment of four additional probationary vaccinators in the district, the charges estimated at Rs. 7,820 have been distributed under the various heads as follows .—

	Annual Cost.

Item (3).—The current year's provision for "Improvement of water-supply" has been repeated with a reduction of Rs. 100 which, in the Nandikotkur taluk board, has been transferred to the head of "Scavenging establishment."

The provision under "Scavenging establishment" has been raised by Rs. 150 over the current year's budget allotment in consequence of the entertainment of two additional scavengers at Gadidemadugu on the recommendation of the District Medical and Sanitary Officer, and raising the pay of two sweepers at Erragundapaliem by two rupees each in order that they may do the duty of scavengers. Slight changes have been made in this establishment in some villages with a view to re-adjust it in accordance with the Sanitary Commissioner's remark communicated with G.O., Mis. No. 708 L., dated 19th April 1894, as now appearing in column 8 of the accompanying Statement VI. Further changes have not been made either owing to want of funds or to its having been thought unnecessary to disturb the existing arrangements.

Items (4) *and* (6).—The current year's provision is repeated as no change is considered necessary.

Item (5) exhibits an increase of Rupees 10 over the current year's sanctioned budget. This increase is the net result of the entertainment of a watchman for the choultry at Dhone, and the abandonment of the choultry at Krishnamsettipalle and the consequent savings in establishment and contingencies.

A proposition statement for the entertainment of a watchman at Dhone is herein enclosed.

Item (7).—The contributions to Provincial services and the Kurnool Municipality have been placed at the same amounts as in the revised estimate.

41. *Grant IV.*—The estimated expenditure under this grant is as detailed below :—

	RS.
(1) Controlling establishments at the Presidency	1,300
(2) Printing work done at the Government Press	530
(3) Establishment in the Collector's office	1,880
(4) Local Boards' office establishments	6,200
(5) Contingencies	6,690
(6) Pensions	90
(7) Refunds	5,200
Total ..	21,890

This shows a decrease of Rs. 130 below the revised estimate of the current year, which is the net result of the large decrease under item No. (1) and increase under items Nos. (2), (4), (5) and (7).

The amount payable for the controlling establishments at the Presidency has been calculated at the rate advised in G.O., No. 2527 L., dated 4th December 1894, on the actuals of the year 1893-94, excluding the opening balance and endowment receipts.

Under item No. (4), provision is also made, on the recommendation of the President of the Ramallakot taluk board, for the increase of salary to the head and second clerks of the taluk board from Rs. 15 and 10 to Rs. 20 and 15, respectively, in consideration of the heavy work devolving on them from the large number of unions under the board and with a view to get better men and induce them to remain in the service. The district board has accordingly approved of the above proposal. The Nandikotkur taluk board has proposed to reduce the salary of the union clerk at Velpanur from Rs. 10 to 8, and the Nandyal taluk board to raise the salary of the union clerk and the bill collector of the Nandyal union by Rs. 2 and 1, respectively, owing to their work having considerably increased. Provision is accordingly made for the above proposals and a proposition statement herewith submitted.

The slight variations in the other items have been made in accordance with the proposals of the taluk boards.

Under item No. (7) provision has been mde for payment of the third instalment of "refund of land-cess" ordered by Government.

42. The following abstract shows, grantwar, the estimated receipts and expenditure for 1895–96 :—

		Rs.
Receipts		1,89,980

„ II		28,810
„ III		59,100
„ IV		21,890
Reserve		6,750
	1,81,250	
Balance ..	8,730	

43. A reserve of only Rs. 6,750 has been provided against Rs. 17,460 required by rules, owing to want of funds.

44. The budget is thus closed with an estimated balance of Rs. 8,730.

From the Hon'ble Mr. D. DUNCAN, M.A., D.S.C., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated Madras, 15th January 1895, No. 302.

I have the honour to submit the following remarks on the educational portion of Kurnool District Board budget for 1895–96.

2. (i) It is not known whether any provision has been made under Grant I for the construction of cheap sheds for the location of board schools. If not, it is recommended that Rs. 500 be allotted for the purpose.

(ii) It is not clear whether Nagalavaram is a backward locality or whether the school proposed to be opened there is intended for backward classes. Board schools should not be opened in a village where results schools are in existence.

(iii) Owing to the small allotment of Rs. 4,000 under results grants for the current official year, only 44 per cent. of the net cost could be assigned for each school in the E list, except in the case of schools in backward localities or for backward classes The same amount has, I observe, been provided for 1895–96 also. With a view to fix a larger proportion I would recommend that the allotment be increased to Rs. 4,500 at least. The district is educationally backward and, unless a larger sum is allotted for grants, the progress of education will be retarded.

(iv) The Boards have made no provision whatever for building and furniture grants for results system schools, to enable them to fulfil the conditions of recognition. I am of opinion that a lump sum of at least Rs. 500 should be provided under the heads.

3. The other items meet with my approval.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 29th January 1895, No. 61.

With reference to Grant III of the budget estimate of the District Board, Kurnool, for the year 1895–96, I have the honour to state that the amount of Rs. 546 provided for the pay of the medical subordinates attached to each of the dispensaries at Yerraguntapollium and Pattikonda should be increased to Rs. 707, as the former is in charge of a first-class hospital assistant and the latter of a second-class hospital assistant who will complete fourteen years' service on the 30th June 1895 and will be entitled to a higher rate of pay with effect from that date.

2. No provision is made for compensation for quarters to the medical subordinates for which a sum of Rs. 960 should now be provided.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 6th February 1895, No. 228-S.

I have the honour to state that the Kurnool District Board has, in its budget for 1895–96, provided Rs. 7,860 for vaccination against Rs. 8,140 in 1894–95. The decrease is fully accounted for by the President in his budget letter. It is proposed to spend Rs. 22,060 or 12·5 per cent. of the estimated receipts on sanitation against Rs. 22,570 in 1894–85. The decrease is apparently due to the cholera charges of Rs. 550 provided under sanitation in the current year's budget being shown in the budget under review under "Hospitals and dispensaries." The reason for this transfer is not apparent. Pending receipt of explanation from the President on the point, I would recommend that the current year's provision under Sanitation—"Cholera charges" (Rs. 550) be repeated for the ensuing year to admit of preventive measures being adopted promptly on the advent of cholera. Statements III A and B show that no works of a sanitary nature are proposed to be executed during the ensuing year.

ORDER—dated 19th February 1895, No. 316 L., Local and Municipal.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 1,74,630 and Rs. 2,17,060, respectively, against Rs. 1,75,120 and Rs. 1,96,830 in the sanctioned budget. The increase in the charges occurs chiefly under Grant I and Grant IV—Refunds, and is partly counterbalanced by a decrease under reserve. A provision of Rs. 840 is made for contribution to Provincial funds on account of the cost of constructing the Musalimadugu and Sudereddipalli tank-bund roads.

The President is requested to state whether the works are to be undertaken by the Public Works Department and at what rate the contribution payable from Local funds has been calculated.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 1,76,980 against Rs. 1,74,630 in the revised estimate, the increase appearing mainly under land-cess.

4. *Charges.*—(1) The charges are set down at Rs. 1,81,250 against Rs. 2,17,060 in the revised estimate, the decrease being principally under Grants I and II and being partly covered by an increase under reserve.

(2) *Grant I.*—The President's letter makes no allusion to the instructions on the subject of maintenance allotments for communications in paragraph 4 (1) of G.O., dated 4th October 1894, No. 1964 L., reviewing the administration report for 1893–94. It is presumed that he has satisfied himself that his proposal to repeat the maintenance grants which were provided in the current year will meet the needs of the roads. The contribution to the Public Works Department for the scrutiny of Local Fund plans and estimates will be reduced from Rs. 200 to Rs. 130 with reference to G.O., dated 12th December 1894, No. 2582 L. The cost of the Local Fund Engineering establishment provided in the budget amounts to more than 35 per cent. of the proposed outlay on works to be executed by that agency. The President states that as most of the reserve and balance will be spent on Grant I, the percentage will eventually be somewhat reduced, but it is evident that the actual outlay on works in 1895–96 cannot be so far raised as to bring the percentage down to the prescribed limit of 20 per cent., and this is the second year in which it has been far in excess of that limit. Steps should therefore be taken to at once reduce the scale of the engineering establishment. Pending comprehensive proposals to this end, the revision proposed in paragraph 33 of the President's letter will be disallowed, and the provision under this head will be reduced from Rs. 15,930 to Rs. 14,660, being the revised estimate for the current year. The provision of Rs. 280 for contribution to Provincial funds for the maintenance of the roads referred to in paragraph 2 *supra* will be allowed to stand pending receipt of the information therein called for.

(3) *Grant II.*—The additions to, and alterations in, the establishments referred to in paragraph 38 of the President's letter cannot be sanctioned, and the suggestions made by the Director in paragraph 2 (i), (iii) and (iv) of his letter read above cannot be adopted, as the taluk boards already spend a disproportionately large share of their income upon education. His remark in clause (ii) of the same paragraph will be referred to the taluk board for consideration.

(4) *Grant III.*—The provision for medical services will be raised by Rs. 1,280 with reference to paragraphs 1 and 2 of the Surgeon-General's letter, but with reference to the provision for compensation for quarters for medical subordinates, the attention of the local boards will be drawn to the fact that Rs. 5 is the *maximum* compensation allowable to each subordinate. It is observed that the allotment for vaccination is Rs. 7,820 and not Rs. 7,860 as stated by the Sanitary Commissioner in his letter read above. As regards his proposal to provide Rs. 550 under Sanitation—"Cholera charges," the Sanitary Commissioner's attention will be drawn to paragraph 2 (3) of G.O., dated 6th March 1893, No. 492 L. The provision of Rs. 30 for contribution to Provincial funds on account of the cutler's establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L. The proposed entertainment of a watchman on Rs. 4 per mensem for the choultry at Dhone is sanctioned.

(5) *Grant IV.*—The provision for controlling establishments at the Presidency should be Rs. 1,310 and not Rs. 1,300. The proposal to increase the salaries of the head and second clerks of the Rámallakót taluk board's office, referred to in paragraph 41 of the President's letter, is approved.

5. *Reserve and balance.*—For want of funds, a reserve of Rs. 6,750 or only 4 per cent. of the estimated receipts is provided. The budget, as revised by Government, closes with a balance of Rs. 9,890, of which Rs. 3,550 appertain to unions and Rs. 5,160 to endowments, leaving only Rs. 1,180 or ·7 per cent. of the receipts available for general purposes. This should be augmented by savings under charges wherever possible.

REVISED ESTIMATE FOR 1894–95.

2. *Balance.*—The opening balance of the year as finally audited by the Accountant-General and advised in his result statement on the Supplemental Treasury Account for March 1894 was Rs. 55,432 against an estimated balance of Rs. 34,700. This increase was due to an increase over the revised estimate of Rs. 7,991 in the receipts and a diminution of Rs. 12,741 in the expected expenditure of the year 1893–94.

3. *Receipts.*—The receipts of the current year as now estimated are compared hereunder with the sanctioned estimate:—

4. *Land-cess.*—A sum of Rs. 1,39,240 has been entered in the revised estimate against Rs. 1,40,300 budgeted for, with reference to the adjusting statements of land-cess. The total demand of the current year is Rs. 1,48,842, of which 93·5 per cent. is expected to be collected within the year.

5. *Tolls.*—A sum of Rs. 6,240 has been entered in the revised estimate against Rs. 5,280 of the budget with reference to the actual income from the gates under the management of the district board. The increase is owing to the establishment of two new toll-gates during the year at Gadidemadugu and Kodumur sanctioned in G.Os., No. 1546 L. Mis., dated 17th August 1894 and No. 810 L. Mis., dated 7th May 1894.

The amount of municipal contribution under this head has been reduced by Rs. 30, with reference to the receipts anticipated by the municipality.

6. *House-tax.*—The budget estimate under this head has been increased by Rs. 1,100 owing to the collection of arrears of the last year, to the collection of the tax in the village of Nandigunta recently included in the Atmakúru union (*vide* G.O., dated 12th June 1894, No. 1080 L.), and to the revision of the assessment registers in some of the unions.

7. *Medical—Miscellaneous.*—The decrease of Rs. 560 under this head is owing to the abolition of the system of purchase of calves by the vaccinators in the district, on the introduction of the glycerine vaccine paste and the consequent large reduction in the sale-proceeds of calves.

8. *Miscellaneous—Fees and Fines.*—The increased receipt of Rs. 380 from these sources is chiefly owing to increased fines under "Police Act" as anticipated by the Presidents of taluk boards and to the collection of fees at certain festivals under section 57 (clause v) of the Local Boards Act, during the current year for the first time.

9. *Public Works—Sale of old materials.*—A sum of Rs. 200 has been entered in the revised estimate with reference to the sale-proceeds of the materials of the old Nandyal local fund school building and those of the choultry at Krishnamsettipalli proposed to be abandoned by the Cumbum taluk board.

10. *Contributions from Private Individuals.*—A sum of Rs. 70 has been entered under this head as anticipated by the President of the Nandikotkur taluk board, being the amount promised to be contributed by the ryots of Ramapuram for excavating a well in their village.

11. *Contributions from Provincial Funds—Public Works.*—The sum of Rs. 2,000 entered in the sanctioned budget has not been entered in the revised estimate, as the amount was struck out of the Forest budget and consequently no credit was taken from Provincial funds.

12. The slight variations in the other items have either been explained in the remarks column of statement IX, or call for no special remarks owing to their fluctuating nature.

13. *Charges.*—The revised estimate of expenditure under the several grants, as compared with the sanctioned estimate is noted in the following abstract:—

Total ..	2,14,060	1,79,540	+ 34,520

(13) Contribution to private individuals		200
The decrease under this head was the result of the amount of contribution (Rs. 300) refunded by Rev. Mr. Downes consequent upon the non-opening of the proposed dispensary at Regadigudur, having been scored out from the charges side of the treasury account, as per instructions of the Accountant-General.		
(14) Miscellaneous	20	..

17. *Grant IV.*—The revised estimate under this grant exhibits an increase of Rs. 5,450 over the sanctioned estimate on account of the following variations:—

The increase is due to the provision for the second instalment of refund of land-cess ordered by Government, and other miscellaneous refunds during the year.		

17 (*a*). A reserve of Rs. 3,000 has been provided for in the revised estimate to meet any unforeseen expenditure under the several local boards during the current half-year.

18. The current receipts and charges as now estimated are Rs. 2,30,062 and Rs. 2,17,060 respectively, against Rs. 2,09,820 and Rs. 1,96,830 in the sanctioned budget, as detailed below under the various grants:—

19. This balance is carried over to the budget for the year 1895–96.

BUDGET, 1895–96.

20. *Receipts.*—The receipts for the year are estimated at Rs. 1,76,980 against Rs. 1,74,630 anticipated in the revised estimate of the current year, as detailed below:—

Choultries	360	360
Total excluding balance ..	1,74,630	1,76,980
Grand total ..	2,30,062	1,89,980

21. *Land-cess.*—The arrears estimated to be outstanding at the beginning of the year are Rs. 9,600, and the current demand is placed at Rs. 1,41,000, so that the total demand for the year would amount to Rs. 1,50,600. The collections during the year are estimated at Rs. 1,41,564, or 94 per cent. of the demand, as was the case in the year 1893–94.

22. *Tolls.*—An increase of Rs. 760 has been entered under this head over the revised estimate, as the toll-gates at Gadidemadugu and Kodumur will be leased out for the whole year instead of only for a portion, as in the current year.

23. *House-tax.*—A sum of Rs. 12,840 has been entered under this head against Rs. 14,150 in the revised estimate which includes the arrears of last year. As the Presidents of taluk boards anticipate that almost the whole of the demand will be realized during the current year, only the collections appertaining to the next year have been entered in the budget, making allowance for remissions which the President of the Ramallakot taluk board expects to grant during the year owing to poverty of some of the tax-payers in the unions under the board.

24. *School-fees.*—The increase under this head over the revised estimate is due to the fact that the strength of the board schools has considerably increased, and to the proposed raising of the standard of the secondary school at Nandyal, and also to a closer check on receipts by the introduction of new printed forms of receipts and chalans.

25. *Market Rents.*—An increase of Rs. 140 over the revised estimate has been budgeted for on account of the receipts expected from the market proposed to be opened at Gudur by the President of the Ramallakot taluk board and to the increase in the receipts from the markets in general.

26. *Miscellaneous—Other Items.*—The increase over the revised estimate occurs under "Fees and fines" and "Sundry receipts," mainly owing to a stricter enforcement of the provisions of the Nuisances Act in the unions, to the levying of fees for private scavenging in the Nandyal union, and to the sale-proceeds of sweepings in the unions.

27. *Contribution from Provincial Funds for Education.*—The amount of grant as advised by the Educational Department has been budgeted for under this head.

28. *Charges—Grant I.*—The expenditure proposed under this grant is Rs. 64,700, against Rs. 1,03,100 in the revised estimate, and Rs. 78,100 in the sanctioned budget for the current year. The details are as under:—

Items.	Revised Estimate, 1894-95.	Budget Estimate, 1895-96.

Contributions to Provincial funds	840	280
Total ..	1,03,100	64,700

29. No provision has been made for "New Works" for want of funds.

30. *Repairs—District Board Roads.*—The current year's provisions for the upkeep of the district board roads maintained during the current year have been repeated.

Repairs—Taluk Board Roads.—A sum of Rs. 8,490 has been provided for the maintenance of the taluk board roads considered necessary, as detailed in Statement III-B in which the following new roads appear :—

	Rs.
Repair of road from Pattikonda to Devenakonda	500
„ „ from Veldurti to Emboy	400
„ „ from Roza to Nidzur	350
„ of Akavidu-Papinenipalli Pass road	500

31. *Civil Buildings.*—Only a sum of Rs. 250 has been provided for the repairs of the travellers' bungalows at Dhone, Tekur, Veldurti and Pyápali and the rest-house at Giddalore.

32. *Miscellaneous Public Improvements.*—The usual allotment of Rs. 2,000 alone has been made for the maintenance of avenues.

33. *Local Fund Engineering Establishment.*—The present Local Fund Engineer represented that the system of employing one overseer for each taluk board assisted by a clerk, sanctioned in the current year's budget, has not worked well. The overseer of the Nandyal taluk board circle has an extensive charge of three revenue taluks, while that of the Nandikotkur taluk board circle has only one taluk. The overseers of the Ramallakot and Cumbum taluk board circles have each two taluks, which is more than they can be expected to satisfactorily work. The district board entirely concurred in the above views, and resolved to revert to the old system of having one overseer for each revenue taluk, doing away with the clerk now allowed to him and adopting the following scale of salaries for which the sanction of Government is solicited :—

—	Pay.	Travelling allowance.	Total.
	Rs.	Rs.	Rs.
Three overseers on Rs. 60 each	180	57	237
Five „ on „ 40 „	200	75	275
Eight overseers' lascars on Rs. 6 each	48	15	63
Total monthly expenditure ..	428	147	575
Total annual cost ..	5,136	1,764	6,900

The above statement shows only an increase of Rs. 252 in the expenditure on the subordinate engineering staff over that sanctioned in G.O., No. 2790, dated 30th November 1892, for which provision is accordingly made in the budget. This system,

it is hoped, will secure an efficient mode of working. It will be observed that, according to the above proposals, the cost of the Local Fund Engineering establishment including contingencies will amount to 35·5 per cent. of the total outlay on works. This high percentage is unavoidable owing to want of funds, but, as most of the reserve and balance will be spent under Grant I, the percentage will eventually be somewhat reduced.

34. The current year's provision for the scrutiny of local fund estimates by the Public Works Department, viz., Rs. 200, has been repeated.

35. A sum of Rs. 280 has been entered under "Contributions to Provincial funds," being the amount of contribution payable to the Public Works Department for the maintenance of the Suddireddipalle and Musalamadugu tank bund roads by that department, as claimed by the Superintending Engineer of the III Circle under the authority of Board's Proceedings, No. 2439, Mis., dated 19th April 1894, alluded to above.

36. *Grant II.*—The proposed expenditure under this grant is Rs. 28,810, against Rs. 30,940 in the revised estimate, and Rs. 28,010 in the sanctioned budget for the current year. The details are given in the following abstract :—

Items.		Revised Estimate, 1894-95.	Budget Estimate, 1895-96.

Total ..		30,940	28,810

37. *Inspection and Sessional Schools.*—The provisions under these heads have been entered as recommended by the Educational authorities except under "Stipends of students" for which Rs. 720 was proposed owing to want of funds.

38. *Secondary Schools.*—On the recommendation of the Educational authorities, the taluk boards of Nandyal and Ramallakot have resolved to work the secondary schools at Nandyal, Koilkuntla, Pyápali and Kodumur on salary system instead of on salary-result system as in the current year, and to revise the scale of salaries of masters in each of them by employing five teachers on Rs. 15, 12, 9, 7 and 5, respectively, owing to their increased strength. The Nandyal taluk board has further proposed the appointment of a headmaster on Rs. 20 to the secondary school at Nandyal and raising the standard of the school by opening the second form, and also the increase of pay to the servant from Rs. 3 to 4. The Nandikotkur taluk board has also proposed to increase the establishment of teachers in the Atmakur school from four on Rs. 37 to five on Rs. 48 on account of the increased attendance in the school. An additional provision of Rs. 160 has been made under "Miscellaneous" by the Nandyal and Nandikotkur taluk boards for the purchase of furniture, maps, etc., for the schools at Koilkuntla and Atmakur.

A proposition statement for the above revision of the establishments of the secondary schools is herewith submitted.

39. *Elementary Schools.*—Certain proposals involving additional expenditure on these schools made by the Presidents of taluk boards on the recommendations of the Educational officers have been disallowed for want of funds, and current year's provision adhered to.

A provision of Rs. 2,000 has been made for backward classes as in the current year.

40. *Grant III.*—The total expenditure under this grant is placed at Rs. 59,100, against Rs. 58,000 in the revised estimate and Rs. 56,860 in the sanctioned budget for the current year.

The following are the details of the proposed expenditure under the various sub-heads :—

Item (1).—An increase of Rs. 360 has been provided for under "Medical subordinates" to meet the increased rate of salary and allowances to the civil apothecary of Cumbum, to which he will be entitled from July next. Provision has also been made under "Clerks and servants" to meet the additional cost on account of the entertainment of compounders, in lieu of ward coolies, in all the dispensaries, as sanctioned in G.O., No. 1190 L., dated 27th June 1894, Mis. An increase of Rs. 720 has also been provided for medicines and surgical instruments under taluk boards, as the District Medical and Sanitary Officer was of opinion that the present provision under that head is quite insufficient and that at least Rs. 200 must be allotted for each dispensary.

Item (2).—Owing to the starting of a glycerine vaccine paste depôt and the consequent abolition of calf-to-arm vaccination and the entertainment of four additional probationary vaccinators in the district, the charges estimated at Rs. 7,820 have been distributed under the various heads as follows :—

Item (3).—The current year's provision for "Improvement of water-supply" has been repeated with a reduction of Rs. 100 which, in the Nandikotkur taluk board, has been transferred to the head of "Scavenging establishment."

The provision under "Scavenging establishment" has been raised by Rs. 150 over the current year's budget allotment in consequence of the entertainment of two additional scavengers at Gadidemadugu on the recommendation of the District Medical and Sanitary Officer, and raising the pay of two sweepers at Erragundapaliem by two rupees each in order that they may do the duty of scavengers. Slight changes have been made in this establishment in some villages with a view to re-adjust it in accordance with the Sanitary Commissioner's remark communicated with G.O., Mis. No. 708 L., dated 19th April 1894, as now appearing in column 8 of the accompanying Statement VI. Further changes have not been made either owing to want of funds or to its having been thought unnecessary to disturb the existing arrangements.

Items (4) *and* (6).—The current year's provision is repeated as no change is considered necessary.

Item (5) exhibits an increase of Rupees 10 over the current year's sanctioned budget. This increase is the net result of the entertainment of a watchman for the choultry at Dhone, and the abandonment of the choultry at Krishnamsettipalle and the consequent savings in establishment and contingencies.

A proposition statement for the entertainment of a watchman at Dhone is herein enclosed.

Item (7).—The contributions to Provincial services and the Kurnool Municipality have been placed at the same amounts as in the revised estimate.

41. *Grant IV.*—The estimated expenditure under this grant is as detailed below :—

	RS.
(1) Controlling establishments at the Presidency	1,300
(2) Printing work done at the Government Press	530
(3) Establishment in the Collector's office	1,880
(4) Local Boards' office establishments	6,200
(5) Contingencies	6,690
(6) Pensions	90
(7) Refunds	5,200
Total ..	21,890

This shows a decrease of Rs. 130 below the revised estimate of the current year, which is the net result of the large decrease under item No. (1) and increase under items Nos. (2), (4), (5) and (7).

The amount payable for the controlling establishments at the Presidency has been calculated at the rate advised in G.O., No. 2527 L., dated 4th December 1894, on the actuals of the year 1893–94, excluding the opening balance and endowment receipts.

Under item No. (4), provision is also made, on the recommendation of the President of the Ramallakot taluk board, for the increase of salary to the head and second clerks of the taluk board from Rs. 15 and 10 to Rs. 20 and 15, respectively, in consideration of the heavy work devolving on them from the large number of unions under the board and with a view to get better men and induce them to remain in the service. The district board has accordingly approved of the above proposal. The Nandikotkur taluk board has proposed to reduce the salary of the union clerk at Velpanur from Rs. 10 to 8, and the Nandyal taluk board to raise the salary of the union clerk and the bill collector of the Nandyal union by Rs. 2 and 1, respectively, owing to their work having considerably increased. Provision is accordingly made for the above proposals and a proposition statement herewith submitted.

The slight variations in the other items have been made in accordance with the proposals of the taluk boards.

Under item No. (7) provision has been mde for payment of the third instalment of "refund of land-cess" ordered by Government.

42. The following abstract shows, grantwar, the estimated receipts and expenditure for 1895–96 :—

		Rs.
Receipts		1,89,980
Charges—		
Grant I		64,700
„ II		28,810
„ III		59,100
„ IV		21,890
Reserve		6,750
	1,81,250	
Balance ..	8,730	

43. A reserve of only Rs. 6,750 has been provided against Rs. 17,460 required by rules, owing to want of funds.

44. The budget is thus closed with an estimated balance of Rs. 8,730.

From the Hon'ble Mr. D. DUNCAN, M.A., D.S.C., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated Madras, 15th January 1895, No. 302.

I have the honour to submit the following remarks on the educational portion of Kurnool District Board budget for 1895–96.

2. (i) It is not known whether any provision has been made under Grant I for the construction of cheap sheds for the location of board schools. If not, it is recommended that Rs. 500 be allotted for the purpose.

(ii) It is not clear whether Nagalavaram is a backward locality or whether the school proposed to be opened there is intended for backward classes. Board schools should not be opened in a village where results schools are in existence.

(iii) Owing to the small allotment of Rs. 4,000 under results grants for the current official year, only 44 per cent. of the net cost could be assigned for each school in the E list, except in the case of schools in backward localities or for backward classes. The same amount has, I observe, been provided for 1895–96 also. With a view to fix a larger proportion I would recommend that the allotment be increased to Rs. 4,500 at least. The district is educationally backward and, unless a larger sum is allotted for grants, the progress of education will be retarded.

(iv) The Boards have made no provision whatever for building and furniture grants for results system schools, to enable them to fulfil the conditions of recognition. I am of opinion that a lump sum of at least Rs. 500 should be provided under the heads.

3. The other items meet with my approval.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 29th January 1895, No. 61.

With reference to Grant III of the budget estimate of the District Board, Kurnool, for the year 1895–96, I have the honour to state that the amount of Rs. 546 provided for the pay of the medical subordinates attached to each of the dispensaries at Erragundapalaiyam and Pattikonda should be increased to Rs. 707, as the former is in charge of a first-class hospital assistant and the latter of a second-class hospital assistant who will complete fourteen years' service on the 30th June 1895 and will be entitled to a higher rate of pay with effect from that date.

2. No provision is made for compensation for quarters to the medical subordinates for which a sum of Rs. 960 should now be provided.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 6th February 1895, No. 228-S.

I have the honour to state that the Kurnool District Board has, in its budget for 1895–96, provided Rs. 7,860 for vaccination against Rs. 8,140 in 1894–95. The decrease is fully accounted for by the President in his budget letter. It is proposed to spend Rs. 22,060 or 12·5 per cent. of the estimated receipts on sanitation against Rs. 22,570 in 1894–85. The decrease is apparently due to the cholera charges of Rs. 550 provided under sanitation in the current year's budget being shown in the budget under review under "Hospitals and dispensaries." The reason for this transfer is not apparent. Pending receipt of explanation from the President on the point, I would recommend that the current year's provision under Sanitation—"Cholera charges" (Rs. 550) be repeated for the ensuing year to admit of preventive measures being adopted promptly on the advent of cholera. Statements III A and B show that no works of a sanitary nature are proposed to be executed during the ensuing year.

ORDER—dated 19th February 1895, No. 316 L., Local and Municipal.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 1,74,630 and Rs. 2,17,060, respectively, against Rs. 1,75,120 and Rs. 1,96,830 in the sanctioned budget. The increase in the charges occurs chiefly under Grant I and Grant IV—Refunds, and is partly counterbalanced by a decrease under reserve. A provision of Rs. 840 is made for contribution to Provincial funds on account of the cost of constructing the Musalimadugu and Sudereddipalli tank-bund roads. The President is requested to state whether the works are to be undertaken by the Public Works Department and at what rate the contribution payable from Local funds has been calculated.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 1,76,980 against Rs. 1,74,630 in the revised estimate, the increase appearing mainly under land-cess.

4. *Charges.*—(1) The charges are set down at Rs. 1,81,250 against Rs. 2,17,060 in the revised estimate, the decrease being principally under Grants I and II and being partly covered by an increase under reserve.

(2) *Grant I.*—The President's letter makes no allusion to the instructions on the subject of maintenance allotments for communications in paragraph 4 (1) of G.O., dated 4th October 1894, No. 1964 L., reviewing the administration report for 1893–94. It is presumed that he has satisfied himself that his proposal to repeat the maintenance grants which were provided in the current year will meet the needs of the roads. The contribution to the Public Works Department for the scrutiny of Local Fund plans and estimates will be reduced from Rs. 200 to Rs. 130 with reference to G.O., dated 12th December 1894, No. 2582 L. The cost of the Local Fund Engineering establishment provided in the budget amounts to more than 35 per cent. of the proposed outlay on works to be executed by that agency. The President states that as most of the reserve and balance will be spent on Grant I, the percentage will eventually be somewhat reduced, but it is evident that the actual outlay on works in 1895–96 cannot be so far raised as to bring the percentage down to the prescribed limit of 20 per cent., and this is the second year in which it has been far in excess of that limit. Steps should therefore be taken to at once reduce the scale of the engineering establishment. Pending comprehensive proposals to this end, the revision proposed in paragraph 33 of the President's letter will be disallowed, and the provision under this head will be reduced from Rs. 15,930 to Rs. 14,660, being the revised estimate for the current year. The provision of Rs. 280 for contribution to Provincial funds for the maintenance of the roads referred to in paragraph 2 *supra* will be allowed to stand pending receipt of the information therein called for.

(3) *Grant II.*—The additions to, and alterations in the establishments referred to in paragraph 38 of the President's letter cannot be sanctioned, and the suggestions made by the Director in paragraph 2 (i), (iii) and (iv) of his letter read above cannot be adopted, as the taluk boards already spend a disproportionately large share of their income upon education. His remark in clause (ii) of the same paragraph will be referred to the taluk board for consideration.

(4) *Grant III.*—The provision for medical services will be raised by Rs. 1,280 with reference to paragraphs 1 and 2 of the Surgeon-General's letter, but with reference to the provision for compensation for quarters for medical subordinates, the attention of the local boards will be drawn to the fact that Rs. 5 is the *maximum* compensation allowable to each subordinate. It is observed that the allotment for vaccination is Rs. 7,820 and not Rs. 7,860 as stated by the Sanitary Commissioner in his letter read above. As regards his proposal to provide Rs. 550 under Sanitation—"Cholera charges," the Sanitary Commissioner's attention will be drawn to paragraph 2 (3) of G.O., dated 6th March 1893, No. 492 L. The provision of Rs. 30 for contribution to Provincial funds on account of the cutler's establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L. The proposed entertainment of a watchman on Rs. 4 per mensem for the choultry at Dhone is sanctioned.

(5) *Grant IV.*—The provision for controlling establishments at the Presidency should be Rs. 1,310 and not Rs. 1,300. The proposal to increase the salaries of the head and second clerks of the Rámallakót taluk board's office referred to in paragraph 41 of the President's letter, is approved.

5. *Reserve and balance.*—For want of funds, a reserve of Rs. 6,750 or only 4 per cent. of the estimated receipts is provided. The budget, as revised by Government, closes with a balance of Rs. 9,890, of which Rs. 3,550 appertain to unions and Rs. 5,160 to endowments, leaving only Rs. 1,180 or ·7 per cent. of the receipts available for general purposes. This should be augmented by savings under charges wherever possible.
