Report on the Inspection of the Local Fund Accounts of the

Tanjore. District.

Camp, *Madras.*

Dated *11th January* 1895.

To

THE Inspector of Local Fund Accounts,
Madras.

SIR,

I have the honour to submit the following report on my recent inspection of the Local Fund Accounts of the *Tanjore.* District for the period extending from *October 1893* to *September 1894.*

2. The accounts were examined generally for the whole period (in accordance with the instructions given in the enclosure to Accountant-General's letter to Government, No *L F D.* ₅₂₂, dated the 29th February 1892, as modified by subsequent Government orders) and in detail for the months of

3. All the defects found in connection with the accounts have been separately communicated to the President, District Board; the following points, however, deserve to be brought to the notice of Government.

(i) A great portion of the allotment, under Grant 1 (Public Works Expenditure) is spent in the purchase by the Local Fund Engineer of earthenware pipes for tunnels, Mangalore tiles, and cement for masonry work on roads and elsewhere. No stock account has, however, been opened for these materials. I have dealt with the subject in sufficient detail in the Inspection notes and discussed the matter in person, with the Local Fund Engineer who.

who has promised to take early steps to open a stock account, the required sanction of Government being previously obtained.

(ii). The accounts of the Provident Fund established for the benefit of the Local Fund employees of the District were examined by me and the result, which was on the whole satisfactory, has been reported to the President in a separate memorandum appended to the inspection notes, the only point requiring immediate attention, is the adjustment to the credit of subscribers of the interest guaranteed to them on the amount of their subscriptions and bonuses.

(iii). The check of receipts and charges in connection with the chattrams under the management of the District Board continues to be defective. A separate memorandum on the Chattram accounts, with suggestions for the better check of these accounts in the audit branch, has also been submitted with the inspection notes. It is hoped that the matter will receive early attention by the District Board in view to the avoidance of defalcations of the kind recently detected in connection with Imayambalpuram chattram accounts and under investigation by the Divisional Deputy Collector, Tanjore.
