attended to the Order of Government  
conveyed in para 3 of G.O. No 1727 in  
dated 14<sup>th</sup> November 1894. It is im-  
possible for a try to attend correctly  
100 houses as suggested by the Chairman;  
one man per 40 houses is the utmost  
that can be attended with efficiency.  
As a contribution towards the ex-  
penditure, the Town might do for  
another year without an increase  
of moveable iron dust bins - the  
sanitary value of which is com-  
paratively slight: a saving of  
Rs 100 could thus be effected.

An extract from Statement I has been furnished to me and, in consequence, I am unable to see what the sale proceeds of rubbish &c and the fees from the private scavenging service are likely to be.

2. The employment of a person to supervise the private scavenging &c this seems to me necessary. The Municipality, however, whilst making this provision for supervision have not attended
