The Chief Secretary to Government

The humble appeal petition of P. Runga now
late Head accountant and Manager of the
District Board Engineers Office Salem...

Most respectfully shaveth

(1) That your humble petitioner was a Government
servant sent to the Foreign Service viz for service
under the District Board Salem vide G. O. N-178,
Dy 30. January 1893

(2) While on such deputation, petitioner was Compelled to take furlough for 6 months from 1st May 1894, and on half pay, having been relieved of his duties ever on 30th April 1894, without any reference to Govt.

(3) That a sum of Rs 10 has been summarily deducted from the leave allowance of petitioner ^{Officer} ^{him} and is not paid to this day. After a good deal of correspondence on the subject, petitioner has been given a copy of an order from the P. Board, dated 1.1.1911.

In reference to the above order the petitioner has to submit that it is not clear who the manager therein referred to is, for there was the petitioner's successor working at the time for one week. Further the arbitrary nature of the order does not clearly set forth what has been the fault of the subordinate and who was responsible for it. The petitioner has tried his utmost in getting this fine cancelled. They have been thwarted with no sort of arguments or reasons. ^{He was not allowed any hearing.} His applications of copies of papers were refused by the President. His appeal to the "District Board Salem" has not been placed before the Members of the Board but the humble petitioner has received Salem Dist Board President's No. 40

of 22nd January 1895, apparently referring the petitioner to Government for redress.

4. That your humble petitioner's immediate Superior, the Board's Engineer has made a full and clear report stating that the petitioner cannot be held answerable for any supposed delay, but he has been wrongly fined.

Copy Submitted

And has recommended that this should be transferred to the proper party deserving it. That such a recommendation of the petitioner's immediate Superior who was in a better position to determine the real person with regard to the working arrangement of the Office ^{should be ignored} is a most unfortunate and deplorable circumstances and grievances of petitioners, which are now laid before merciful and benevolent Government for favorable orders. 4. Petitioner was and is unwilling to trouble the Government with this affair but he certainly cannot bear the injustice of this hard treatment for no real fault of his. He therefore prays that the Benign Government may be pleased to cause an inspection ^{in view of} of the records of the case, ^{revising} the order of the President or passing any other orders to cancel or reduce the heavy fine.

In this act of charity and kindness petitioner shall as in duty bound ever pray &c.
