3. The receipts for the ensuing year are placed at Rs 125.910 against Rs 124.920 in the revised estimate, the increase being principally under land-cess and partly Counterbalanced by a decrease under public Works.

O. dy 5th November 1894 No 2272 L. The reduction of the G. T Engineering Establishment proposed in para 21 of the President's first letter is approved. It is however observed that even after this ~~Contingent of expenditure~~ estimated the Cost of the establishment amounts to more than 20 per Cent of the proposed outlay on works. Unless therefore the actual outlay on works in 1895-96 is so far raised as to bring the establishment Charges within limit of down to the 20 per Cent ~~limit~~ prescribed by Government, steps should be taken to reduce the cost of the establishment still further.

(3) Grant II. The additions to and alterations in the establishments referred to in paras 23, 25, 26 and 27 (1) (2) & (3) (f) of the President's first letter and in paras 2 (1) and (3) and 3 of the second are sanctioned. ~~The entertainment of an additional third Class vaccinator proposed in para 33 of the President's first letter and~~ for the 23 villages transferred to the Kalyana Drug Taluk proposed in para 33 of the President's first letter does not appear to be necessary, as the existing vaccinators perform only a small average number of operations per annum. REVISED ESTIMATE.

2. *Receipts.*—The opening balance of the revised estimate as advised by the Accountant-General was Rs. 50,140 against an estimate of Rs. 23,170. The receipts for the current year are estimated at Rs. 1,24,920 as against a budget estimate of Rs. 1,18,710, being an increase of Rs. 6,210 due chiefly to the following causes. 20. *Repairs—Miscellaneous Public Improvements.*—Rs. 1,500 are provided for the maintenance of existing avenues in the district.

21. *Local Fund Engineering Establishment.*—The working of the present local fund subordinate staff has been very unsatisfactory as is evident from the small amounts spent in 1893–94; it is hoped that by reorganizing the subordinate staff

of overseers, matters will improve. The district board, with a view to economise the expenditure, has sanctioned in its resolution No. 2, dated 15th December 1894, the following scale of local fund overseers subject to the approval of Government :—

	Rs.
Four overseers on	50 each
One sub-overseer on	30

Provision is accordingly made for the proposed salaries and travelling allowance according to the Civil Service Regulations.

22. Rupees 240 have been provided for payment to Public Works Department for scrutiny of local fund estimates.

23. *Grant II, Inspection, Rs.* 2,310.—The increase of Rs. 450 over the current year's estimate is due to provision made for an additional inspecting schoolmaster, as the four now doing work are insufficient for nearly 500 schools in the district. The proposal to entertain a separate Muhammadan inspecting schoolmaster is not accepted by the board. The scale is as follows :—

	Rs.
One inspecting schoolmaster at Rs. 30	300
Four inspecting schoolmasters at Rs. 25 each	1,200
Travelling allowance at Rs. 125 each	625

25. *Lower Secondary School, Penukonda, on Salary System.*—Rs. 1,300 are entered against the sanctioned estimate of Rs. 1,280. The increase is due to the entertainment of a toty to the latrine attached to the school.

26. *Lower Secondary School on Salary-results System, Dharmavaram.*—The Penukonda taluk board has resolved to raise the Dharmavaram primary school to the standard of a lower secondary school on the salary-results system, crediting to the board half of the provincial grant. A provision of Rs. 560 is accordingly made in the budget.

27. *Elementary Schools.*—Rs. 18,000 are provided against the current year's estimate of Rs. 16,560. The net increase of Rs. 1,440 is due to the following causes :—

29. *Grant-in-Aid Results Grants.*—Rs. 3,750 are provided as per current year's estimate.

30. *Grant III, Hospitals and Dispensaries.*—The provision made for hospitals and dispensaries amounts to Rs. 16,650 against the sanctioned estimate of Rs. 14,560. The increase of Rs. 2,090 occurs in the items noted below :—

(*a*) The increase under medical subordinates is due to (1) provision made for opening a dispensary at Ellanur, Tadpatri taluk; (2) provision made for increase of pay to the hospital assistants attached to the Hospitals and Dispensaries, Bukkapatnam, Dharmavaram and Hindupur.

(*b*) The increase under clerks and servants is due to the following :—

(2) Raising the pay of the Tadpatri hospital compounder from Rs. 8 to 9.

(3) Increase of pay to the Dharmavaram hospital compounder from Rs. 6 to 7.

(6) Raising the pay of the cook and waterman of the Hindupur hospital from Rs. 5 to 6.

31. *Midwives, Rs.* 940.—Increase of Rs. 40 is due to the provision made by the Gooty taluk board for a pupil midwife for undergoing training in the Lying-in Hospital, Madras.

The increase under medicines and contingencies is chiefly due to the opening of a new dispensary at Ellanur and to the provision made for the supply of a clinical manual to all the hospitals under the Gooty taluk board. The provision made under G.O., No. 1684 L., dated 4th September 1894, for paying house-rent to hospital assistant also contributes to the increase under contingencies.

32. *District Medical Officer's Establishment.*—The increase of Rs. 60 over the sanctioned estimate is due to the provision made for a temporary probationary compounder as recommended by the District Medical and Sanitary Officer, Anantapur.

33. *Vaccination.*—Rs. 6,480 are provided to meet the expenses of animal vaccination as detailed below :—

	Rs.

Total ..	6,480

The net increase of Rs. 380 is due to (1) the entertainment of an additional third-class vaccinator for the 23 villages transferred to the newly constituted Kalyanadrug taluk from the Rayadrug taluk, (2) the increased provision made for remuneration to vaccinators for excess over minimum number of cases they are required to vaccinate, and (3) the provision made for the carriage of records by the deputy inspectors while on tour.

34. *Sanitation.*—Rs. 14,470 have been provided for sanitation against Rs. 13,910 in the sanctioned budget. The increase is due to the following :—

The net increase is mainly due to the increased provision made under scavenging establishment by some of the unions and for an itinerating gang by the Anantapur taluk board. No sanitary work of any importance is proposed to be undertaken by any of the taluk boards.

35. *Markets, Rs.* 2,450.—The increase of Rs. 40 under this head is due to provision made for the following :—

(2) Entertainment of a waterman to distribute water at the Kalyandrug market during summer.

36. *Choultries, Rs.* 860.—The increase of Rs. 50 represents the salary of a watcher employed for the Jubilee chattram at Tadpatri.

37. *Contributions to Provincial.*—The amounts provided are based on the actuals of 1893–94.

38. *Lighting Charges, Rs.* 2,160.—The increase of Rs. 950 is accounted for as follows:—

(1) Entertainment of a lamp-lighter on Rs. 5 for the Gooty town.
(2) Five additional lights proposed for Penukonda.
(3) Five lights for the Hindupur railway feeder road.
(4) Fifteen lights for the Dharmavaram town with a lamp-lighter on Rs. 6 per month.

39. *Grant IV, Miscellaneous—Controlling Establishments at the Presidency.*—Rs. 960 are entered against Rs. 820 in the sanctioned budget. The figure has been worked out at 0·64 per cent. on the total receipts of 1893–94 as per instructions contained in G.O., dated 4th December 1894, No. 2527 L.

40. *Printing Charges.*—Rs. 310 are based on the actuals of 1893–94.

41. *Local Boards' Establishments.*—Rs. 2,580 are provided against Rs. 2,690. The net decrease is due to the following:—

	Rs.
(1) Savings in the Penukonda taluk board	144
(2) The Gooty taluk board has proposed the entertainment of an assistant clerk on Rs. 10, dispensing with the services of an attender on Rs. 8	24
(3) Provision is made for the increment of pay to the Anantapur taluk board clerk	10

42. *Union Establishment, Rs.* 2,160.—The net increase of Rs. 15 is due to the following:—

44. *Law Charges.*—Provision made for law charges by the Penukonda taluk board, Rs. 50.

45. *Provident fund bonus.*—Rupees 800 is the amount due to the Provident fund as in the revised estimate.

46. The total receipts including the opening balance amount to Rs. 1,58,040 and the charges to Rs. 1,46,370, leaving a balance of Rs. 11,670. Deducting from this Rs. 8,970, being the house-tax and endowment balances, the amount available for general purposes is Rs. 2,700; of this Rs. 2,510 belong to Gooty taluk board and Rs. 190 to Anantapur taluk board. The district and Penukonda taluk boards close with a *nil* balance for general purposes, while the only amount, Rs. 3,330, that is

available under the district fund, has been set apart as reserve to meet unforeseen charges.

47. I regret that the submission of the budget is slightly after date; this is due to the late receipt of important statements from the Penukonda taluk board and to the difficulty of separating the Kalyanadrug figures which had not been effected by the Penukonda taluk board as requested. The various proposals also required much modification involving many days' work in recasting the figures.

From F. A. NICHOLSON, Esq., President, District Board, Anantapur, to the Chief Secretary to Government, dated 30th December 1894, No. 78.

In continuation of my letter, No. 76, dated 19th December 1894, I have the honour to submit herewith a proposition statement for the additions to, and alterations in, the establishments proposed in the budget for 1895–96.

2. Provision made by the Penukonda taluk board for raising the pay of the teachers of the marginally-noted schools, which was not detailed in the budget covering letter, is also entered in the proposition statement for approval and sanction of Government.

1. Raising the pay of the head master of the Palasamudrum school from Rs. 8 to 9 as he was transferred from Vanovole school where he was getting Rs. 9. The services of the sweeper on As. 8 of this school have been dispensed with.
2. Raising the pay of the second master of the Chilmattur school from Rs. 5 to 6.
3. Decrease in the provision of the Vanovole school, as the head master has been transferred to Palasamudrum school.

3. The Gooty taluk board has omitted to make provision for the salary-result school at Surepalli in accordance with the suggestions of the Educational authorities, who reported that the strength of the school was only seventeen and that there was no prospect of its coming to a thriving state.

4. With reference to G.O., No. 2582 L., dated 12th December 1894, I have the honour to request that you will be pleased to have the following correction made in Statement I-B of the budget:—

Scrutiny of estimate by the Public Works Department.	Amount entered in I-B of the budget.	Amount as now altered as per recent Government Order.
	Rs.	Rs.
Vide G.O., No. 2582, dated 12th December 1894 ..	240	33

5. In paragraph 38 the amount provided for lighting charges should be Rs. 2,160.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated Madras, 21st January 1895, No. 525.

With reference to the educational portion of the Anantapur District Board budget for 1895–96, I have the honour to state that I approve of the proposals of the Board, subject to the following modifications:—

(i) I would recommend that Rs. 500 be provided under Grant I for the construction of suitable sheds for Board schools, if no allotment has been made under this head. It is very desirable that the schools should gradually be properly accommodated so as to meet the requirements of the Educational rules.

(ii) The Board has proposed to pass results stipends at 75 per cent. of the maximum rates to all salary-results schools. It is recommended that the Panchama and Muhammadan schools be paid at the standard rates for some time to come.

(iii) For results grants, the last year's figure, namely, Rs. 3,750, has been repeated. This is not sufficient. I would strongly recommend that the provision be raised to Rs. 4,500 at least.

(iv) Only Rs. 100 have been provided for Building grants. I would propose that a lump sum of Rs. 400 be allotted for Building and Furniture grants to enable managers of results schools to satisfy the conditions of recognition.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 4th February 1895, No. 226-S.

In regard to the budget estimate of the Anantapur District Board for 1895–96, I have the honour to report, for the information of Government, that it proposes to spend Rs. 6,480 on vaccination and Rs. 14,470 on sanitation, against Rs. 6,100 and Rs. 13,910, respectively, in 1894–95. The increase in both cases is fully explained by the President in his budget letter. The provision under sanitation is 12 per cent. of the estimated receipts, and may be accepted. It is satisfactory to note that the Anantapur Taluk Board has followed the example of the Gooty Taluk Board in providing for an itinerating sanitary gang to look after the sanitation of the villages within its jurisdiction. It is hoped that the Penukonda Taluk Board will also see its way to adopt this course.

From Surgeon Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 13th February 1895, No. 141.

I have the honour to state that the provision made in Grant III of the budget estimate of the District Board, Anantapur, for the maintenance of the dispensaries for the year 1895–96 is approved by me and calls for no further remarks.

ORDER—dated 25th February 1895, No. 336 L., Local and Municipal.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 1,24,920 and Rs. 1,42,930, respectively, against Rs. 1,18,710 and Rs. 1,30,260 in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, house-tax, school-fees and public works, and that in the charges under all grants. The entertainment of a watcher on Rs. 4 for the Jubilee chattram at Tadpatri is sanctioned.

BUDGET ESTIMATE FOR 1895-96.

3. The receipts for the ensuing year are placed at Rs. 1,25,910 against Rs. 1,24,920 in the revised estimate, the increase which occurs under land-cess being partly counterbalanced by a decrease under public works.

4. *Charges.*—(1) The charges are set down at Rs. 1,46,370 against the revised estimate of Rs. 1,42,930; the increase occurs chiefly under Grants II and III and Reserve, and is partly counterbalanced by a decrease under Grant I.

(2) *Grant I.*—An allotment of Rs. 500 will be provided for the construction of a road from the Vanganuru Railway station to join the Cuddapah-Bellary road, with reference to G.O., dated 5th November 1894, No. 2272 L. The reduction of the local fund engineering establishment proposed in paragraph 21 of the President's first letter is approved. It is, however, observed that even after this the estimated cost of the establishment amounts to more than 24 per cent. of the proposed outlay on works. Unless therefore the actual outlay on works in 1895-96 is so far raised as to bring the establishment charges within the limit of 20 per cent. prescribed by Government, steps should be taken to reduce the cost of the establishment still further.

(3) *Grant II.*—The additions to, and alterations in the establishments referred to in paragraphs 23, 25, 26 and 27 (1), (2) and (3) (*f*) of the President's first letter and in paragraphs 2 (1) and (3), and 3 of the second, are sanctioned. The suggestions made by the Director in clauses (i) to (iv) of his letter read above cannot be adopted for want of funds. The President is requested to report the grounds for increasing the salaries of the masters and entertaining the additional teachers referred to in paragraph 27 (3) of his first letter and paragraph 2 (2) of the second, in the absence of which the proposals cannot be approved.

(4) *Grant III.*—The opening of a new dispensary at Ellanur proposed in paragraph 30 of the President's first letter cannot be approved owing to want of funds. The proposed increases in the salaries of the dispensary and hospital servants referred to in paragraph 30 (*b*) (4), (5) and (6), and the entertainment of a temporary probationary compounder referred to in paragraph 32 of the President's first letter, cannot be accepted, as the necessity for them has not been explained either in the President's letter or in the proposition statements as required in paragraph 2 of G.O., dated 14th June 1894, No. 1094 L. The entertainment of an additional third-class vaccinator for the 23 villages transferred to the Kalyandrug taluk proposed in paragraph 33 of the President's first letter does not appear to be necessary, as the existing vaccinators perform only a small average number of operations per annum. The President will be requested to report whether these villages cannot, by a re-arrangement of charges, be attended to by the existing staff. Meanwhile, the proposed increase will be struck out. The abolition of the post of sweeper on Re. 1 per mensem attached to the chattram at Lepatchi, which from the proposition statement appears to be contemplated, and to which reference should have been made in the President's letter, is sanctioned. The provision of Rs. 20 for contribution to provincial funds on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—The revision of the Gooty Taluk Board's office establishment proposed in paragraph 41 of the President's first letter is sanctioned.

5. *Reserve and Balance.*—For want of funds, a reserve of Rs. 3,330, or only 3 per cent. of the estimated receipts, is provided and the budget, as revised by Government, closes with a balance of Rs. 12,610, of which Rs. 1,640 appertain to unions and Rs. 7,330 to endowments, leaving Rs. 3,640 or 3 per cent. of the receipts available for general purposes. The deficits with which the transactions of four of the markets are expected to close the year should be met by a loan or contribution from the general revenues, as required in No. 25 of the Local Fund rules, and the large balances with which some of the remaining institutions are expected to close should be utilised on

the maintenance of market feeder roads so as to set the general funds free for expenditure on other purposes.
