Revised Estimate for 1894-95.

2. The current receipts and charges are now put down at Rs 239160 and Rs 240740 respectively against Rs 220330 and Rs 238190 anticipated in the sanctioned budget, the increase in the receipts occurs chiefly under land cess and tolls. The alterations in the Educational, Medical, Vaccination, Sanitary and Taluk Board's office establishments shown in the proposition statement for 1894-95 are sanctioned.

Budget Estimate for 1895-96.

3. Receipts. The receipts for the ensuing year are estimated at Rs 248040 against Rs 239160 in the revised estimate, the increase which occurs chiefly under tolls and house tax being partly counterbalanced by a decline under land cess.

The estimated receipts from the latter should be deducted to cover the contributions now paid to unions by the Taluk Boards & capable of still further reduction.

4.

4. Charges. (1) The probable charges are placed at Rs 2,74,430 against Rs 2,40,740 in the revised estimate, the increase appearing mainly under Grants I + III and Reserves.

(2) Grant I. No expenditure should be incurred on any of the new works provided for in the budget until the estimates for them are sanctioned by competent authorities. The contribution to the Public Works Department for the scrutiny of the Local Fund plans and estimates will be reduced from Rs 480 to Rs 250 with reference to Govt. dated 12th December 1894 No. 2582 L. The Government is not prepared to reconsider its order dated 4th November 1891 No. 2752 regarding the increase of pay proposed to the Local Fund Engineer, nor can the proposed

It is presumed that in those cases in which market funds have been granted towards general purposes the markets concerned are in need of no further improvements. The Board would be well advised to restrict the construction of new works until those already existing are in thoroughly good order.

Under the circumstances stated by the President the proposed increase of Rs 50 per mensem in the pay of the L.F. Engineer will be allowed on the understanding that it shall be personal to Mr. Handcock.

The proposed increase in the pay of the Engineer's accountant from Rs 30 to Rs 35 cannot be sanctioned in the absence of any grounds to justify it. The provision under this head will accordingly be reduced by Rs 60.

(3) Grant II. The alterations in the educational establishments proposed in paras 29, 30, 31 & 38 of the President's letter relating to the budget estimates are sanctioned. The suggestions of the Director of Public Instruction in clauses (i), (ii), (iv) & (v) of para. 1 of his letter read above will be referred to the local boards for consideration.

(4) Grant III. The allotments for medical services, Vaccination and sanitation will be passed subject to the remarks of the Surgeon General & the Sanitary Commissioner, Under Contributions to Provincial services for the Medical College which should be expedited.

The provision for hospitals & dispensaries will be raised by Rs. 600 with reference to para. 1 of the Surgeon General's letter read above. The alterations in the dispensary establishments proposed in para. 26 of the President's letter relating to the budget are sanctioned and the attention of the Athniyalur Taluk Board will be drawn to the suggestion made by the Surgeon General in para. 3 of his letter.

It is not however probable that the maximum amount of contribution will be required in such case.

college and medical reserve staff, the actuals of the previous year will be repeated and the provision for cutlers' establishment will be struck out with reference to G.O. of 18th January 1895 No. 97 L. The allotments made for lighting the Unions of Kulittalai, Turaiyur, Kattuppattur, Perambalur and Kilappaluvur will be passed ~~on the understanding that~~ but ~~such~~ provision for lighting should be made with caution, as the Taluk Boards concerned ~~place the necessary funds at the disposal of the panchayats~~ are required by section 142 of the Local Boards Act to find the funds for this purpose.

(5) Grant IV. The contribution to controlling establishments at the Presidency will be raised from Rs 1580 to Rs 1770 with reference to G.O. of 4th December 1894 No. 2527 L. The revision of the District ~~Boards and the~~ and the Taluk Boards office establishments proposed in para. 48 of the President's letter relating to the budget is sanctioned.

5. Balance. The budget as revised by Govt. closes with a balance of Rs ~~25080~~ 24080. Of this sum Rs 310 appertain to Unions and Rs 6310 to endowed institutions, leaving Rs ~~18460~~ 17460 or 8 per cent of the receipts available for general purposes.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following papers:—

From J. ANDREW, Esq., President, District Board, Trichinopoly, to the Chief Secretary to Government, dated Trichinopoly, 14th December 1894, No. 60.

I have the honour to forward herewith the district consolidated budget estimate for 1895–96, passed by the district board at a meeting held on the 11th instant. I enclose a copy of the resolution.

2. The subsidiary statements and the road map are under preparation and will follow.

Revised Estimate for the official year 1894–95.

A.—Receipts.

1. *Balance on 1st April* 1894.—The balance advised by the Accountant-General after audit of the past year's expenditure was Rs. 37,940, being more than the budget figure by Rs. 10,740. The increase was due to larger receipts, mainly under land-cess, during the year 1893–94 as well as to short expenditure under grants I and IV.

2. (1) *Rates and Taxes*—(*a*) *Cess on Land.*—The income under this head is estimated at Rs. 1,41,140 against Rs. 1,28,460 in the budget. A statement showing the demand, collection and balance of this cess is attached. The demand, as revised, including arrears, amounts to Rs. 1,55,560 against Rs. 1,51,450 estimated in the budget. The larger demand and the prospect of better collection account for the increased income expected under this head.

3. (*b*) *The Tolls under Act V of* 1884.—The toll-gates, including the five newly sanctioned in G.O., dated 10th October 1894, Mis. No. 1999 L., were sold this year for Rs. 42,958, which, together with the arrears of the previous year, makes a total demand of Rs. 43,521. The whole of this amount will be collected during the year. In addition to this, a sum of Rs. 961 was realized by managing the newly sanctioned toll-gates departmentally during November last, and a sum of Rs. 218 is anticipated from compound license fees and interest. This makes a total collection of Rs. 44,700 against Rs. 37,320 expected in the budget.

4. (*c*) *House-tax.*—A decrease of Rs. 320 is anticipated under this head. This is the net result of increase of Rs. 440 expected by Ariyalúr taluk board owing to the revision of house-tax registers in some of its unions, and decrease of Rs. 760 under Musiri taluk board consequent upon the non-formation within the year of the proposed union at Kattuputhur. G.O., dated 26th November 1894, No. 2453 L., sanctioning the formation of this union having been only just received it will take some time to bring it into working order and house-tax is not expected to be levied until the beginning of next year.

5. (2) *Education*—(*a*) *School-fees.*—Ariyalúr taluk board expects an increase of Rs. 70 over its budget figure in consequence of enhanced rates of fees being levied in the Primary school for boys at Perambalúr.

6. (5) (*b*) *Choultry rents.*—The increase of Rs. 110 expected under this head is based upon the actuals of 1893–94.

7. (*c*) *Market rents.*—The actual lease amounts have been adopted. Decrease occurs under Musiri taluk board owing to want of competition.

8. (*e*) *Contribution for pension.*—The sum of Rs. 180 shown under this head represents the recovery made from the Tanjore and Coimbatore district boards on account of pension paid in this district on their behalf.

9. (*h*) *Fishery rents.*—Decrease occurs largely under Trichinopoly taluk board and to some extent under Musiri taluk board. It is attributed to the loss sustained by the renters last year under Trichinopoly taluk board and consequently to the want of competition during the current year.

10. (6) *Public Works*—(*d*) (3) *Contribution from Private Individuals.*—Rupees 700 promised by M.R.Ry. Nataraja Aiyer and provided in the current year's budget were collected towards the close of the last year. This accounts for the large decrease under this head against the district board. The decrease under the taluk board is due to the fact that the contribution promised by some villagers to Trichinopoly taluk board is not expected to be collected within the current year.

11. The total receipts during the year, excluding the opening balance as per revised estimate, amount to Rs. 2,39,160 against Rs. 2,20,330 anticipated in the budget. Including the opening balance, the total receipts amount to Rs. 2,77,100 as against a budget provision of Rs. 2,47,530 and Rs. 2,52,084, the actuals of the previous year.

B.—Expenditure.

12. *Grant I, Public Works*—(*a*) *New Works*—(1) *Communications—District Board.*—The decrease under this head is chiefly due to the construction of a bridge estimated to cost Rs. 8,970 across a stream on road No. 11, Karúr road, having been postponed to next year as it is too late to do anything towards the work during this year, Government not having approved of the estimate submitted.

Taluk Boards.—The budget provision under taluk boards was Rs. 900. This was supplemented by subsequent allotments of Rs. 960 mainly for improving certain market feeder roads. The whole of the grant will be spent during the year.

13. (3) *Miscellaneous Public Improvements.*—The original allotment was Rs. 4,870 and subsequent allotments, amounting in all to Rs. 1,383, were made for various works—the most important being the construction of compound walls around the Samayapuram market under Trichinopoly taluk board—for which Rs. 1,000 were allotted for the current year. The total grant amounts to Rs. 6,253 and the whole of this amount is expected to be spent within the current year.

14. (*b*) *Repairs*—(1) *Communications.*—The large increase over the budget grant is due to subsequent allotments having been sanctioned with a view to make special repairs for some of the roads which had been damaged by the floods of November 1893. It is also due to the transfer of the amount provided for the construction of a bridge across a stream on road No. 11, Karur road, near Pattavoitalai for the purpose of reforming portions of road No. 3, Trichinopoly-Madras, and road No. 10, Trichinopoly-Dindigul. The total grant is expected to be spent within the year.

15. (2) *Civil Buildings.*—The budget provision of Rs. 1,050 was increased to Rs. 2,040 chiefly on account of repairs to school-houses and dispensary buildings. The increased allotment is expected to be fully spent.

16. (3) *Miscellaneous Public Improvements.*—The increase under this head is due to an allotment of Rs. 1,400 subsequently made by the district board on account of avenues and to Musiri taluk board having sanctioned repairs for Irumbudipatty and Musiri markets.

17. (*f*) (3) *Contribution to Municipalties for Tolls.*—The decrease is due to fall in the rent of those toll-gates from whose receipts contribution is paid. The fall was chiefly due to the damage caused to roads by the floods of November 1893, which considerably hindered traffic in the succeeding months, and this led to lower bidding when the tolls were put up to auction.

18. *Grant II—Education.*—(*d*) *Elementary Schools—Salary-results system*—(1) *salaries of masters fixed.*—The increase occurs under the Ariyalúr taluk board owing to the appointment of an additional master and an additional mistress on Rs. 6 and Rs. 3 per mensem, respectively, for the schools for the boys and girls at Perambalúr.

19. *Results.*—Trichinopoly taluk board expects a short expenditure of Rs. 440 under this head. It has based its calculation on the actuals of the past two years.

20. (3) *Miscellaneous.*—The increase under this head is mainly due to the purchase of furniture for schools under Trichinopoly and Musiri taluk boards.

21. (*e*) (2) *Result Grants.*—Trichinopoly taluk board expects a short expenditure of Rs. 379 also under this head for the reasons given in paragraph 19 *supra.*

22. *Grant III—Medical,* (*a*) *Hospitals and Dispensaries,* (10) *Cholera charges.*—The increase is mainly due to payment during the current year of the pay and travelling allowance of a special hospital assistant employed by the Ariyalúr taluk board towards the close of last year to look after the cholera duty.

23. (*c*) *Sanitation*—(3) *Scavengering establishment.*—The increase occurs in the Ariyalúr taluk board owing to the entertainment of an additional dust cart in Kilappaluvúr union and of four additional sweepers in Perambalúr union to which a few villages were added in the course of the year.

24. The total expenditure as per revised estimate amounts to Rs. 2,40,740. The year closes with a balance of Rs. 36,360 against Rs. 9,345, anticipated in the budget. The following is an abstract of receipts and charges.

BUDGET ESTIMATE FOR THE OFFICIAL YEAR 1895–96.

A.—Receipts.

Balance on 1st April 1895.—The closing balance of the revised estimate has been adopted.

2. *Rates and Taxes*—(*a*) *Cess on land.*—The demand is estimated at Rs. 1,49,370 and the collections at Rs. 1,33,200. The collections have been calculated on the figures furnished by tahsildars and they slightly exceed the average of the last three years. A statement showing the demand, collection and balance of this cess for 1895–96 is appended. No account has been taken of the increase expected in consequence of the re-settlement of the district which is expected to take place during the year.

3. (*b*) *Tolls.*—Excluding the five toll-gates which were recently opened, there was a considerable fall in the rent of the other gates during the current year mainly owing to the damages caused to roads by the floods of November 1893. Most of the damaged roads have been since repaired and the next year will fetch higher rent. Government has since sanctioned the removal of the toll-gate at present situated on the banks of the Marudaiyar to Kilappaluvúr from 1st April next. The removal is calculated to raise the income considerably. The receipts from the new toll-gates have been calculated with reference to their lease amount during the current year. The above circumstances account for the large increase under this head.

4. (*c*) *House-tax.*—The large increase under this head is due to the fact that the tax is proposed to be levied at the maximum rates in all the unions in the district from 1st April 1895. It is going to be levied at the same rates also in the proposed union of Kattuputhur. Further the attention of the Presidents of the taluk boards has recently been called to the necessity for a strict revision of the existing registers.

5. (2) *Education*—(*a*) *School-fees.*—The Ariyalúr and Musiri taluk boards each expect an increase of over Rs. 100 owing to improved attendance in the schools.

6. (3) (*b*) *Contribution from Private Individuals and* (*e*) *Miscellaneous.*—The Musiri taluk board has taken credit for Rs. 300, subscription on account of the reading-rooms attached to the Kulittalai school, and Rs. 10, realization anticipated from the sale of newspapers received for the reading-rooms.

7. (*c*) *Sale-proceeds of Books.*—The figure recommended by the Director of Public Instruction has been adopted.

8. (3) *Medical*—(*e*) *Miscellaneous.*—Current year's budget figure repeated.

9. (5) *Miscellaneous*—(*c*) *Market rents.*—The Musiri and Ariyalúr taluk boards have adopted the current year's lease amounts and the Trichinopoly taluk board has repeated its budget figure. As stated in paragraph 7 of the revised estimate the decrease occurs in Musiri taluk board owing to want of competition.

10. (*f*) *Ferry-rents.*—The current year's lease amount has been entered.

11. (*h*) *Fishery-rents.*—The receipts from this source are estimated at Rs. 6,620 against Rs. 6,850 budgeted for 1894–95 and Rs. 5,730 entered in the revised estimate. Reason for the decrease has been stated in paragraph 9 of the revised estimate as due to want of competition. Trichinopoly board however expects an increase of Rs. 1,170 next year over the revised estimate. Musiri taluk board has adopted the figure entered in the revised estimate and Ariyalúr taluk board has adopted the actuals of 1893–94.

12. (*j*) *Avenues.*—The income estimated under this head is Rs. 3,950 against Rs. 3,700 the current year's budget figure. The increase occurs in Trichinopoly and Musiri taluk boards. It is due to increase in the sale-proceeds of the produce of avenue trees.

13. (6) *Public Works*—(*d*) (3) *Contribution from Private Individuals.*—Under this item the Trichinopoly taluk board has taken credit for a sum of Rs. 450, being the contribution promised by the inhabitants of Kuttappur and Valayudampettai villages for the purpose of sinking a well and constructing a school-house, respectively, in their villages.

14. *Contribution from Provincial*—(*a*) *Education.*—Excluding the contribution for buildings, the income expected under this head is Rs. 3,550 against Rs. 3,890 entered in the current year's budget and revised estimate. The decrease occurs in the Musiri taluk board which has adopted the figure advised by the Educational Department. Trichinopoly taluk board expects an increase of Rs. 200 on account of the larger earnings of the Primary school at Lalgudy. The same taluk board has taken credit for a sum of Rs. 200 being the grant for the construction of a school-house at Valayudampettai. Besides the above, it has taken credit for a further sum of Rs. 100 under building grant generally, and so has also the Musiri taluk board.

The total grant during 1895–96 from Provincial funds for education is estimated at Rs. 3,950 against Rs. 3,990 in the current year's budget.

15. *Allotments from the District Fund.*—In addition to the sum of Rs. 2,190 placed at the disposal of the taluk boards for expenditure on primary education, being the savings on account of the transfer of the training school to Government, Rs. 7,420 and Rs. 1,900 are proposed to be allotted to Trichinopoly and Musiri taluk boards, respectively, as the general funds at their disposal are insufficient. The former board has to pay debts of Rs. 1,225 to Pudukkóttai State on account of the maintenance of the British portion of Iluppúr-Viralimalai road, besides an arrear contribution of Rs. 1,500 and Rs. 1,000 due to Trichinopoly and Srírangam municipalities, respectively, on account of hospitals. Road No. 23, Trichinopoly-Allituraí, maintained by this taluk board requires special repairs, and the board is unable to carry them out for want of funds. In consideration of the fact that the income from the toll-gate on this road goes entirely to the district board, it proposes to allot Rs. 2,000 on account of the special repairs. The Musiri taluk board proposes to complete the road from Turaiyúr to Perambalúr, and has accordingly provided Rs. 3,500 in the next year's budget. For this work they will need help from the district board.

16. *Total Receipts.*—The total receipts for the year, excluding the allotments from the district to taluk funds, are estimated at Rs. 2,48,040 which, together with the opening balance, amounts to Rs. 2,84,400 as follows :—

	Rs.
District board	1,56,760
Trichinopoly taluk board	35,410
Musiri do.	49,120
Ariyalúr do.	43,100
Total ..	2,84,400

B.—Expenditure.

17. *Grant I, Public Works*—(*a*) *New Works*—(1) *Communications.*—The district board has made provision for the construction of a bridge across a stream on road No. 11, Karúr road, near Pettavoithalai. Provision was made for this work in the current year's budget, but as the estimate which was sent to Government has been returned lately for revision, it will not be possible to undertake the work this year. It also proposes to gravel the first five miles of ferry road No. 15 from Ariyalúr to Tirumanur. The estimated cost of this work is Rs. 10,000, but only Rs. 5,000 are going to be spent next year. It is also intended by the district board to construct five new toll-sheds for the toll-gates recently sanctioned by Government as well as a shed for the Marudaiyar toll-gate, the transfer of which to Kilappaluvur has just been sanctioned (G.O., dated 27th November 1894, Mis. No. 2479 L.).

The total cost for these six sheds will be Rs. 1,200. The Musiri taluk board has provided Rs. 3,500 towards the incomplete road from Turaiyúr to Perambalúr. The Ariyalúr taluk board intends improving certain market feeder roads which have not hitherto been maintained out of local funds, and a provision of Rs. 1,365 has been entered by it for the purpose out of market funds.

18. (2) *Civil Buildings.*—Trichinopoly taluk board has provided Rs. 700 for the erection of school-houses. The Musiri taluk board has provided Rs. 850 for making improvements to Puttanatham chattram out of the funds of Kalpatti, Kovilpatti and Peramangalam chattrams. The latter board says that the funds of these chattrams cannot be utilized better than towards making the proposed improvements which will prove very useful to the public. In G.O., dated 8th December 1890, Mis. No. 3149 L., Government sanctioned the transfer of funds from the balance in favour of the Kalpatti chattram for the construction of a chattram building at Kulittalai.

19. (3) *Miscellaneous Public Improvements.*—The Trichinopoly taluk board has entered Rs. 1,020 for completing the construction of compound walls around Samayapuram market and Rs. 500 for sinking a well at Kuthappar for which it expects a contribution of half the amount from the villagers. The Musiri taluk board proposes to make certain improvements to the Manapparai and Turaiyúr markets and to restore the compound walls of the Kottapalli market. Rs. 765 of the amount required for the last-mentioned work are proposed to be met from the balance to the credit of the Manapparai market. Considerable expenditure has been incurred in the last few years on the improvement of this market and a portion of its balance may now with advantage be expended on the Kottapalli market which is situated in the same taluk and the restoration of whose compound walls is a matter of necessity. The Ariyalúr taluk board has provided Rs. 1,720 for making certain improvements to the Ariyalúr market and for purchasing land as site for the cattle market of that place. The endowment statement shows that funds are available.

20. (*b*) *Repairs*—(1) *Communications.*—The maintenance allotments of roads have been raised under the district board and the Trichinopoly and Ariyalúr taluk boards. The Musiri taluk board has adopted the current year's rates, considering that the roads are in sufficiently good order. In addition to the roads usually maintained, provision of Rs. 400 is made by the Ariyalúr taluk board for maintaining the road (not hitherto maintained) from Vilangudi to the Ariyalúr market. The charge is to be met from the market funds. The same taluk board proposes to maintain road No. 50 from Ariyalúr to Kallankurichi hitherto maintained out of the general funds from the market funds, as it is a market feeder road and as funds to the credit of that market admit of this being done. The Musiri taluk board has resolved to spend Rs. 1,700 out of market funds to make special repairs to certain feeder roads. The markets concerned have sufficient funds.

21. (2) *Civil Buildings.*—The Musiri taluk board proposes to repair certain school-houses and the travellers' bungalow at Turaiyúr at a cost of Rs. 300 and Rs. 200, respectively. The Ariyalúr taluk board proposes to repair Puduchavadi, Krishnapuram, Padalur and Perambalúr chattrams at a cost of Rs. 850.

22. (3) *Miscellaneous Public Improvements.*—Increased provision has been made for the maintenance of avenues. The amount provided is Rs. 4,050 against Rs. 1,230

entered in the current year's budget and Rs. 2,630 provided in the revised estimate. The Musiri taluk board has provided Rs. 50 for repairing the slaughter-house at Kulittalai.

23. (*c*) (1) *Public Works Department—Other Establishment Charges.*—The sum of Rs. 480 entered against the item represents the charge for the scrutiny of estimates for the bridge at Pettaivoithalai over the stream on road No. 11, and for gravelling the ferry road No. 15, Ariyalúr to Tirumanur, referred to in paragraph 17 *supra*.

24. (2) *Local Fund Engineering Establishment.*—The district board having resolved to raise the pay of Mr. Handcock, the Engineer, from Rs. 500 to Rs. 550 and that of his accountant from Rs. 30 to Rs. 35, increased provision is made under this head. As to the proposed increase to Mr. Handcock's pay, the board would point out that he entered the service of the district board in 1888 and has been drawing the same salary ever since. In 1891 the district board was willing to increase his salary by Rs. 50 per mensem and the President, District Board, addressed Government recommending the increase in his letter, dated 3rd October 1891, No. 63, but the proposed increase was disallowed in G.O., dated 4th November 1891, Mis. No. 2752 L., on account of the smallness of the area of the Trichinopoly district. In their last budget meeting exchange compensation was recommended, but disallowed in G.O., dated 16th March 1894, No. 520 L. In support of the Board's resolution I would beg to point out that Mr. Handcock's predecessor drew the same pay as Mr. Handcock and had the assistance of a supervisor. In the revised budget for this year the percentage of the Local Fund Engineering establishment to the expenditure under Grant I is 16·2, while the maximum allowed is 20 per cent. In future years the percentage will be considerably less, as with an increased land-cess we shall have more to spend on works. It should be borne in mind that the smaller and poorer the district, the higher must be the proportionate cost of establishment, but as a fact the percentage is very much less than the maximum allowed. It must also be remembered that Mr. Handcock instead of looking forward—as do most officers—to improved prospects, has to face a depreciated rupee, which for a European virtually amounts to a reduction of pay, and thus he is not so well off now as he was when he entered the service of the district board. He has worked to the satisfaction of the board since 1888, and I respectfully beg to urge that the increase now solicited may be sanctioned. The increase is intended as personal to Mr. Handcock.

25. (*d*) *Tools and Plant and* (*e*) *Contingencies.*—At the request of the Local Fund Engineer Rs. 1,500 have been provided against each. The provision against these items as well as that against "Local Fund Engineering establishment" has been distributed among the several local boards in accordance with the instructions given in G.O., dated 5th August 1890, No. 1942 L.

26. (*f*) *Contributions to Municipalities on account of Tolls.*—The amount entered against this item is the usual share of the estimated receipts from tolls due to the Trichinopoly and Srírangam Municipalities.

27. (4) *Private Individuals.*—Rs. 900 are, as usual, provided under the district board as contribution to the Pudukkóttai State for the maintenance of road No. 8 Pudukkóttai road. There is an increase in the amount provided under the Trichinopoly taluk board. This is due to the arrear payment of Rs. 1,225 referred to in paragraph 15 *supra*. Further, the Board has now to pay Rs. 1,050 annually as contribution instead of Rs. 800 in the previous years. This is due to the fact that the road in question which was incomplete before, having since been completed, the total length to be maintained by the board has risen from 8 to 10½ miles.

28. *Grant II, Education—*(*a*) *Inspection.*—The revision of the salaries of the inspecting schoolmasters sanctioned in the current year's budget not having been given effect to for want of vacancies, the budget provision of the current year has been repeated for the next year.

29. *Sessional Schools.*—As recommended by the Educational authorities it is proposed to have an itinerating school all through the year working at three centres

for three months or a little more at each centre. The total cost is estimated at Rs. 800. The following are the details:—

	Rs.
A teacher on Rs. 20 per mensem for twelve months	240
Fifteen stipends of Rs. 4 each for three schools for three months 15 × 4 × 3 × 3	540
Contingencies	20
Total ..	800

30. (*c*) *Secondary Schools.*—There is no change in the number of schools. Rs. 2,810 are provided for their upkeep against Rs. 2,600 in the current year's budget. The increase occurs in the Musiri taluk board which proposes to abolish the fourth standard of the primary school at Kulittalai and to attach it to the Middle school at that place. In consequence of the above provision is made for an additional teacher on Rs. 17-8-0 per mensem in the Kulittalai Secondary school.

31. (*d*) *Elementary Schools, Salary-result System—*(*i*) *Salaries of Masters, Fixed.*—Rs. 11,100 are provided against Rs. 10,270 entered in the current year's budget. The increase is mainly due to revisions in the scale of establishment proposed by Educational authorities. They are detailed in the enclosed proposition statement. The schools at Milampatti and Chintamanipatti were not amalgamated as proposed in the current year's budget. Of the 83 schools under Board's management, nine schools are exclusively for Muhammadans and five for Pariahs.

32. *Results.*—Rs. 3,750 are provided against Rs. 4,190 in the current year's budget. The decrease occurs under Trichinopoly taluk board which has provided with reference to the actuals of last year.

33. (2) *Servants.*—Rs. 130 have been provided against Rs. 80 in the current year's budget. The increase occurs in Trichinopoly and Ariyalúr taluk boards owing to the appointment of peons for the primary schools at Lalgúdi and Perambalúr respectively.

34. (*g*) *Miscellaneous*—(1) *Purchase of Books*—(2) *Commission on sale of Books.*—The figures advised by Educational authorities have been adopted.

35. The assignment for Grant II amounts to Rs. 31,580 against Rs. 31,190 recommended by Educational authorities and Rs. 31,110 provided in the current year's budget. Further, a sum of Rs. 1,000 is entered under Grant I for the construction and repairs of school-houses.

36. *Grant III—*(*a*) *Hospitals and Dispensaries*—(3) *Clerks and Servants.*—Four compounders under Musiri taluk board having put in five years' service, they are eligible for an increase of pay of Rs. 3 each, and as the district surgeon recommends the increase, provision is made accordingly. On the recommendation of the same officer, provision is also made to raise the pay of the sweeper of the Musiri dispensary by Re. 1, as the latter looks after the garden attached to it. The services of the toti attached to the Lalgúdi dispensary under Trichinopoly taluk board were dispensed with on the recommendation of the district surgeon. The Ariyalúr taluk board proposes to change the designation of the peon and sweeper attached to the Ariyalúr hospital into surgery-cooly and ward-cooly respectively.

37. (4) *Diet of Patients.*—The Ariyalúr taluk board has provided Rs. 270 with reference to the actual requirements. The amount entered in the revised estimate is Rs. 200.

38. (10) *Cholera charges.*—Rs. 200 is provided under this head against Rs. 30 in the current year's budget and Rs. 250 in the revised estimate.

39. (*b*) *Vaccination*—(1) *Fixed charges and* (2) *Contingencies.*—As recommended by the district medical and sanitary officer it is proposed to appoint from next year two additional second-class vaccinators on Rs. 10 each and two calf-coolies on Rs. 5 each. There are at present six vaccinators' divisions in this district, one first-class vaccinator and one second-class vaccinator and a calf-cooly working in each division. There are besides two first-class vaccinators who were hitherto employed in issuing certificates to pupils of schools, as such certificates were required under Educational rules. The

rules having since been modified it is unnecessary to employ special vaccinators for certifying duty and the services of the above two vaccinators are available for vaccine operations. With a view to the further increase of vaccination it is proposed to divide the district into eight vaccinators' divisions by dividing the Udaiyárpálaiyam and Kulittalai taluks into two divisions each and to put these two men in charge of the new divisions, one for each with a second-class vaccinator and a calf-cooly to help each. It is also proposed to raise the pay of the peon of the deputy inspector of vaccination from Rs. 6 to Rs. 7 per mensem.

40. (*c*) *Sanitation*—(1) *Improvement of Water-supply.*—Rs. 3,220 are provided for the conservancy of tanks and wells and for improvement of water-supply against Rs. 2,100 provided in the current year's budget, the increase being partly due to the proposed entertainment of additional tank-watchers.

41. (3) *Scavengering establishment.*—Rs. 12,580 are provided under this head against Rs. 11,440 entered in the current year's budget. The increase occurs in the Musiri and Ariyalúr taluk boards. In view of the fact that house-tax is going to be levied at the maximum rates from next year, provision has been made for raising the number and pay of the establishment in union villages. Details are to be found in the enclosed proposition statement.

42. (*d*) *Markets*—(2) *Contingencies.*—The amount entered is Rs. 850 against Rs. 550 provided in the current year's budget. The increase mainly occurs under the Ariyalúr taluk board which has made provision for watering and rearing the young trees planted by it in the Ariyalúr market. The Musiri taluk board proposes to maintain water-sheds in some of the markets during the hot season.

43. (*e*) *Choultries*—(1) *Establishment.*—In addition to the existing establishment the Musiri taluk board proposes to entertain temporarily during the hot season a water-carrier for each of the chattrams at Kovilpútti and Puttanattam.

44. (2) *Feeding travellers.*—The Ariyalúr taluk board has made provision for feeding travellers in the Puduchavadi chattram. Rs. 600 being the estimated cost of expenditure for the next year is entered in the budget. It will be met from the endowment.

45. (*g*) *Contributions*—(2) *Municipalities.*—The Trichinopoly taluk board, which proposed at the last budget meeting of November 1893 to reduce the contributions to Trichinopoly and Srírangam municipalities from Rs. 3,000 and Rs. 1,500 to Rs. 1,500 and Rs. 500, respectively, has now restored the original figures. Provision is made also for the payment of the amount of Rs. 2,500 not provided for in the current year's budget by way of reduction. It will be paid next year. This fact accounts for the increase under this head.

46. (*h*) *Miscellaneous*—(3) *Miscellaneous.*—The amount entered is Rs. 3,400 against Rs. 2,860 in the current year's budget. The increase occurs mainly under the Musiri and Ariyalúr taluk boards which propose to increase the number of lights in their unions.

47. *Grant IV, Miscellaneous*—(*a*) *Controlling establishment at the Presidency and Pensions.*—The amount advised by the Accountant-General in G.O., dated 4th December 1894, No. 2527 L., has been adopted.

48. (*c*) *Local Board's office establishment.*—The district board has provided for an increase of Rs. 5 to the pay of its second clerk who is at present drawing Rs. 25. This clerk has put in ten years' service and deserves the increase. Provision has been made also to raise the pay of the attender, district board's office, from Rs. 7 to Rs. 8. The Musiri and Ariyalúr taluk boards propose increases to the pay of their clerks. The Musiri taluk board asks for an increase of Rs. 5 and the Ariyalúr taluk board an increase of Rs. 5 to each of these clerks. The pay of the second clerk (attender) and attender in the Musiri and Trichinopoly taluk boards' offices respectively is also proposed to be raised from Rs. 7 to Rs. 8. Provision for those proposed increases, approved by the district board, has been made in the budget. The Ariyalúr taluk board has raised the pay of its peon from Rs. 6 to Rs. 7 in the course of the year (apparently interpreting G.O., dated 17th May 1894, No. 889 L., as authorising this

course) and has made provision in its budget at the increased rate. The district board does not recommend this as the peon at present draws as much pay as the peons of the other taluk boards. Provision is made for raising the pay of the clerk of the Perambalúr union from Rs. 8 to Rs. 10.

49. (*d*) *Contingencies.*—Rs. 4,690 have been provided against Rs. 4,020 in the current year's budget. The increase is mainly due to payment of travelling allowance to non-official members of the district board having been recently sanctioned by the board. Under "miscellaneous" the district board has made provision for the purchase as usual of the "Journal of Education," the "Indian Medical Gazette," the "Maharani" and the "Educational Calendar and Directory." The following additional books are also required: a copy of the "Civil Account Code" with correction slips for the use of the local audit department and "ten copies of the census of 1891, Taluk and Village Statistics" for the use of the district board's office and vaccinators. The Trichinopoly taluk board has provided for a copy of the "Civil Account Code" and one of the "Civil Service Regulations" with correction slips. The Ariyalúr taluk board has provided for the purchase of the "Civil Account Code," "Journal of Education," the "Maharani" and the "Sukhadara Bodhini." The "Educational Calendar and Directory" and "seven copies of Gopaldoss' Tables" or similar books provided for in the current year's budget not having been purchased yet, provision is made for purchasing them next year.

50. *General Remarks.*—The year is expected to close with a balance of Rs. 8,970, of which only Rs. 2,500 are available for general purposes. The whole of this amount relates to the district board. It has been found impossible to have any balance under any taluk board under general funds, or even a reserve of 10 per cent. The reserve left under each is as follows:—

	RS.	PER CENT.
Trichinopoly taluk board	2,090	5
Musiri taluk board	2,840	6
Ariyalúr taluk board	2,590	6
District board	13,590	10

Although the re-settlement about to take place will give a large increase of land-cess, I have thought it best to frame the budget on the present assessments, at Government has not as yet passed orders on the question of the re-settlement, and is scarcely worthwhile to work in the dark and calculate on an increase of revenue without having some idea as to how much it will be. It is certain, however, that there will be a large increase and this renders it less necessary to have a balance of 5 per cent. With the new assessments the year will probably end with a large closing balance, out of which a good deal may be spent in the following year on works which have hitherto had to lie over for want of funds.

(Signed) J. ANDREW,
President.

From J. ANDREW, Esq., President, District Board, Trichinopoly, to the Chief Secretary to Government, dated 29th December 1894, No. 63.

In continuation of this office No. 60, dated 14th instant, I have the honour to submit, herewith, the prescribed statements and the map.

2. I request that the figure, Rs. 57,280 entered in column 6 of the Statement I-B against "Repairs—Communications, Local Fund Department," under district board, may be ordered to be corrected into Rs. 56,280, the balance Rs. 2,500 entered in column 12 being at the same time raised to Rs. 3,500.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th January 1895, No. 305.

I have the honour to state, with reference to the educational portion of the Trichinopoly district board budget for 1895–96, that the provision under the several heads may be adopted with the following modifications and recommendations:—

(i) As regards the allotment for sessional schools, I beg to observe that, while Rs. 240 are provided for the salary of a teacher for *twelve* months, stipends are provided for nine months only. I would recommend that Rs. 180 be added to it, so that the school may be worked throughout the year.

(ii) The rate at which the results stipend is intended to be passed for salary results schools is not noted in Statement IV-A. It is recommended that it be paid at the maximum rates in schools for backward classes and at 75 per cent. in others.

(iii) The provision for the board school proposed to be opened at Chintamanipatti may stand if the school is intended for backward classes.

(iv) For results grants only Rs. 7,100 have been provided as against Rs. 7,000 for the current year and Rs. 7,147, the actuals of 1893–94. Owing to the small allotment under this head, only 48 per cent. of the net cost could be assigned for each school in the E list for the current official year. I beg to recommend that the allotment be increased to Rs. 8,000.

(v) No provision has been made for building or furniture grants to results schools to enable them to fulfil the conditions of recognition. I would recommend that a lump sum of Rs. 500 at least be put down for the purpose.

2. With the above additions, the total expenditure under Grant II will be Rs. 33,160.

From Surgeon Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 5th February 1895, No. 95.

With reference to Grant III of the budget estimate of the District Board, Trichinopoly, for the year 1895–96, I have the honour to state that no provision is made for compensation in lieu of quarters to the medical subordinates for which a sum of Rs. 600 should now be provided.

2. The provision to increase the pay of the sweeper attached to the Musiri dispensary by Re. 1 and to dispense with the services of the toty attached to the Lalgudi dispensary appears necessary.

3. The terms "surgery cooly" and "ward cooly" proposed by the district board for the peon and sweeper attached to the Ariyalúr hospital are not appropriate ones. I would suggest these being changed to "surgery attendant" and "ward attendant."

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now put down at Rs. 2,39,160 and Rs. 2,40,740, respectively, against Rs. 2,20,330 and Rs. 2,38,190 anticipated in the sanctioned budget, the increase in the receipts occurs chiefly under land-cess and tolls. The alterations in the educational, medical, vaccination, sanitary and taluk board's office establishments shown in the proposition statement for 1894–95 are sanctioned.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the ensuing year are estimated at Rs. 2,48,040 against Rs. 2,39,160 in the revised estimate, the increase which occurs chiefly under tolls and house-tax being partly counterbalanced by a decline under land-cess. The enhanced receipts from the latter should render the contributions now paid to unions by the taluk boards capable of still further reduction.

4. *Charges.*—(1) The probable charges are placed at Rs. 2,74,430 against Rs. 2,40,740 in the revised estimate, the increase appearing mainly under Grants I and III and reserve.

(2) *Grant I.*—No expenditure should be incurred on any of the new works provided for in the budget until the estimates for them have been sanctioned by competent authorities. It is presumed that in those cases in which market funds have been granted towards general purposes, the markets concerned are in need of no further improvements. The board would be well advised to restrict the construction of new roads until those already existing are in thoroughly good order. The contribution to the Public Works Department for the scrutiny of the local fund plans and estimates will be reduced from Rs. 480 to Rs. 250 with reference to G.O., dated 12th December 1894, No. 2582 L. Under the circumstances stated by the President the proposed increase of Rs. 50 per mensem in the pay of the Local Fund Engineer will be approved on the understanding that it shall be personal to Mr. Handcock. The proposed increase in the pay of the engineer's accountant from Rs. 30 to Rs. 35 cannot be sanctioned in the absence of any grounds to justify it. The provision under this head will accordingly be reduced by Rs. 60.

(3) *Grant II.*—The alterations in the educational establishments proposed in paragraphs 29, 30, 31 and 33 of the President's letter are sanctioned. The suggestions of the Director of Public Instruction in clauses (i, (ii), (iv) and (v) of paragraph 1 of his letter read above will be referred to the local boards for consideration.

(4) *Grant III.*—The provision for hospitals and dispensaries will be raised by Rs. 600 with reference to paragraph 1 of the Surgeon-General's letter read above. It is not however probable that the maximum amount of compensation will be required in each case. The alterations in the dispensary establishments proposed in paragraph 36 of the President's letter are sanctioned and the attention of the Ariyalur taluk board will be drawn to the suggestion made by the Surgeon-General in paragraph 3 of his letter. The allotments for vaccination and sanitation will be passed subject to the remarks of the Sanitary Commissioner which should be expedited. Under contributions to Provincial services for the medical college and medical reserve staff, the actuals of the previous year will be repeated and the provision for cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L. The allotments made for lighting the unions of Kulittali, Turaiyúr, Káttupputtúr, Perambalur and Kílappaluvúr will be passed, but provision for lighting should be made with caution, as the taluk boards concerned are required by section 142 of the Local Boards Act to find the funds for this purpose.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency will be raised from Rs. 1,580 to Rs. 1,770 with reference to G.O., dated 4th December 1894, No. 2527 L. The revision of the district and the taluk boards' office establishments proposed in paragraph 48 of the President's letter relating to the budget is sanctioned.

5. *Balance.*—The budget, as revised by Government, closes with a balance of Rs. 24,080. Of this sum, Rs. 310 appertain to unions and Rs. 6,310 to endowed institutions, leaving Rs. 17,460 or 8 per cent. of the receipts available for general purposes.

6. The President's letter should have been paragraphed continuously and not in two portions.
