Revised Estimate for 1894-95.

2. The current receipts and charges are now estimated at Rs. 340040 and Rs. 378190 respectively, against Rs 336,380 and Rs. 350730 in the sanctioned budget. The increase in the receipts occurs chiefly under tolls and that in the charges under Grants I, II & III. The District Boards relinquishment of grants to forego its share of the Vizagapatam Municipal tolls and the reduction in to reduce its share of the Anakapalle Municipal tolls from 60 to 30 percent its proposal to take over and to take up the management of the Turner's Pontoon bridge, receiving from the Municipal council of Vizagapatam the full amount of tolls realized at the bridge, are approved. It is presumed that the additional allotments provided under certain of the heads have since been sanctioned

sanctioned by the local boards concerned.

The reduction in the Standard of the Gajapatinagaram middle school & the abolition of the [illegible] schools under the Vizianagaram Taluk Board, referred to in paras 20 and 21 respectively of the revised estimate memorandum, are ~~can~~ approved.

The reduction in the Standard of the Gajapatinagaram middle school referred to in para 20 of the revised Estimate memorandum is approved.

Budget Estimate for 1895-96.

3. The receipts for the ensuing year are placed at Rs 350,300 against Rs 340,040 in the revised estimate, the increase being principally under land-cess, house-tax and contribution from provincial funds for education. The credit taken under this last head will be reduced from Rs 8820 to Rs 7,500, with reference to clause (1) of the Director's letter read above.

4. Charges. (1) The charges are put down at Rs. 3,68,520 against Rs. 378,190 in the revised estimate, the decrease appearing mainly under Grants I & III and being partly counterbalanced by an increase under Reserve.

(2) Grant I. None of the new

new works provided for in the budget should be commenced until their plans and estimates for them have been sanctioned by Competent authorities. The Contribution to the Public Works Department for the Scrutiny of local fund plans and estimates will be raised by Rs 440, with reference to G.O. dated 12th December 1894 No. 2582 L.

(3) Grant II The entertainment of 4 teachers on Rs 25 each for 4 months for the sessional schools, the conversion of the Secondary School maintained on the salary system at Gajapatinagaram into one on the salary Result system; the reduction of the salaries of the Head Master of the Chodavaram and the fifth Master of the Parvatipuram Middle

middle schools and the abolition of the establishments entertained in the primary schools referred to in para. 41 of the President's letter are sanctioned. The remaining additions to and alterations in the educational establishments proposed in paras. 35 to 38 of the President's letter cannot be approved in the absence of any grounds to justify them. ~~The allotment for building grants will be raised by Rs 150 with reference to clause (ii) of the Director's letter and~~ the attention of the Taluk Boards concerned will be drawn to Ms of the Director of Public Instruction suggestions in clauses ~~(i)~~ (ii) & (iii) of his letter.

(4) Grant III. ^ The remarks of the ~~Surgeon General and the~~ Sanitary Commissioner on the allotments for ~~Medical Services~~ Vaccination

^ The provision for hospitals and dispensaries will be raised by Rs 940 as recommended by the Surgeon-General in his letter read above. It should be remembered however that under G.O dated 24th January 1895, No 154 L, a Compensation of Rs 5 per mensem is the maximum that can be allowed to each hospital assistant. The increases to the salaries of the cook attached to the Chipurupalli hospital and the head clerk of the District Surgeon's office referred to in paras. 4, 5 and 50 of the Resolution cannot be sanctioned as the Govt. is not satisfied of their necessity.

Note: These increases in Educational Establishments have usually been sanctioned without question although any increase in the pay of Assistants has been very jealously watched. The consequence is that almost every District Board Budget now contains a shoal of them. They are invariably entered solely on the recommendations of the Inspectorate Staff. These recommendations and indeed the greater portion of the Educational Budget estimates are the opinions of the Inspecting School Masters & S.S.A.s' Inst.s which are usually written in red ink. It is submitted that under the system pursued will also be recommended in future any additional cadres that some check over these should be maintained.

With reference to Clause (ii) of his letter the D.P.I. will be informed that Rs 1600 have been provided under Grant I for constructing school-houses.

Vaccination and Sanitation will be awaited. The proposal of the Vizagapatam taluk boards to contribute Rs. 100 to the Vizagapatam Municipality for the upkeep of the water pandal of the Kendriya Vidyalaya referred to in para. 57 of the letter is approved.

The provision of Rs 40 for contribution to provincial funds on account of the cutlers' establishment will be struck out with reference to G.O. dated 18th January 1895 No. 97 L.

(5) Grant IV. The contribution for controlling establishments at the Presidency should be Rs 2230 and not Rs 2200. 5. Reserve & Balance. Owing to want of funds a sum of Rs ~~15,950~~ 15350 or only 4.4 per cent of the receipts has been provided under reserve and the budget as revised by Govt. closes with a balance of Rs 8630, of which Rs 1180 appertain to unions and Rs. 7450 to endowed institutions, leaving no balance available for general purposes. Note.

The shortness of funds is mainly due to the sum under Grant III (Hospitals & Dispensaries (it totals to Rs 6030) as much as Rs. 3190 is caused by the new Gosha Hospital at Vizag. to which Raja Sahaboth Rao has just given a building. GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From F. D'A. O. WOLFE-MURRAY, Esq., President, District Board, Vizagapatam, to the Chief Secretary to Government, dated Vizagapatam, 31st December 1894, No. 1149.

I have the honour to submit herewith the revised estimate of the local boards of this district for 1894–95, together with the budget estimate for 1895–96, prepared in accordance with the instructions contained in G.O., dated 14th September 1885, No. 728 L.F.

REVISED ESTIMATE FOR 1894–95.

2. The total receipts during the year 1894–95, according to the revised estimate now submitted, amount to Rs. 4,05,792, of which Rs. 3,78,195 will be expended during the year, leaving a closing balance of Rs. 27,597, or Rs. 27,600 in round figures.

3. A memorandum explaining the various items dealt with in the revised estimate is enclosed.

BUDGET ESTIMATE FOR 1895–96.

Receipts.

4. *Opening balance, Rs.* 27,600.—The closing balance of the revised estimate is adopted as the opening balance of the budget estimate for 1895–96. The balances carried forward by the local boards are as shown below :—

		RS.
District board	.. ..	15,065
Taluk board, Narasapatnam	.. ..	1,680
Do. Vizagapatam	.. ..	1,867
Do. Vizianagram	.. ..	4,669
Do. Párvatípuram	.. ..	4,319
Total	..	27,600

5. *Rates and Taxes—(a) Cess on Land.*—The arrears of previous years remaining uncollected at the close of the year 1894–95 are estimated at Rs. 30,000; the demand for the current year is set down at Rs. 2,62,455. Of the total demand of Rs. 2,92,455, Rs. 2,64,455 against Rs. 2,61,650 entered in the current year's budget will probably be collected during the year, leaving a balance of Rs. 28,000.

6. *(b) Tolls under Act V of* 1884, *Rs.* 35,640.—The revised estimate figure, Rs. 35,640, is entered under this head.

7. *Contributions from Municipalities, Rs.* 7,480.—As stated in the memorandum explaining the revised estimate, the district board was obliged to forego its share of the Vizagapatam municipal tolls, and to reduce its share of the Anakápalle municipal tolls from 60 per cent. to 30 per cent. to enable the municipalities to bear the loss of toll revenue caused by the opening of the railway. The revised estimate figure is therefore put down here also.

8. *(c) House-tax.*—Rs. 10,170 is the amount which the taluk boards expect to realise under this head. All the taluk boards expect an increase over the current

year's budget figures which is due to revision of house-tax in some unions and to the inclusion of Balighottam and Boddapalle in the Narasapatnam union and Kotta Belgam and Gollapalle in the Párvatípuram and Bobbili unions.

9. (2) *Education—(a) School-fees.*—Rs. 10,370 are expected under this head against Rs. 9,780 entered in the current year's budget. The increase is due to the raising of the standards of certain schools.

10. (*b*) *Contributions from Private Individuals—Education, Rs.* 360.—This is the amount annually paid by the Proprietor of the Kasimkóta Estate towards the maintenance of the secondary school there.

11. (3) *Medical—(3) Contributions from Private Individuals.*—Rs. 500, being the amount of contribution annually paid by the Rajah of Bobbili, are put down under this head.

12. (5) *Miscellaneous—(b) Choultry Rents.*—The taluk boards expect to realise Rs. 1,010 from the rents of the lands belonging to the choultries under their charge and fees collected therein.

13. (*c*) *Market Rents.*—Rs. 4,220 is the income expected under this head against Rs. 3,800 entered in the budget for the current year. The Narasapatnam taluk board expects to realise Rs. 100 from fees at the new market at Chódavaramu. The Vizagapatam taluk board expects only Rs. 750 on account of fees at Kottavalasa. The Vizianagram taluk board expects to get Rs. 1,000 from the Palkonda market and Rs. 400 from the new market proposed to be opened at Chípurupalle. The Párvatípuram taluk board expects to get Rs. 1,970 from the markets at Párvatípuram and Sálúru. The Belgam and Mérangi markets where fee system was tried by the taluk board having proved a failure, they were given up.

14. (*f*) *Ferry Rents.*—The income derived this year by the sale of the right of collecting fees at the Sankili and Marripenta ferries under the charge of the district board is entered under this head.

15. (*h*) *Fishery Rents.*—The Vizianagram taluk board expects to get Rs. 500 by the sale of fish in the tanks under its charge.

16. (6) *Public Works—(d) Contributions from* (1) *Municipalities.*—Rs. 900 are put down under this head as the amount to be realized by the sale of tolls at the Turner's Pontoon bridge which the Vizagapatam municipal council agreed to pay annually to the district board as contribution towards the cost of maintaining the bridge.

17. (3) *From Private Individuals, Rs.* 150.—This is the amount annually paid by the Proprietor of Kasimkóta towards the upkeep of the union roads.

18. (7) *Contributions from Provincial Funds—(a) Education and Building Grants.* —Rs. 8,820 is the amount put down by the taluk boards under this head against Rs. 5,100 entered in the current year's budget. The details are given below :—

24. (*b*) *Repairs*—(1) *Communications, Rs.* 1,26,620.—The advent of the East Coast Railway necessitated the increase of maintenance grants of certain roads leading to the railway stations and reduction in the maintenance grants of a few other roads adversely affected by the railway. Rs. 2,400 are provided by the district board for the upkeep of 12 miles of the Bhimasinghi-Srungavarapukota road which has been completed and opened for traffic. On the recommendation of the District Surgeon, the Board has sanctioned an increase of Rs. 10 to the pay of the head clerk as he has had no promotion for a long time.

51. (*b*) *Vaccination*—(1) *Fixed Charges.*—Rupees 7,500 are provided under this head as shown below. The increase is due to provision having been made to pay travelling allowance to vaccinators attached to the itinerating calf vaccination depôts :—

55. (3) *Scavenging Establishment.*—Rupees 12,080 have been provided under this head against Rs. 11,700 entered in the budget for the current year. The alterations made by the taluk boards in the scavenging establishments are as follows :—

The pay of the maistry attached to the conservancy establishment at Narsapatnam is raised from Rs. 7-8-0 to Rs. 10. Four additional sweepers on Rs. 3-8-0 each have been proposed to be entertained at Kasimkóta. The Párvatípuram taluk board provided funds for the entertainment of a sweeper on Rs. 3 for conserving the village of Kotta Belgam newly included in the Párvatípuram union. Two male sweepers on Rs. 3 each and two female sweepers on Rs. 2 each are added to the Bobbili Conservancy establishment.

57. (*g*) *Contribution to* (1) *Medical College.*—Rs. 640.

58. (2) *Sanitary Inspection.*—Rs. 1,200.

59. (4) *Cutlers' Establishment.*—Rs. 40.

The figures given against the above heads have been put down with reference to actuals of 1893-94.

60. (*g*) *Contributions to* (3) *Municipalities, Rs.* 3,300.—Rupees 500 and Rs. 300 are the annual contributions paid by the Narasapatnam and Vizianagram taluk boards, respectively, towards the cost of the hospitals at Anakápalle and Bimlipatam. Rupees 2,400 are provided by the district board on account of contribution to the civil hospital, Vizagapatam. In addition to this, the Vizagapatam taluk board provided Rs. 100 as contribution to the Vizagapatam municipality for the upkeep of the water-pandal maintained in the Collector's office compound at the cost of the local funds for a very long time. Under G.O., No. 1176 L., dated 25th June 1894, the management of this water-pandal has had to be transferred to the municipality, but its resources do not bear the charge. The taluk board has therefore allotted this sum to help the municipality as the maintenance of the water-pandal is indispensable, considering the large number of people who daily attend the public offices, which are all very close to the Collector's office.

61. (*h*) *Miscellaneous*—(4) *Refunds.*—Rs. 750 are provided under this head by the Párvatípuram taluk board for repayment from "market funds" of the loan granted by the district board during the current year for improving the Párvatípuram market.

62. The total expenditure under Grant III amounts to Rs. 74,390.

63. *Grant IV, Miscellaneous*—(*a*) (2) *Audit Establishment.*—Under G.O., No. 1289, dated 31st May 1892, the local audit clerk is required to be away from head-quarters for two weeks in the month, and inspect the special fund and union accounts. In a district like Vizagapatam, the employment of a peon or attender to accompany him on such occasions is found necessary. The man will also do when at head-quarters to relieve the auditor and accountants in the Treasury Deputy Collector's office of a great deal of non-clerical work which now takes up a lot of their time. The board has therefore sanctioned the entertainment of a peon on Rs. 7. The Revenue Board's Proceedings, No. 363, dated 22nd June 1893, authorises the entertainment of a peon to the local audit establishments in districts, where it is found necessary.

64. (*c*) *Local Board's Office Establishment.*—The district board's office establishment has at present one head clerk on Rs. 70 per mensem, 2nd clerk on Rs. 35, 3rd clerk on Rs. 25, and two clerks on Rs. 15 each, and one attender on Rs. 7-8-0. Instead of having two clerks on Rs. 15, the board proposes to increase the pay of the senior clerk who deserves promotion to Rs. 20, and to raise the pay of the attender to Rs. 10 per mensem in order to secure the services of one who has the intelligence to bundle up papers properly, and rule the statements, &c., which take up much time of the clerks. The Narasapatnam taluk board increased the pay of the office attender from Rs. 8 to Rs. 10 per mensem. The pay of the Vizianagram taluk board office peon is raised from Rs. 4 to Rs. 5. The pay of the attender of the Párvatípuram taluk board's office is raised from Rs. 10 to Rs. 12.

65. The expenditure under Grant IV is estimated at Rs. 18,950.

66. The grand total expenditure including reserve amounted to Rs. 3,69,274.

ENCLOSURE.

REVISED ESTIMATE FOR 1894-95.

Receipts.

Balance, Rs. 65,747.—The balance at the close of the year 1893-94 communicated by the Inspector of Local Fund Accounts in his result statement No. A.A.Z.29-L., dated 25th September 1894, on the supplemental account for March 1894, has been

adopted as the opening balance of the revised estimate. The increase compared with the balance entered in the budget is chiefly due to short expenditure under Grant I in 1893-94.

2. (1) *Rates and Taxes*—(*a*) *Cess on Land, Rs.* 2,58,720.—There was a balance of Rs. 26,264, including arrears of previous years, remaining uncollected at the close of last year. The demand for the current year is Rs. 2,62,455. Of the total demand of Rs. 2,88,719, I expect to realize Rs. 2,58,719, leaving a balance of Rs. 30,000 to be collected in 1895-96.

3. (*b*) *Tolls under Act V of* 1884, *Rs.* 35,640.—The right of collecting tolls at the seven toll bars under the management of the district board was leased out for Rs. 35,640. The whole of this will be collected before the end of the year.

4. *Contributions from Municipalities, Rs.* 7,480.—The Vizianagram, Bimlipatam and Anakápalle municipal tolls were sold for the current year for Rs. 27,510, as shown below:—

Name of municipality.	Amount of tolls.	District board's share.	Remarks.
	Rs.	Rs.	
Vizianagram	15,000	3,750	25 per cent.
Bimlipatam	5,510	1,377	25 ,,
Anakápalle	7,000	2,100	30 ,,
Total ..	27,510	7,227	

The contributions payable to the district board in the ratio noted against each municipality amount to Rs. 7,227, which will be collected before the close of the year. The Vizianagram municipal council paid Rs. 250 during the current year on account of arrears of last year. The district board was obliged to entirely forego its share of the Vizagapatam municipal tolls and to reduce its share of the Anakápalle municipal tolls from 60 to 30 per cent. to enable the municipal councils to bear the loss of their toll revenue caused by the opening of the railway.

5. (*c*) *House-tax.*—The taluk boards expect to realize Rs. 9,290 against Rs. 8,800 entered in the budget.

6. (2) *Education—Miscellaneous.*—Rs. 150 are put down under this head against Rs. 10 entered in the budget. The increase is due to the stipends refunded by a teacher trained by the board owing to his having severed his connection with the board and accepted employment elsewhere.

7. *Miscellaneous—Contributions from private individuals.*—The taluk boards expect to realize only Rs. 430 against Rs. 1,100 entered in the budget. Contributions paid by people who are interested in the improvement of water-supply are generally credited to this head. Owing to copious rains during the year, many such improvements are not found necessary.

8. *Ferry rents.*—The right of collecting fees during the current year at the Sankili and Marripenta ferries under the management of the district board was sold for Rs. 375 against Rs. 250 entered in the budget.

9. *Public Works*—(*d*) *Contribution from Municipalities.*—Rs. 750 were entered in the budget under this head as moiety of the cost of repairs to the Vizagapatam Turner's Pontoon bridge payable to the district board by the municipal council. It has now come to an agreement with the district board and promised to pay to the district board the full amount of tolls realized at the bridge, on the understanding that the bridge should be managed by the district board itself as part and parcel of the through communication from Vizagapatam to Anakápalle. The amount realized during the current year by the sale of the Turner bridge tolls (Rs. 970) is therefore entered under this head.

10. *Allotments from District Funds.*—Rs. 35,190 have been entered in the budget as allotments to taluk boards. Out of Rs. 20,530 allotted to the Narasapatnam taluk board, only Rs. 16,000 will be required, while the grants made to the other taluk boards have been supplemented by a sum of Rs. 4,005. Rs. 34,665 have therefore been put down in the revised estimate.

11. The total receipts according to the revised estimate, including the opening balance, amount to Rs. 4,05,792.

Expenditure.

12. *Grant I, Public Works*—(*a*) *New Works—Communications Rs.* 25,320.—No new works were provided for by the local boards when the budget was prepared. Rs. 15,000 were allotted for payment of compensation for the lands taken up for the Narasapatnam-Waddadi road. Out of this, Rs. 13,000 only are required. This amount has been placed at the disposal of the Head Assistant Collector for payment according to the statement furnished by him. Subsequent allotments made by the local boards for a large number of petty works amounted to Rs. 11,644. The only important items of the list are Rs. 5,000 for completing the construction of the Bhimasingy-Srungavarapukota road, Rs. 1,133 for payment of compensation for lands taken up for the Razam-Pondur road in the previous years and Rs. 1,186 for payment of the district board's share of the cost of certain materials purchased by the Vizagapatam municipality in 1892 when the bridge was under its charge. Rs. 25,320 are put down in the revised estimate under this head, providing also for a few works sanctioned by the local boards in November 1894.

13. (2) *Civil Buildings.*—The taluk boards provided Rs. 2,500 for constructing an hospital at Razam and Rs. 2,000 for constructing a school building at Narasapatnam and a native rest-house at Belgam. Subsequent allotments made from time to time amounted to Rs. 4,111. The amount available for expenditure is Rs. 8,611. In addition to this the Vizagapatam taluk board expect to spend about Rs. 840 for constructing a dead-house at Jami and a school building at Lakavarapukota. The construction of the Razam hospital building has not yet been taken in hand. The Engineer has been ordered to commence the work at once and will probably spend at least Rs. 1,000 on it before the close of the year. Rs. 7,950 are therefere entered in the revised estimate.

14. (3) *Miscellaneous Public Improvements.*—Rs. 2,750 were provided in the budget for improving the markets at Párvatípuram, Sálúru, Chípurupalle and Mérangi. Subsequent allotments made for the cost of compensation for the market site at Gajapatinagaram, for constructing a compound wall to the Chípurupalle market, for digging a well in the Palkonda market and for constructing a few latrines and side drains, &c., in unions amounted to Rs. 1,129. A further sum of Rs. 750 is required by the Párvatípuram taluk board for improvements in the Párvatípuram market. This has been given as a loan from the district funds. Rs. 4,630 are therefore entered under this head.

15. (*b*) *Repairs*—(1) *Communications.*—Rs. 1,16,580 are put down in the budget for the repairs of the roads under the charge of the district and taluk boards. A further sum of Rs. 5,888 has been subsequently allotted. The most important of the items is Rs. 4,000 for remetalling the Ramabhadrapur-Intikavaiasa road which was taken in hand last year and remained incomplete at its close. The taluk boards require little more than what has already been provided for. The total expenditure under this head is estimated at Rs. 1,23,740.

16. (3) *Miscellaneous Public Improvements.*—Rs. 12,540 were provided in the budget for maintaining avenues on the roads under the charge of the local boards. A further sum of Rs. 226 has since been allotted for repairing sheds in the Kottavalasa market. The total grant of Rs. 12,766 will be expended before the close of the year.

17. *Other Establishment Charges.*—No expenditure will be incurred under this head this year.

18. The total expenditure under Grant I, according to the revised estimate, amounts to Rs. 2,17,640.

19. *Grant II, Education—(a) Inspection.*—Rs. 4,460 is the amount entered in the budget under this head. Rs. 31 have been allotted subsequently to meet contingent charges. A further sum of about Rs. 100 will be required to meet the cost of miscellaneous articles supplied to inspecting schoolmasters.

20. *(c) Secondary Schools—Salary System—(1) Salaries of Masters.*—The amount provided under this head including Rs. 72 subsequently allotted by the Narasapatnam taluk board comes to Rs. 11,092. The estimated expenditure entered in the revised estimate is Rs. 10,890. The decrease is due to savings effected by reducing the standard of the Gajapatinagaram Middle school.

21. *Salary-result System—(1) Salaries of Masters.*—Rs. 3,080 are put down under this head against Rs. 3,160 provided in the budget. The reduction is due to the abolition of two schools in the Vizianagram taluk board.

22. *(d) Elementary Schools—Salaries of Masters.*—Rs. 17,500 are put down under this head against Rs. 17,290. The increase occurs under the Narasapatnam taluk board which appears to have sanctioned the opening of a few more schools than those entered in the budget.

23. *Salary-result System Schools—Results Grants.*—The Párvatípuram taluk board expects that the expenditure under this head will exceed the budget allotment.

24. *Miscellaneous.*—Rs. 4,120 are put down under this head against Rs. 3,800 shown in the budget. The increase is due to supply of furniture to some of the primary schools.

25. *Grants-in-aid—Results Grants.*—At the request of the assistant inspector of schools, the district board gave a grant of Rs. 800 to the Párvatípuram taluk board to meet the results grants earned by the aided schoolmasters to supplement the grant of Rs. 700 already made in the budget.

26. The total expenditure under Grant II is estimated at Rs. 64,600.

27. *Grant III, Medical Services, &c.—(a) Hospitals and Dispensaries—(2) Medical Subordinates.*—Rs. 10,590 have been provided by the taluk boards to meet the salaries of the medical subordinates under their charge. The salaries of the female apothecaries stationed at Vizianagram and Bobbili are paid by the district board, that of the apothecary stationed at Vizagapatam being paid by the Rajah G. N. Gajapati Rao, C.I.E. They will amount to Rs. 1,200. The total expenditure under this head is therefore estimated at Rs. 11,790.

28. (3) *Proportionate cost of Reserve Hospital Assistants.*—Rs. 300 were put down in the budget for expenditure under this head. No hospital assistant having been supplied by the Surgeon-General, the item is struck out.

29. (4) *Clerks and Servants.*—The budget allotment under this head including subsequent allotments amounted to Rs. 4,230. Adding to this Rs. 250 on account of cost of compounder and other servants of the female hospital, Vizagapatam, Rs. 4,480 are put down in the revised estimate.

29A. (6) *Diet of Patients.*—The taluk boards of Vizianagram and Párvatípuram, reduced the allotments entered in the budget by Rs. 200. The cost of diet of in-patients at the Gosha Female Hospital, Vizagapatam, is estimated at Rs. 360. Rs. 1,940 are therefore put down in the revised estimate.

30. (8) *Medicines and Surgical Instruments.*—Rs. 7,240 are put down in the revised estimate against Rs. 3,950 entered in the budget. The increase is due to the district board having provided Rs. 1,080 for the cost of medicines, &c., supplied to the Gosha Female Hospital at Vizagapatam and a few additional allotments having been made by taluk boards in November 1894.

31. (10) *Midwives and Midwifery Pupils.*—The allotment of Rs. 2,400 provided to meet the salary of the midwives employed in the district has been reduced to Rs. 2,230 owing to the midwife at Palkonda having been absent from duty since July last. Three midwifery pupils having been sent for training in November last, their pay Rs. 110 is provided for. The total amount entered in the revised estimate is therefore Rs. 2,340.

32. *(b) Vaccination—(2) Contingencies.*—In addition to Rs. 4,000 provided in the budget to meet the vaccination contingent charges including rewards for extra cases done by vaccinators, Rs. 1,200 have been provided in November for grants earned by vaccinators during the previous year.

33. *(c) Sanitation—(2) Improvement of Village-sites.*—Rs. 5,030 is the estimated expenditure under this head against Rs. 3,910 entered in the budget. The increase is due to petty sums allotted subsequently by taluk boards for cleaning village-sites.

34. The total expenditure under Grant III is estimated at Rs. 76,510.

35. The estimated grand total expenditure under all grants during the current year amounts to Rs. 3,78,195 and leaves a balance of Rs. 27,597 to be carried forward to the ensuing year's budget.

From the President, District Board, Vizagapatam, dated 31st December 1894, Endt. No. 823.

ABSTRACT.—Submitting statement showing the proportion of the general Local fund receipts of each local board estimated to be spent on the several services in the Vizagapatam district in 1895–96.

From the Honorable Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 16th January 1895, No. 336.

I have the honour to state that I approve of the budget proposals of the Vizagapatam district board for 1895–96, so far as they relate to education, subject to the following modifications:—

			Rs.
* Building grants	...	...	750
Salary and other grants	...	...	6,750
Total		...	7,500

(i) The estimated amount of Provincial grant may be reduced to Rs. 7,500 * as payment of new and increased salary grants is in abeyance for want of funds, and as the reduced allotment for building grants will not admit of more than Rs. 750 being reserved for the district.

(ii) With a view to enable the managers of private schools to satisfy the requirements of the educational rules, I would recommend that the allotment of Rs. 450 for building and furniture grants be raised to Rs. 600.

(iii) The Narasapatam and Vizagapatam taluk boards have proposed to pass stipends at 75 per cent. of the maximum rates in favour of certain elementary board schools and at 50 per cent. in favour of others, with a few exceptions. I would recommend that a uniform rate of 75 per cent. be passed for all caste schools and the maximum rates for all the Panchama and Muhammadan board schools.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 12th February 1895, No. 137.

With reference to Grant III of the budget estimate of the district board, Vizagapatam, for the year 1895–96, I have the honour to state that the pay provided for the medical subordinate attached to the Veeraghottam dispensary should be increased from Rs. 472 to Rs. 630 as he will complete fourteen years' service on the 30th June 1895.

2. No provision having been made for compensation in lieu of quarters to the hospital assistants, a sum of Rs. 780 should now be provided.

Order—dated 25th February 1895, No. 346 L., Local and Municipal.

The estimated local fund receipts and charges of the Vizagapatam district for 1895–96, as passed by Government, are compared below with the budget and revised estimates for 1894–95 and the actuals of 1893–94 :—

Revised Estimate for 1894–95.

2. The current receipts and charges are now estimated at Rs. 3,40,040 and Rs. 3,78,190, respectively, against Rs. 3,36,280 and Rs. 3,50,730 in the sanctioned budget. The increase in the receipts occurs chiefly under tolls and that in the charges under Grants I, II and III. The district board's relinquishment of its share of the Vizagapatam municipal tolls and the reduction in its share of the Anakápalle municipal tolls from 60 to 30 per cent., and its proposal to take over the management of the Turner's Pontoon bridge, receiving from the municipal council of Vizagapatam the full amount of tolls realized at the bridge, are approved. It is presumed that the additional allotments provided under certain of the heads have since been sanctioned by the local boards concerned. The reduction in the standard of the Gajapatinagaram middle school, referred to in paragraph 20 of the revised estimate memorandum, is approved.

Budget Estimate for 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 3,50,300 against Rs. 3,40,040 in the revised estimate, the increase being principally under land-cess, house-tax and contribution from provincial funds for education. The credit taken under this last head will be reduced from Rs. 8,820 to Rs. 7,500, with reference to clause (i) of the Director's letter read above.

4. *Charges* (I).—The charges are put down at Rs. 3,68,520 against Rs. 3,78,119 in the revised estimate, the decrease appearing mainly under Grants I and III and being partly counterbalanced by an increase under reserve.

(2) *Grant I.*—None of the new works provided for in the budget should be commenced until the plans and estimates for them have been sanctioned by competent authorities. The contribution to the Public Works Department for the scrutiny of local fund plans and estimates will be raised by Rs. 440, with reference to G.O., dated 12th December 1894, No. 2582 L.

months for the sessional schools, the cessation of the secondary school maintained on the salary system at Gajapatinagaram into one on the salary-result system, the reduction in the salaries of the headmaster of the Chódavaramu and the fifth master of the Párvatípuram middle schools, and the abolition of the establishments entertained in the primary schools referred to in paragraph 41 of the President's letter, are sanctioned. The remaining additions to, and alterations in, the educational establishments proposed in paragraphs 35 to 38 of the President's letter cannot be approved in the absence of any grounds to justify them. The attention of the taluk boards concerned will be drawn to the suggestions of the Director of Public Instruction in clauses (ii) and (iii) of his letter.

(3) *Grant II.*—The entertainment of four teachers on Rs. 25 each for four

(4) *Grant III.*—The provision for hospitals and dispensaries will be raised by Rs. 940 as recommended by the Surgeon-General in his letter read above. It should be remembered, however, that, under G.O., dated 24th January 1895, No. 154 L, a compensation of Rs. 5 per mensem is the maximum that can be allowed to each hospital assistant. The increases in the salaries of the cook attached to the Chipurupalle hospital and the head clerk of the district surgeon's office, referred to in paragraphs 45 and 50 of the President's letter, cannot be sanctioned as the Government is not satisfied of their necessity. The remarks of the Sanitary Commissioner on the allotments for vaccination and sanitation will be awaited. The proposal of the Vizagapatam taluk board to contribute Rs. 100 to the Vizagapatam municipality for the upkeep of the water pandal referred to in paragraph 60 of the President's letter is approved. The provision of Rs. 40 for contribution to provincial funds on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency should be Rs. 2,230 and not Rs. 2,200. The alterations in the district and taluk boards' office establishments proposed in paragraph 64 of the President's letter, excepting the increase of the salary of the attender of the Párvatípuram taluk board's office from Rs. 10 to Rs. 12, the necessity for which is not apparent, are sanctioned.

5. *Reserve and Balance.*—Owing to want of funds a sum of Rs. 15,250, or only 4·4 per cent. of the receipts, has been provided under reserve, and the budget, as revised by Government, closes with a balance of Rs. 8,630, of which Rs. 1,180 appertain to unions and Rs. 7,450 to endowed institutions, leaving no balance available for general purposes. Savings should be effected in the ensuing year wherever possible.
