To the Commissioner of Coorg.

Sir,

In forwarding herewith copy of a resolution
of the Dist Board passed at its meeting held
on the 8th September last, I have the honor to
request that a sum of Rs 13,000 may be
contributed by your Government towards
the cost of constructing the Kootopoya
bridge which is situated on the Tellicherry
- Coorg road at the Coorg boundary.

2. I enclose a tracing of the Kottayam
Taluk showing the road between Tellicherry
& Coorg. It shows that between Dittie and
Kootopoya the road serves only one village,
in this district is Kannothe consisting of
3 mud huts - from Dittie to Kootopoya
the road is maintained solely for the
benefit of the inhabitants of Coorg, and
it ^{seems} ~~seems~~ only fair, therefore, that the
Coorg Government should contribute
towards its upkeep.

3. Strictly speaking the Coorg Govern-
ment should pay the whole of the
cost of ^{constructing} ~~maintaining~~ a bridge at

may
Kootoopaga, and I don't think, therefore,
that the Malabar Dist Board's
-action requests that the Coorg govern-
-ment should pay half the cost of
Constructing a new bridge to be un-
-reasonable.

From,

H. Moberly Esquire,

President District Board, Malabar
Calicut.

To,

The Chief Secretary to Government
Madras.

Sir,

In forwarding herewith copy of a
letter from the Chief Commissioner of Coorg, dated
29th November 94 N^o $\frac{2137}{161-94}$, I have the honour to
request that Government will be pleased to address
that officer for paying to the Malabar District
Board a contribution of Rupees 13,000 being
one half of the cost of constructing the Kootoppaya
bridge which is situated on the Tellicherry-Coorg
road at the Coorg boundary.

2. The circumstances under
which the District Board resolved to ask for
this contribution from the Coorg Government are
explained in my letter to the Commissioner of
Coorg, dated 7th November 94 Reference on C. N^o
 $\frac{3393}{27}$ of 94, a copy of which is herewith
submitted for the information of Government.

In this Connection, I also beg to invite the attention of Government to my letter dated 29th November 94 Reference on C. No. 3029 of 94 from which it will be observed that the portion of the Tellicherry Coorg road from Drilly to the Coorg boundary at Kooloopoya where the bridge is proposed to be constructed is maintained solely for the benefit of the Coorg State, and it is only reasonable therefore that that the Coorg Government should pay at least one half of the cost of constructing the bridge.

3. The sanction of Government to the Estimate of Rupees 26,000 for constructing the above bridge was recently received (vide F.O. No. 3141 dated 7.12.94), and the work will be put in hand as soon as possible.

4. At its meeting of the 8th September 94, the District Board resolved to apply to the Coorg Government for a contribution of Rs. 13,000 for the construction of the bridge. A copy of the resolution is herewith submitted.

I have the honour to be
