Though the above revision was sanctioned only for 1892-93 / Vide Go 367 L / 12-2-92 it was continued up to date. In April 1894, the Supervisor Naidupet Sub Division was dismissed and the establishment also abolished. As the revision was only a temporary one in fact (though shown as permanent in all the registers &c by mistake) I have first ordered that the old scale should be adopted with the exception of the appointment of two additional Overseers owing to want of funds. The services of the two lascars of the Overseers were therefore dispensed with. But the adoption of the old Scale even in other cases causes many changes and affects the pay of all overseers. It is therefore suggested that the proposals made in the enclosed statement may be approved.
