The Services of ten out of the twenty of these
maistries have since been dispensed with. Vide
G.O. of 21-6-94 No 1448 L. Should G.O. of
6-7-94 No 1643 L be now modified and the
President directed to debit the Cost of the
maistries to works, instead of establishment,
in calculating the percentage of the Cost of
the Local Fund Engineering establishment to the
outlay on works, so as to conform to the practice
obtaining in the other districts? There would
seem to be no objection to this being done. If
it is not ordered, the fact that the Maistries
pay is excluded in calculating the percentage
will probably be again brought up in review-
ing administration reports, as it was this year,
and more explanations be called for. The G.O.
referred to did not deal with this part of
the question and requires to be added to

~~G. MacWATERS~~, Esq.,

President, District Board, Salem.

To

The Chief Secretary to Government,

Local and Municipal Department,

Madras.

Sir,

With reference to the concluding portion of para 4(1) of G. O dated 13th October 1894, No. 2037, I have the honor to state that the Local Fund Maistries in this District were till August 1891, paid from works as in other Districts.

These maistries were nominally temporary, but really permanent throughout the year. As I found that they were ill-educated, and that latter class of people could not

he got to take the place of
 temporary maistries. I proposed
 in my letter to Government dated
 22nd June 1891 no. 1263 that they ^{in p^o} ^{1643 L}
_{govt} 6-7-91
 might be brought on the list
 of fixed establishment and
 treated as part and parcel of
 the regular Engineering Establish-
 -ment and the proposal was
 accordingly sanctioned in G. O.
 dated 6th July 1891 no. 1643 L. L. L.

I have the honor to be
 Sir
 your most obedient servant
 Theenupahya
