through the Collector of Tinnevelly.

Sir,

With reference to G.O. No: 50 M. dated 15th January 1895, I have the honor to report as follows:—

(1). By the expression 'cattle ground' referred to in paragraph 2 of the said order, only such a cattle-shed or yard as is referred to in Section 188 (ii) of the District Municipalities Act is meant.

(2) Wood depots and brick kilns, occupying an

an area of more than 30 Sqr: yards will be treated as first class and the rate of license fees on them is fixed at Rupees 5 and Rs 3 respectively. Those occupying 30 Sqr. yards or less will be treated as second class with a fee of Rs 3 and Re 1 respectively.

(3) The "other offensive trades" referred to in the same paragraph are those enumerated in Section 188 other than those mentioned in the Municipal Council's resolution No: III, dated 29th November 1894. A Copy of this resolution was submitted with my letter dated 10th December 1894, No: 3.M. | 50M/15-1-95

2. A proposition statement showing the Scale of establishment as proposed in the budget for the Second half year of 1894-95 is submitted herewith for the Sanction of Government with effect from dates mentioned therein.

3. With reference to the remarks in the Concluding portion of paragraph 3 (2), I beg to state that as the Municipality Commenced work late in the year and a good deal has to be done before March next it is not possible to spare any of the office establishment for the registration of births and deaths. The office clerical Staff has much to do by way of preparation of the several tax registers, demand notices and receipts. Besides, the Cost of entertainment of a birth and death registrar during this official year (for the remaining days of February) will be about Rs 5 as his pay for March will be paid in April next. I request, therefore, that Government will be pleased to accord its Sanction for the entertainment of a birth and death registrar.

4 Vaccination may be carried on by the Local Fund

Local Fund vaccinator as suggested by the Collector.

5. A Copy of the Municipal Councils' resolution on the subject is enclosed.

The proposition statement, which should have shown only those sections of the establishments in which alterations have been proposed, and in which the number of lamplighters to be employed is incorrectly given as 4 instead of 3, as in para. 23 of the Chairman's budget letter, is sanctioned.

2. The definition now given of the expression "other offensive trades" referred to in para. 2 of G.O. dt. 15th February 1895, No. 50 M., is inadequate. The various trades which it is intended to bring under this head should be enumerated.

3. The attention of the Council will be drawn to the fact that the Budget as passed by Govt. contains provision for the pay of a registrar of births and deaths
