13TH FEBRUARY 1895, No. 85, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated
4th February 1895, Mis. No. 506:—

Read—the following letter from G. STOKES, Esq., Collector and District Magistrate
of Salem, to the Secretary to the Commissioners of Land Revenue, dated
Salem, 16th October 1894, Ref. on No. 3915-Eng.:—

In enclosing herein a copy of the Head Assistant Collector's letter, dated 21st
September 1894, Reference on No. 2584-Ver., I have the honour to state that the
Tiruppattūr Taluk Board requires a plot of land measuring about two cents (77×10
feet) in survey field No. 745, a village-site poramboke of the Harūr village, for
extending the compound wall of the Upper Primary school at Harūr. The objection
raised by a member of the Temple Committee to the plot being handed over to the
Local Board is untenable and no inconvenience is likely to be caused to the villagers.
Under paragraph 3 of Standing Order No. 12-A, new edition, I request that orders of
Government may be obtained for the piece of land being alienated to the Taluk Board
for use without payment of assessment so long as the same is used for the purposes of
the school.

ENCLOSURE.

From J. P. BEDFORD, Esq., Acting Head Assistant Collector of Salem, to the Collector of
Salem, dated Harūr, 21st September 1894, Ref. on No. 2584-Ver.

In forwarding, herewith, the two reports noted in the margin from the Tahsildar of Uttan-
karai, together with an extract from the pro-
ceedings of the Taluk Board, I have the
honour to request you to be good enough to
sanction the transfer, to the Taluk Board, of
a portion of survey field No. 745 of Harūr village, which is a village-site poramboke for the
extension of the Local Fund school compound. The extent required measures 77 feet by 10
feet.

2. The objection put forward by one of the members of the Temple Committee seems
untenable, as I am informed that in a similar objection raised by the town's people in 1887
when land adjoining the one now required was added to the Local Fund school was overruled
by Mr. Murdoch, no inconvenience is likely to be caused to the villagers by the further
extension of the compound, and I accordingly solicit your orders in the matter.

Reference on the above, dated 20th October 1894.

The Collector is requested to report the nature of the objection urged against
the proposed grant by the member of the Temple Committee and the market-value of
the site.

Read—also the following letter from G. STOKES, Esq., Collector of Salem, to the
Secretary to the Commissioners of Land Revenue, dated 25th January
1895, Ref. No. 235-Eng.:—

Adverting to the Reference of the Board on General Register No. 1685, dated
20th October last, I have the honour to state that the market-value of the plot

measuring about two cents proposed to be alienated to the Tiruppattūr Taluk Board for the extension of the school compound at Harūr, is reported to be Rs. 44 in round figures. The nature of the objection taken to the grant of the plot, by the Darmakarthā of the local temple, is that the space available for the dragging of the car will be curtailed. Against this objection is the report of the Head Assistant Collector who states that no car procession has taken place for the last twenty years, and that there will be ample room left for a car to pass after the plot is taken up. The plot in question forms a portion of the unoccupied village-site poramboke to which the Darmakarthā cannot lay any claims. Under these circumstances I am still of opinion that the objection is untenable.

Resolution—dated 4th February 1895, Mis. No. 506.

The Collector's recommendation in the first of the letters read above will be submitted for the sanction of Government.
