GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From J. A. CUMMING, Esq., Acting Chairman, Municipal Council, Dindigul, to the Chief Secretary to Government (through the Sub-Collector of Madura), dated Dindigul, 26th December 1894, No. 213.

1. Proposition statement.
2. Copy of the council's resolution, No. 1, dated 17th December 1894.
3. Copy of the council's resolution, No. 25, dated 22nd December 1894.

I have the honour to submit the revised estimate for 1894–95 and the budget estimate for 1895–96 with the enclosures noted in the margin.

REVISED ESTIMATE FOR 1894–95.

2. *Receipts.*—The revised estimate opens with a balance of Rs. 9,100, including which the total receipts amount to Rs. 35,990 against a sum of Rs. 34,600 originally estimated for. The increase is chiefly due to the larger amount of the opening balance and to enhanced receipts from 2 (*e*), (*f*), (*g*), 4 (*b*) (i), 5 (*a*) (i), normal stipends and municipal schools, (iii) water-supply, (*b*) (ii) and 6 (*b*) (ii), partially counterbalanced by a falling off under 2 (*b*), 4 (*a*) (iv), 4 (*d*) (i), 4 (*f*) (i) and (ii). These variations are fully explained in Statement VI-A. The ward-war lists of vacant house-sites are now ready with the exception of the 1st ward and the council has resolved to levy the tax on them at the rate of one anna for every eighty square yards, from which a sum of Rs. 50 is anticipated for the second half of the current year. Contribution from the taluk board on account of the women and children's hospital is calculated at half the expenditure incurred, though no amount has yet been received owing to complications in last year's district board budget.

3. *Charges.*—The charges now proposed come to Rs. 27,600 against the budget amount of Rs. 26,350. The increase occurs chiefly under Grant I, wherein arrear payments had to be made to certain contractors and a drinking-water well has to be properly protected in the current year according to the instructions of the Sanitary Commissioner; under Grant III, owing to the allowance to the female apothecary from 30th June last at Rs. 25 per month sanctioned by the council, which requires the approval of Government, and the appointment of a female assistant sanctioned in G.O., dated 6th September 1894, Mis. No. 1220 M., together with the extra medicines obtained from England for use of the women and children's hospital; and there is also a slight excess under Grant IV, in which the lighting charges increased owing to the absence of competition at the annual sale. An additional amount provided under 9 (v) for boundary stones also contributed to the increase noted, while, on the other hand, a reduction has been effected under Grant II, as some of the teachers in the high school still continue to receive the minimum salaries though provision has been made in the budget for the maximum rate.

4. The year closes with a balance of Rs. 8,390 against Rs. 8,250 estimated in the original budget.

## Budget Estimate, 1895–96.

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | 15,480 |
| Revised „ | for 1894–95 | 15,800 |
| Budget „ | for 1895–96 | 15,130 |

5. *Statement I, Receipts—Rates and Taxes, &c.*—Owing to the expected realization within the year of almost all the arrears under this head, the figures for 1895–96 represent for the most part the current demand; hence the difference as per margin.

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | 30 |
| Revised „ | for 1894–95 | 50 |
| Budget „ | for 1895–96 | 50 |

6. *Realization under Special Acts.*—Fees levied on theatrical sheds as per Act II of 1888 alone are included under this head.

7. *Revenue derived from Municipal Property and Powers apart from Taxation.*—

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | 9,250 |
| Revised „ | for 1894–95 | 8,400 |
| Budget „ | for 1895–96 | 8,940 |

The various items making up the receipts under this head are from (*a*) to (*h*), which exhibit an increase of Rs. 540 over the revised, and a decrease of Rs. 310 below the original, estimates. In the former case provision has been made for enhanced receipts under 4 (*a*) (i) and (iv), (*d*) (i) and (*f*) (i) and (ii); with the exception of (*d*) (i), the rest are fluctuating items which depend solely upon the nature of the competition at the annual sales. In the latter case provision for a somewhat smaller amount under (*d*) (i) and (*f*) (i) and (ii) accounts for the falling off.

8. *Grants and Contributions.*—Credit is taken for payment by the Dindigul taluk board of the whole amount of grant (Rs. 1,860) hitherto paid for the mission hospital on account of the separate hospital proposed to be established by the council in addition to the payment of a moiety (Rs. 800) of the charges of the women and children's hospital. These items swell the receipts under this head.

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | 1,310 |
| Revised „ | for 1894–95 | 2,250 |
| Budget „ | for 1895–96 | 3,370 |

9. *Miscellaneous.*—The further extension of the private scavenging system is expected to fetch a sum of Rs. 50 more than the current year. Under refunds Rs. 120 are provided, of which Rs. 70 will be recovered from the appellant in A.S. No. 671 of 1894 on the file of the Madura Sub-Court (East) on account of court costs and Rs. 50 from Saiyid Muhammad, normal student, being instalment due for 1895–96 on account of stipends paid to him while under training, owing to his refusal to serve the council for a fixed period according to the terms of his agreement.

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | 300 |
| Revised „ | for 1894–95 | 360 |
| Budget „ | for 1895–96 | 480 |

10. *Extraordinary and Debt.*—This amount, which represents advances made during 1893–94 expected to be recovered within that year, was actually recovered during the current year.

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | *Nil.* |
| Revised „ | for 1894–95 | 30 |
| Budget „ | for 1895–96 | *Nil.* |

11. The estimated receipts are placed at Rs. 27,970, against Rs. 26,890, the revised estimate for the current year. The increase is due to the expected larger income from 4 and 5, partly set off by short receipts under 1, Rates and taxes.

12. *Statement II, Charges—Grant I, Public Works.*—The other grants were considered first, and owing to the increase in all of them, especially Grant III, the council was unable to fulfil its promises in considering the Sanitary Commissioner's report. Nothing is provided under 1 (*c*) and (*d*) and comparatively smaller sums are allotted under 1 (*b*), 2 (*c*) (i) and (*d*) (i) especially. Hence the falling off below the estimates of the current

| | | Rs. |

| Budget estimate for | 1894–95 | 7,910 |

year the charges under Communications—both new works and repairs—put together are 50 per cent. of the revenue from tolls. The several works under this head proposed to be undertaken during 1895–96 are enumerated in Statement II-A, from which it will be seen, among others, that the repair of the office building will cost Rs. 740. So far as this grant is concerned, it wants supplementing instead of reducing, as the council goes in for a wasteful system of special repairs to roads with little or no provision for regular maintenance every year.

13. *Grant II, Education.*—The allotment of Rs. 50 for library books of the high school for the next year caused the increase over the budget estimate of 1894–95. The provision of Rs. 1,600 under 4, Results grants, has been cut down to Rs. 1,490, the difference being utilized for results stipends and contingencies in connection with the two night schools proposed to be opened in the two salary-results schools already maintained. As usual, some of the teachers of the high school were paid minimum salaries, though maximum salaries are, as a rule, provided in budgets. This accounts for the diminished charges as compared with the revised estimate. The figures advised by the Director of Public Instruction are invariably adopted.

| | | Rs. |

| Budget estimate for | 1894–95 | 6,130 |
| Revised „ | for 1894–95 | 5,740 |
| Budget „ | for 1895–96 | 6,180 |

14. *Grant III, Sanitation and Medical Services.*—In pursuance of the council's resolution, No. 3, dated 26th November 1894, submitted to Government with letter, No. 198, dated 9th December 1894, the necessary allotments have been provided in the budget for establishing a separate hospital in Dindigul in addition to the women and children's hospital already maintained by the council. The establishment proposed for the new hospital is given in detail in Statement II-B and in the accompanying proposition statement. As regards the other charges connected with this separate institution, the budget embraces the figures given by the District Surgeon of Madura. The allowance due to the female apothecary at Rs. 25 a month alluded to in paragraph 3 *supra* is repeated for the ensuing year also. Under 5 (*a*) (i), the council has proposed to increase the number of sweepers as per instructions conveyed in paragraph 4 (3) of G.O., No. 386 M., dated 25th March 1894, by two at Rs. 4–8–0 each per mensem, and the number of latrine toties by one at Rs. 3 per mensem for a new latrine erected at Poochinaikenpatty; and under 5 (*b*) (*i*) provision has been made for three additional toties for private scavenging at Rs. 4 each per mensem. This is found to be a necessity. The sanction of Government is solicited for the above appointments. Provision has also been made for one extra dust-cart under 5 (*a*) (ii). The extra ordinary items of charges enumerated above entailed the large increase over the budget and the revised estimates of the current year.

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | 8,410 |
| Revised „ | for 1894–95 | 8,830 |
| Budget „ | for 1895–96 | 11,730 |

15. *Grant IV, Lighting and Miscellaneous Municipal Purposes.*—Contrary to the expectation of the council the lighting contract for 1894–95 was sold for Rupees 100 more than the budget estimate. This together with an allotment of Rs. 80 under 9 (v) for boundary stones augmented the expenditure of that year. A somewhat larger amount has been allotted under lighting for the budget year. If savings are effected by keener competition, additional lamps may be purchased from that source. The other items under this head call for no remarks.

| | | Rs. |
|---|---|---|
| Budget estimate for | 1894–95 | 1,980 |
| Revised „ | for 1894–95 | 2,140 |
| Budget „ | for 1895–96 | 2,080 |

16. *Grant V.*—A temporary record clerk sanctioned in G.O., Mis. No. 755 M., dated 15th June 1894, was able to do only half of the work in the current year and his retention for another three months in the ensuing year has been recommended by the council for completely arranging all the records. The provision of Rs. 15

| | | Rs. |

| Budget estimate for | 1894–95 | 1,920 |
| Revised „ | for 1894–95 | 1,940 |

per mensem for his pay has accordingly been continued. The council made in the current year a sample toll-board which cost Rs. 10 and five more boards are proposed to be made next year, thus allowing each one of the toll-gates in the town to be furnished with one board. Contribution for the central office establishment was calculated as per instructions conveyed in G.O., No. 2527 L., dated 4th December 1894, which increased the amount by Rs. 20 over the budget and the revised figures of the current year. These extra charges with the full amount provided under collection establishment contribute to the difference as per margin.

17. The outgoings are estimated to aggregate Rs. 28,230, while the incomings amount to only Rs. 27,970 excluding balances. It will thus be observed that the municipal council is spending Rs. 260 over and above its income. But this deficit can more or less be made good by savings expected under Grant II by paying minimum salaries to some of the high school teachers provided the contributions expected from the taluk board are actually realized.

18. The budget closes with a balance of Rs. 8,130. This is much above the 10 per cent. required, but the council wishes to maintain it for the water-works and other unforeseen expenditure. The balance last year was larger, but was approved by Government.

2. The provision for the proposed new hospital is said to be in accordance with the proposal of the District Surgeon, but it is not stated whether the rent of a building is included in the provision for "Sundries and contingencies." There is no provision for constructing a hospital.

Revised Estimate for 1894-95.

2. The current receipts and charges are now estimated at Rs 26,890 and Rs 27,600, respectively against Rs 26,370 and Rs 26,350 anticipated in the sanctioned budget. The increase in the receipts, which occurs chiefly under the taxes on Vehicles and animals and Contributions from Government and Local Boards, is partially counterbalanced by a decrease under School fees and income from Markets and Slaughter houses, and that in the charges appears mainly under Grants I & III. The Chairman should report through the Surgeon General as to the necessity for paying an allowance of Rs 25 per mensem to the female apothecary referred to in para 3 of his letter.

Budget Estimate for 1895-96.

3. Receipts. The receipts are set down at Rs 27,990 against the revised Estimate of Rs 26,890 the increase being chiefly under contributions from Local Boards. With reference to G.o. dated 14th December 1894 No. 1942 M., credit will now be taken for an income of Rs 2,000 (a) under the tax on carts and Rs 3,000 (b) under water tax, and the estimate under the tax on carts will be raised by Rs 700 (c). A sum of Rs 40,000 will be entered as a grant from Government and Rs 33,000 as a loan on account of the water supply project, with reference to the Sanitary Engineer's letter read alone. The provincial grant for education will be raised by Rs 30, with reference to para. 1 of the Director's letter read alone; but the Contribution of

(b) The net demand under House and land taxes at 7½ p.c. on 1893-94 was Rs 5,740 - Water tax at 4 p.c. may therefore be expected to bring in Rs 3,060 or Rs 3,000 roughly.

of Rs 1860 expected from the Taluk Board in aid of the proposed new hospital will be struck out with reference to G.o. dated 1st March 1895 No. 328 M.

4 Charges (1) The probable charges are entered as Rs 28,230 against Rs 27,600 in the revised Estimate, the increase which appears mainly under Grant III being partially set off by a decline under Grant I.

(2) Grant I. With reference to the Sanitary Engineer's letter mentioned in para. 3 supra, a sum of Rs. 80,000 will be provided under new works - water supply and with reference to para. 1 of the Sanitary Commissioner's letter read alone, a sum of Rs 700 will be allotted for providing parapet walls &c to the wells, which require them.

(3)

Review of the Chairman's remarks at the conclusion of para 12 of his letter the provision of Rs 400 made for the two new roads in items 3. & 4 of Stat. II Part I (a) with be transferred to repairs - Communications to enable the existing roads to be first put into better order.

(3) Grant III. With reference to G.O. dated 1st March 1895 N°328 M quoted in para. 3 supra, the provision of about Rs 2,780 made for the establishment of a new hospital will be struck out, and a sum of Rs 630 will be provided for payment of the usual contribution in aid of the American Mission hospital. The provision of Rs 10 for contribution on account of the cutlers' Establishment will be struck out with reference to G.O. dated 8th January 1895 N°972. The Council's proposals to entertain an additional toll on Rs.3, two additional sweepers on Rs 4-8-0 each, and three private scavenging tolies on Rs 4 each are sanctioned. The Sanitary Commissioner's remarks in para 2 of his letter will be referred to the Municipal Council for consideration.

(4)

(4) Grant IV. The provision for lighting charges should not be further increased until the more important sanitary needs of the town have been attended to.

(5) Grant V. The proposed retention of the temporary record keeper for a further period of three months is sanctioned. The contribution for the central office Establishments should, according to G.O. dated 4th December 1894 N° 2527L, be Rs 150 and not Rs 120.

5. The budget, as revised by Government, closes with a balance of Rs 6,450 or 20.2 per cent of the ordinary receipts.

READ—the following papers:—

From J. A. CUMMING, Esq., Acting Chairman, Municipal Council, Dindigul, to the Chief Secretary to Government (through the Sub-Collector of Madura), dated Dindigul, 26th December 1894, No. 213.

1. Proposition statement.
2. Copy of the council's resolution, No. 1, dated 17th December 1894.
3. Copy of the council's resolution, No. 25, dated 22nd December 1894.

I have the honour to submit the revised estimate for 1894–95 and the budget estimate for 1895–96 with the enclosures noted in the margin.

REVISED ESTIMATE FOR 1894–95.

2. *Receipts*.—The revised estimate opens with a balance of Rs. 9,100, including which the total receipts amount to Rs. 35,990 against a sum of Rs. 34,600 originally estimated for. The increase is chiefly due to the larger amount of the opening balance and to enhanced receipts from 2 (*e*), (*f*), (*g*), 4 (*b*) (i), 5 (*a*) (i), normal stipends and municipal schools, (iii) water-supply, (*b*) (ii) and 6 (*b*) (ii), partially counterbalanced by a falling off under 2 (*b*), 4 (*a*) (iv), 4 (*d*) (i), 4 (*f*) (i) and (ii). These variations are fully explained in Statement VI-A. The ward-war lists of vacant house-sites are now ready with the exception of the 1st ward and the council has resolved to levy the tax on them at the rate of one anna for every eighty square yards, from which a sum of Rs. 50 is anticipated for the second half of the current year. Contribution from the taluk board on account of the women and children's hospital is calculated at half the expenditure incurred, though no amount has yet been received owing to complications in last year's district board budget.

3. *Charges*.—The charges now proposed come to Rs. 27,600 against the budget amount of Rs. 26,350. The increase occurs chiefly under Grant I, wherein arrear payments had to be made to certain contractors and a drinking-water well has to be properly protected in the current year according to the instructions of the Sanitary Commissioner; under Grant III, owing to the allowance to the female apothecary from 30th June last at Rs. 25 per month sanctioned by the council, which requires the approval of Government, and the appointment of a female assistant sanctioned in G.O., dated 6th September 1894, Mis. No. 1220 M., together with the extra medicines obtained from England for use of the women and children's hospital; and there is also a slight excess under Grant IV, in which the lighting charges increased owing to the absence of competition at the annual sale. An additional amount provided under 9 (v) for boundary stones also contributed to the increase noted, while, on the other hand, a reduction has been effected under Grant II, as some of the teachers in the high school still continue to receive the minimum salaries though provision has been made in the budget for the maximum rate.

4. The year closes with a balance of Rs. 8,390 against Rs. 8,250 estimated in the original budget.

5. *Statement I, Receipts—Rates and Taxes, &c.*—Owing to the expected realization within the year of almost all the arrears under this head, the figures for 1895–96 represent for the most part the current demand; hence the difference as per margin.

6. *Realization under Special Acts.*—Fees levied on theatrical sheds as per Act II of 1888 alone are included under this head.

7. *Revenue derived from Municipal Property and Powers apart from Taxation.*—The various items making up the receipts under this head are from (*a*) to (*h*), which exhibit an increase of Rs. 540 over the revised, and a decrease of Rs. 310 below the original, estimates. In the former case provision has been made for enhanced receipts under 4 (*a*) (i) and (iv), (*d*) (i) and (*f*) (i) and (ii); with the exception of (*d*) (i), the rest are fluctuating items which depend solely upon the nature of the competition at the annual sales. In the latter case provision for a somewhat smaller amount under (*d*) (i) and (*f*) (i) and (ii) accounts for the falling off.

8. *Grants and Contributions.*—Credit is taken for payment by the Dindigul taluk board of the whole amount of grant (Rs. 1,860) hitherto paid for the mission hospital on account of the separate hospital proposed to be established by the council in addition to the payment of a moiety (Rs. 800) of the charges of the women and children's hospital. These items swell the receipts under this head.

9. *Miscellaneous.*—The further extension of the private scavenging system is expected to fetch a sum of Rs. 50 more than the current year. Under refunds Rs. 120 are provided, of which Rs. 70 will be recovered from the appellant in A.S. No. 671 of 1894 on the file of the Madura Sub-Court (East) on account of court costs and Rs. 50 from Saiyid Muhammad, normal student, being instalment due for 1895–96 on account of stipends paid to him while under training, owing to his refusal to serve the council for a fixed period according to the terms of his agreement.

10. *Extraordinary and Debt.*—This amount, which represents advances made during 1893–94 expected to be recovered within that year, was actually recovered during the current year.

11. The estimated receipts are placed at Rs. 27,970, against Rs. 26,890, the revised estimate for the current year. The increase is due to the expected larger income from 4 and 5, partly set off by short receipts under 1, Rates and taxes.

12. *Statement II, Charges—Grant I, Public Works.*—The other grants were considered first, and owing to the increase in all of them, especially Grant III, the council was unable to fulfil its promises in considering the Sanitary Commissioner's report. Nothing is provided under 1 (*c*) and (*d*) and comparatively smaller sums are allotted under 1 (*b*), 2 (*c*) (i) and (*d*) (i) especially. Hence the falling off below the estimates of the current

year. The charges under Communications—both new works and repairs—put together are 50 per cent. of the revenue from tolls. The several works under this head proposed to be undertaken during 1895–96 are enumerated in Statement II-A, from which it will be seen, among others, that the repair of the office building will cost Rs. 740. So far as this grant is concerned, it wants supplementing instead of reducing, as the council goes in for a wasteful system of special repairs to roads with little or no provision for regular maintenance every year.

13. *Grant II, Education.*—The allotment of Rs. 50 for library books of the high school for the next year caused the increase over the budget estimate of 1894–95. The provision of Rs. 1,600 under 4, Results grants, has been cut down to Rs. 1,490, the difference being utilized for results stipends and contingencies in connection with the two night schools proposed to be opened in the two salary-results schools already maintained. As usual, some of the teachers of the high school were paid minimum salaries, though maximum salaries are, as a rule, provided in budgets. This accounts for the diminished charges as compared with the revised estimate. The figures advised by the Director of Public Instruction are invariably adopted.

14. *Grant III, Sanitation and Medical Services.*—In pursuance of the council's resolution, No. 3, dated 26th November 1894, submitted to Government with letter, No. 198, dated 9th December 1894, the necessary allotments have been provided in the budget for establishing a separate hospital in Dindigul in addition to the women and children's hospital already maintained by the council. The establishment proposed for the new hospital is given in detail in Statement II-B and in the accompanying proposition statement. As regards the other charges connected with this separate institution, the budget embraces the figures given by the District Surgeon of Madura. The allowance due to the female apothecary at Rs. 25 a month alluded to in paragraph 3 *supra* is repeated for the ensuing year also. Under 5 (*a*) (i), the council has proposed to increase the number of sweepers as per instructions conveyed in paragraph 4 (3) of G.O., No. 386 M., dated 28th March 1894, by two at Rs. 4–8–0 each per mensem, and the number of latrine toties by one at Rs. 3 per mensem for a new latrine erected at Poochinaikenpatty; and under 5 (*b*) (*i*) provision has been made for three additional toties for private scavenging at Rs. 4 each per mensem. This is found to be a necessity. The sanction of Government is solicited for the above appointments. Provision has also been made for one extra dust-cart under 5 (*a*) (ii). The extra ordinary items of charges enumerated above entailed the large increase over the budget and the revised estimates of the current year.

| Revised „ | for 1894–95 | .. 8,830 |

15. *Grant IV, Lighting and Miscellaneous Municipal Purposes.*—Contrary to the expectation of the council the lighting contract for 1894–95 was sold for Rupees 100 more than the budget estimate. This together with an allotment of Rs. 80 under 9 (v) for boundary stones augmented the expenditure of that year. A somewhat larger amount has been allotted under lighting for the budget year. If savings are effected by keener competition, additional lamps may be purchased from that source. The other items under this head call for no remarks.

| Revised „ | for 1894–95 | .. 2,140 |

16. *Grant V.*—A temporary record clerk sanctioned in G.O., Mis. No. 755 M., dated 15th June 1894, was able to do only half of the work in the current year and his retention for another three months in the ensuing year has been recommended by the council for completely arranging all the records. The provision of Rs. 15

per mensem for his pay has accordingly been continued. The council made in the current year a sample toll-board which cost Rs. 10 and five more boards are proposed to be made next year, thus allowing each one of the toll-gates in the town to be furnished with one board. Contribution for the central office establishment was calculated as per instructions conveyed in G.O., No. 2527 L., dated 4th December 1894, which increased the amount by Rs. 20 over the budget and the revised figures of the current year. These extra charges with the full amount provided under collection establishment contribute to the difference as per margin.

17. The outgoings are estimated to aggregate Rs. 28,230, while the incomings amount to only Rs. 27,970 excluding balances. It will thus be observed that the municipal council is spending Rs. 260 over and above its income. But this deficit can more or less be made good by savings expected under Grant II by paying minimum salaries to some of the high school teachers provided the contributions expected from the taluk board are actually realized.

18. The budget closes with a balance of Rs. 8,130. This is much above the 10 per cent. required, but the council wishes to maintain it for the water-works and other unforeseen expenditure. The balance last year was larger, but was approved by Government.

From R. E. ELLIS, Esq., ASSOC. M. INST. C.E., Acting Sanitary Engineer to Government, to the Chief Secretary to Government, dated Fort St. George, 9th January 1895, No. 23.

With reference to G.O., dated 14th December 1894, No. 1942 M., Local and Municipal, I have the honour to state that no funds will be required during the current year. It will take at least three or four months before the necessary pipes can be delivered at Dindigul and until within a short time of the date of such delivery I do not propose to start the works.

2. The loan and grant for the works should therefore be provided for 1895–96 in accordance with the statement sent with my No. 2291, dated 10th October 1894.

---

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 12th January 1895, No. 268.

With reference to the educational portion of the budget estimate of the Dindigul municipality for 1895–96, I have the honour to state that the provincial grant of Rs. 580, for which credit has been taken, may be raised to Rs. 610 as detailed below:—

| | RS. |
|---|---|
| For salary grants .. .. .. .. .. .. .. .. | 525 |
| For grant on behalf of the gymnastic instructor .. .. .. .. | 50 |
| Results grants for girls in the Panchama school .. .. .. .. | 10 |
| For grant for books for which a provision of Rs. 50 has been made .. | 25 |

The total educational receipts will then be Rs. 2,610.

2. The allotments under the several heads of expenditure are in accordance with the recommendations of this department and may be accepted.

3. The net expenditure on education will be Rs. 3,570 (Rs. 6,180—2,610), or about 17 per cent. of the estimated income of the municipality from taxation, markets and rents.

---

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 13th February 1895, No. 139.

With reference to Grant III of the budget estimate of the Dindigul municipality for the year 1895–96, I have the honour to state that the proposal of the municipality to open a hospital at Dindigul meets with my approval, but the staff provided for in the budget requires modification.

(1) The pay of the apothecary should be increased from Rs. 85 to Rs. 125; Dindigul being a very important town in the Madura district, an experienced apothecary is indispensable. For Rs. 85 only an officer under seven years' service can be obtained and this will necessitate constant change to the detriment of the hospital efficiency.

(2) The designation of the ward cooly proposed to be entertained on Rs. 5 may be changed to "ward attendant." No provision having been made for compensation in lieu of quarters to the hospital assistant, a sum of Rs. 60 should now be provided.

2. The other items call for no further remarks.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 12th February 1895, No. 296-S.

I have the honour to state that I have no remarks to offer on the vaccinal grant made by the Dindigul municipality for next year. The proposed expenditure on conservancy is 23 per cent. of the estimated receipts. In consideration of the small amount of water that will be available from the new water-works, the wells of the town will still continue in use, especially those at Mattapalli. If the council continue to have wells open to contamination in the gross manner I have shown, the expenditure upon the public water-supply scheme must be deprecated in sanitary value, in that the water-supply of certain parts of the town would be still open to risk of contamination; "the strength of a chain must be measured by its weakest link." Under these circumstances, I respectfully advise that the council furnish parapet walls and impervious basements supplied with drains for the wells of this village (*vide* paragraph 3 of inspection notes embodied in G.O., No. 1816 M., dated 27th November 1894, Local and Municipal). Rupees 740 which the council intend to devote towards the improvement of their office could, in the interest of the lives of the inhabitants, be more profitably expended in this manner.

2. I see no reason also why the council should not expend some small sum in collecting the sewage of Mounseypuram, so as to discharge it upon the ground indicated by me. The argument advanced by them that the number of houses is small is fallacious. As whether the houses be few or many, it is desirable that the sewage be got *out* of the inhabited area, instead of being allowed to soak *in situ*. Special attention is drawn to this, as Mounseypuram has but recently been inhabited, and it is desirable *from the first* that the sub-soil should not be contaminated with sewage more than avoidable.

ORDER—dated 13th March 1895, No. 426 M., Local and Municipal.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 26,890 and Rs. 27,600, respectively, against Rs. 26,370 and Rs. 26,350 anticipated in the sanctioned budget. The increase in the receipts which occurs chiefly under the taxes on vehicles and animals and contributions from Government and local boards is partially counterbalanced by a decrease under school-fees and income from markets and slaughter-houses and that in the charges appears mainly under Grants I and III. The Chairman should report through the Surgeon-General as to the necessity for paying an allowance of Rs. 25 per mensem to the female apothecary referred to in paragraph 3 of his letter.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts are set down at Rs. 27,990 against the revised estimate of Rs. 26,890, the increase being chiefly under contributions from local boards. With reference to G.O., dated 14th December 1894, No. 1942 M., credit will now be taken for an income of Rs. 2,000 under the tax on arts and Rs. 3,000 under water-tax, and the estimate under the tax on carts will be raised by Rs. 700. A sum of Rs. 40,000 will be entered as a grant and Rs. 33,000 as a loan from Government on account of the water-supply project with reference to the Sanitary Engineer's letter read above. The provincial grant for education will be raised by Rs. 30 with reference to paragraph 1 of the Director's letter read above, but the contribution of Rs. 1,860 expected from the taluk board in aid of the proposed new hospital will be struck out with reference to G.O., dated 1st March 1895, No. 328 M.

4. *Charges* (1).—The probable charges are entered as Rs. 28,230 against Rs. 27,600 in the revised estimate, the increase which appears mainly under Grant III being partially set off by a decline under Grant I.

(2) *Grant I.*—In view of the Chairman's remarks at the conclusion of paragraph 12 of his letter the provision of Rs. 400 made for the two new roads in items 3 and 4 of Statement II-A, Part I (*a*) will be transferred to Repairs—Communications to enable the existing roads to be first put into better order. With reference to the Sanitary Engineer's letter mentioned in paragraph 3 *supra*, a sum of Rs. 80,000 will be provided under New Works—Water-supply and with reference to paragraph 1 of the Sanitary Commissioner's letter read above, a sum of Rs. 700 will be allotted for providing parapet walls, &c., to the wells which require them.

(3) *Grant III.*—With reference to G.O., dated 1st March 1895, No. 328 M., quoted in paragraph 3 *supra*, the provision of about Rs. 2,780 made for the establishment of a new hospital will be struck out, and a sum of Rs. 630 will be provided for payment of the usual contribution in aid of the American Mission hospital. The provision of Rs. 10 for contribution on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L. The council's proposals to entertain an additional toti on Rs. 3, two additional sweepers on Rs. 4–8–0 each, and three private scavenging toties on Rs. 4 each are sanctioned. The Sanitary Commissioner's remarks in paragraph 2 of his letter will be referred to the municipal council for consideration.

(4) *Grant IV.*—The provision for lighting charges should not be further increased until the more important sanitary needs of the town have been attended to.

(5) *Grant V.*—The proposed retention of the temporary record-keeper for a further period of three months is sanctioned. The contribution for the central office establishments should, according to G.O., dated 4th December 1894, No. 2527 L., be Rs. 150 and not Rs. 120.

5. The budget, as revised by Government, closes with a balance of Rs. 6,450, or 20·2 per cent. of the estimated ordinary receipts.
