§ Sivasankaram Pillai is appointed to be Accountant Local Fund Engineer's Office, Tanjore District, on Rs. 40, and is ordered to join the appointment forthwith.

22nd September 1880. (Signed) E. F. WEBSTER.

6. That he represented the loss of his appointment under the circumstances, to his patron Colonel H. R. Mead R. E., * the then Superintending Engineer of Coimbatore Circle, who fortunately for him had, returned from Furlough on the 3rd April 1880, a day after the relief† of your memorialist, and recommended‡ him to the Honorable Mr. E. F. Webster the then Collector of Tanjore. And that Gentleman in his turn then gave him an appointment§ in the Local Fund Department of the Tanjore Collectorate, which commenced§ from 25th September 1880, and in which service he still continues as Local Fund Head Accountant in the Huzur Treasury office.

7. That in the latter capacity his services extend over 14 years, on this date as will be seen from the abstract of his services, referred to in para 2 above.

8. That Mr. H. M. Winterbotham the then Collector and President of this District sanctioned your memorialist's retention up to 31st March 1895, on the 55 years' statement submitted to him on the 22nd February 1894, (since the Local Fund Service was made pensionable from 1st November 1893 Vide G. O. No. 2572 L, dated 17th November 1893). A similar statement was submitted on the 19th December 1894, with a recommendation by the Deputy Collector M. R. Ry. M. Ravi Varma Raja Avergal M. A., for further retention, which ran as follows:—"Physically strong, mentally fit for work. Has been in the Local Fund service for 14 years. Has been in the same post (i.e. as Local Fund Head Accountant) for 8 years. No objection to retention. Wishes to be retained till November 1897 on consideration of pension." But the orders passed thereon are yet unknown.

9. That your memorialist entered the Local Fund services prior to May 1881, and that his total service in the two Departments extend over 37 years as noted in the margin.¶

10. That your memorialist now begs to summarize the facts, and lays them for merciful consideration and favorable orders:—

(a) That, had he continued in his service in the Public Works Department for about 2 years more, he would have been entitled at least tot he half pension of Rs.30 (under Ordinary Civil Pension Code) on his substantive

pay of Rs. 60, at the time that he was thrown out, apart from the concession given in paras 4 and 5 of the Resolution referred to above, according to which his pension would amount to Rs. 48 and odd.

(b) That in lieu of about two years required to complete the 25 years to entitle him for half pension,—Rs.30—he has rendered a further service to the British Government, to the extent of more than 14 years, having been entertained prior to May 1881. The Services of Local Fund Servants entertained prior to the above date are also pensionable under Local Fund Rules.

(c) That a deduction of Rs. 5 was made monthly from the pension of your memorialist, as his pay and pension (45+20=65) taken together exceeded his previous substantive pay of Rs. 60. There has thus been a saving of nearly Rs. 500 to Government during the last 8 years (8×60=480).

(d) Further that your memorialist was subjected to other restrictions also i. e. when he had been on 6* months leave on private affairs, he was ordered by the Accountant General to draw the leave allowances only Rs. 30 being the half of Rs. 60 (viz. Rs. 7—8—0 from pension of Rs. 20 and Rs. 22—8—0 from the pay of Rs. 45) under Article 572. Thus there has been also another saving of about Rs. 45 to Government.

11. Under the circumstances now laid before your Excellency and for the long and unblemished service of 37 years rendered to the Her Most Gracious Majesty the Empress of India's Govt, he now craves your Excellency to grant him at least as a special case, under the authority invested in your Excellency by the Queen, and by the Civil Service Regulation (pages 2, 3 and 118) now in force, an additional pension of Rs.10—8—0 from the Local Funds, to which your memorialist has rendered superior service for more than 14 years from September 1880. For this service itself your memorialist is now entitled under Article 518 B. to fourteen-sixtieths of his present average Emoluments of Rs.45 (i. e. Rs.10-8) of which Rs. 4-8 is being deducted as a contribution towards pension from 1st November 1893, Vide G.O. No. 2572 L. dated 17th November 1893. Similar deduction was also made for

to 22 years and 10 months, up to 31st March

July 1879, in which the Government ordered
with great reluctance, a general reduction
of the Establishment, with a view to effect
saving in the Department, and transferred
the Roads &c., from Public Works to the
management of Local Fund Department.

4. That, under the concession granted in
the above order, he submitted a pension appli-
cation for Rs. 48 and odd, calculated in accor-
dance with the terms contained in paras 4 and
5 of the Resolution, but unfortunately he was
granted a pension* of Rs. 20 only, being one-
third of his substantive pay of Rs. 60.

5. That he was thus thrown out of

fault of his, just on the eve of his becoming
a graded Accountant on higher emoluments,
and when he was physically strong.

Rs. 7—8—0 from pension of Rs. 20 and Rs. 22—8—0 from the pay of Rs. 45) under Article 572. Thus there has been also another saving of about Rs. 45 to Government.

11. Under the circumstances now laid before your Excellency and for the long and unblemished service of 37 years rendered to the Her Most Gracious Majesty the Empress of India's Govt, he now craves your Excellency to grant him at least as a special case, under the authority invested in your Excellency by the Queen, and by the Civil Service Regulation (pages 2, 3 and 118) now in force, an additional pension of Rs. 10—8—0 from the Local Funds, to which your memorialist has rendered superior service for more than 14 years from September 1880. For this service itself your memorialist is now entitled under Article 518 B. to fourteen-sixtieths of his present average Emoluments of Rs. 45 (i. e. Rs. 10-8) of which Rs. 4-8 is being deducted as a contribution towards pension from 1st November 1893, Vide G. O. No. 2572 L. dated 17th November 1893. Similar deduction was also made for

* From 3rd May to 19th September 1892.

* Since communicated to the memorialist directing him to retire from the office 1895.

So your memorialist is in sanguine hope trusting that his humble prayers will be listened to and justice rendered by your Excellency, for, your memorialist is only begging for the addition of Rs. 10-8-0 from the Local Funds with that of Rs. 20 the pension bestowed upon him from the Imperial Fund and thus to make him enjoy the fruits of his long services to the British Government.
