SIR,

With reference to the Budget Estimate of the Brinlipalam Municipality for 1895-96, I have the honor to state that the provisions therein made for vaccination and conservancy does not call for any remarks from me. The allotment for the latter object is 22.4 per cent of the estimated receipts.

2. Under Grant I, a sum of Rs. 100 is entered for the construction of an incinerator and two latrines. The allotment is insufficient for either an incinerator or latrines that would meet sanitary requirements. The Municipality should be required to state the designs they intend to follow, and submit correct estimates for them.

I.

I have the honor to be
