MEMORANDUM.

Dated Madras, 1st February 1895.

Letter from the Executive Engineer, Coimbatore Division No. 4124 dated 9th October 1894:—

I have the honour to bring to your notice that there is an old block of servants' huts attached to Dresser's quarters on the slope of the jail Hill, Dotacamund known as old Hospital lines valued about Rs. 300.

2. There are 6 quarters now occupied by hospital servants under the orders of the Civil Surgeon.

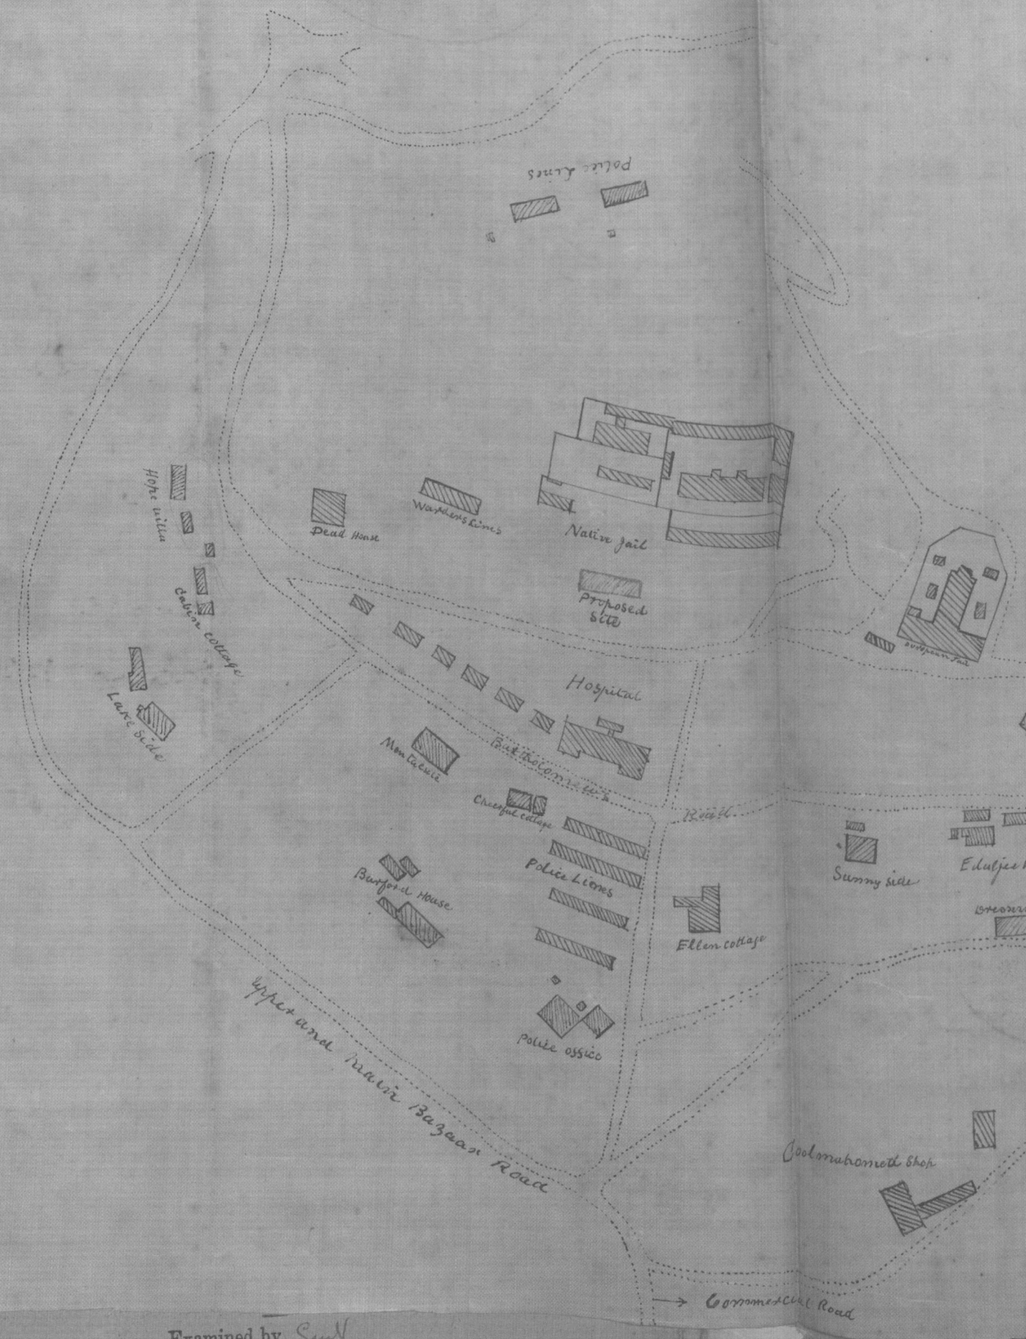

3. The Chairman, Municipality and Civil Surgeon have requested these lines to be removed as an eyesore and nuisance. The Chairman suggests that the lines should be handed over at a valuation, for a shed to the municipality, and I think this would be advisable. I have the

Letter from the Executive Engineer, Coimbatore Division No. 4269 dated 18th October 1894—

In continuation of my No. 4124 of the 9th instant, I have since ascertained that the Civil Surgeon states that the lines cannot be closed without providing other quarters for the hospital servants, and suggests that new lines should be built near the hospital.

2. If the value of the building received from the municipality could be supplemented by funds from Miscellaneous Public Improvements new lines could be built and the state of affairs would be much better.

Sir,

In returning the correspondence re=garding the closure of the old Hospital lines at Ootacamund, received with Endorsement no. 178, dated the 11th February 1895, I have the honor to answer the resolution passed by the Municipal Council at the meeting held on the 28th Idem, and to state that the Municipality did not Consider the lines objectionable, and only agreed to take them because the Executive Engineer thought of obtaining Sanction for their de=molition.

2. That the lines were "unsightly and objectionable" to the residents was brought to the Notice of the Municipal Council by Certain residents in the neighbourhood and by Certain owners of houses. Their petition was referred to the Civil Surgeon Ootacamund

and he thought that the lines might be removed.

3 The Municipal Councillor who has dissented from the resolution passed at the Municipal meeting, is the owner of property adjoining the lines.
