GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From F. D. OLDFIELD, Esq., Chairman, Bezwada Municipality, to the Chief Secretary to Government (through the Collector of Kistna), dated 19th December 1894, No. 1403.

I have the honour to submit the revised budget for 1894–95 and the budget proposals for 1895–96 of the Bezwada Municipality.

2. A copy of the council's resolution adopting the above is enclosed.

REVISED ESTIMATE FOR 1894–95.

3. *Receipts.*—The receipts, as revised, amount to Rs. 48,490 against Rs. 41,330. The reasons for the increase on important items are explained below, and the rest in column 7 of Statement VI.

4. *Ferry Rents.*—When the budget was sent in January 1894, it was presumed that the Kistna bridge would be opened for both passenger and cart traffic, but as it was opened only for passengers, the council has been obliged to retain the ferry for the carriage of vehicles and animals. Owing to the diversion of passenger traffic the contract fetched only Rs. 55. The difference is the amount paid by the district board with reference to my letter, No. 340, dated 27th May 1893, paragraph 18, printed with G.O., No. 1028 M., dated 9th August 1893. The delay in obtaining this amount is due to the district board not having settled the claim of the municipality earlier.

5. *Contributions from Local Boards.*—Rs. 2,800 have been entered for the following :—

	RS.
From the district board (*vide* resolution No. 6, dated 16th June 1894, for bathing ghât at Kistna anicut)	2,000
From the Bezwada taluk board (*vide* resolution No. 12, dated 25th June 1894, for bathing ghât at Kistna anicut)	500
From the district board, being the usual contribution for the upkeep of the Hyderabad road	300
Total ..	2,800

6. *Expenditure—Grant I, New Works—Miscellaneous Public Improvements.*—Rs. 4,880 have been provided against Rs. 2,800 in the original budget. The difference is due to the following :—

Rs. 2,000 have been added for contribution to be paid to the Public Works Department for bathing ghât as the council has decided, in its resolution, No. 8, dated 4th September 1894, to pay half of the cost during 1894–95 and the other half during 1895–96. Government sanction is now sought for the difference.

Rs. 80 is the balance still due to the Public Works Department for cutting gaps to Masulipatam canal for the convenience of Buckinghampet people: *vide* G.O., No. 764 M., dated 18th June 1894.

7. The revised budget closes with a balance of Rs. 4,670.

BUDGET FOR 1895–96.

8. *Receipts.*—The receipts for the year amount to Rs. 48,470 against Rs. 48,490 of the revised budget.

9. The variations on items which require special notice are explained below :—

10. *Realizations under Special Acts—Ferry Rents.*—Only Rs. 100 have been credited as the council does not expect more for the contract.

11. *Sale-proceeds of Land.*—Rs. 10,000 have been entered in order to meet the extraordinary expenditure proposed on bathing ghât and the new municipal hospital, say, Rs. 5,530 and Rs. 5,000, respectively.

The Southern Maharatta Company have already applied for land worth about Rs. 8,000 and further applications for different parts of the town are expected.

12. *Grants and Contributions from Government—Normal Stipends.*—Rs. 70 have been entered for the two students proposed to be sent for training to the Masulipatam training college during the year.

13. *Other Purposes.*—Rs. 150 are entered to meet the contributions for drawing master and gymnastic instructor, as suggested by the Director of Public Instruction, Madras, at Rs. 90 and Rs. 60, respectively.

14. *From Local Funds—Medical.*—Rs. 2,630 are entered as half of the cost of the upkeep of the municipal hospital, Bezwada.

15. *Other Purposes.*—Rs. 300 is the usual contribution sanctioned by the district board for the maintenance of the Hyderabad road within municipal limits.

16. *Miscellaneous—Private Scavenging and Cesspools.*—An increase is anticipated to result either from higher charges or from an increased number of cesspools. The matter is discussed more fully under expenditure.

17. *Expenditure.*—The details of items entered under Grant I, New Works and Repairs, having been shown in Statement II-A, Part 1 and 2, respectively, no explanation is given here. Details will be found in the body of the statement.

18. *Contributions to Local Boards for Works.*—Rs. 5,500 are entered towards the construction of new hospital and the usual anicut road at Rs. 5,000 and Rs. 500, respectively.

19. *Grant II.*—The recommendations of the Director of Public Instruction, Madras, made in his No. 9880, dated 19th October 1894, have been adopted, and the details of establishments have been shown in Statement II-B as usual. The only addition to the establishment is a drawing master on Rs. 15 a month, and sanction may be accorded for the same.

20. *Grant III, Hospitals and Dispensaries.*—The proposals of the District Medical and Sanitary officer made in his Nos. 1220, dated 5th November 1894, and 940, dated 11th October 1894, have been entered in full and the details are shown in Statement II-B as usual. The present midwife gets Rs. 9–8–0 a month and the District Surgeon recommends a trained midwife on Rs. 15 a month in her stead. She has done poor work this year and has been recommended for dismissal. As in-patients have increased in number, and as it is found difficult for one ward-servant to watch every night, an additional ward-cooly on Rs. 5 to take turns for night duty is proposed. The District Surgeon has proposed to raise the salaries of three servants—wardman, peon and waterman from Rs. 5 to Rs. 6. Sanction may be accorded for the above changes.

21. *Registration of Births and Deaths.*—The pay of the registrar has been raised from Rs. 10 to Rs. 12, as his responsibilities have increased with the population. Hence the increase in the establishment. Sanction is solicited.

22. *Conservancy and Road-cleaning, &c.—Other Charges, Rs.* 3,000.—A reduction of Rs. 1,000 has been made on this item, as Rs. 3,000 is expected to be sufficient.

23. *Private Scavenging.*—Government in their order on the administration report for 1893–94, paragraph 7 (1), passed certain strictures on the working of the private scavenging establishment. It was remarked that the municipality did this work at a

loss of Rs. 197. I have on further enquiry found that the figures therein given were wrong. The total cost of the carts employed was debited to private cesspools, whilst in reality, since the carts were used for a large part of each day for general conservancy work, the cost should have been divided between cesspools and the general account of the municipality. Under these circumstances, the estimated loss of Rs. 197 must be considered so very largely reduced, if not wholly removed. I submit that these considerations modify the financial aspect of last year's work materially. Private conservancy, however, has lately been referred to a committee; their report and proposals are promised after the Christmas holidays. The establishment of last year has therefore been proposed, and subsequent modification, if any, will be reported to Government for sanction, when the scheme referred to has been discussed and accepted.

24. *Grant IV, Lighting and Miscellaneous Purposes—Lighting Contingencies.*—A reduction of Rs. 100 has been made under this head as kerosine oil is procurable at cheaper rates.

25. *Avenues—Contingencies.*—The provision under this head is entered only Rs. 20 as the council proposes to add no more fencings during the year.

26. *Grant V, Office Establishment.*—Rs. 180 have been added to meet the pay of despatch clerk proposed in my No. 663, dated 23rd July 1894, and advised by Government in G.O., No. 1099 M., dated 17th August 1894, under G.O., No. 1094 L., dated 14th June 1894. The pay has been fixed at Rs. 15.

27. The budget closes with a balance of Rs. 2,640.

28. A proposition statement showing the alterations proposed is herein enclosed for approval.

The difference is the amount paid by the district board with reference to my letter, No. 340, dated 27th May 1893, paragraph 18, printed with G.O., No. 1028 M., dated 9th August 1893. The delay in obtaining this amount is due to the district board not having settled the claim of the municipality earlier.

5. *Contributions from Local Boards.*—Rs. 2,800 have been entered for the following:—

	Rs.
From the district board (*vide* resolution No. 6, dated 16th June 1894, for bathing ghât at Kistna anicut)	2,000
From the Bezwada taluk board (*vide* resolution No. 12, dated 25th June 1894, for bathing ghât at Kistna anicut)	500
From the district board, being the usual contribution for the upkeep of the Hyderabad road	300
Total ..	2,800

6. *Expenditure—Grant I, New Works—Miscellaneous Public Improvements.*—Rs. 4,880 have been provided against Rs. 2,800 in the original budget. The difference is due to the following :—

Rs. 2,000 have been added for contribution to be paid to the Public Works Department for bathing ghât as the council has decided, in its resolution, No. 8, dated 4th September 1894, to pay half of the cost during 1894–95 and the other half during 1895–96. Government sanction is now sought for the difference.

Rs. 80 is the balance still due to the Public Works Department for cutting gaps to Masulipatam canal for the convenience of Buckinghampet people : *vide* G.O., No. 764 M., dated 18th June 1894.

7. The revised budget closes with a balance of Rs. 4,670.

Budget for 1895–96.

8. *Receipts.*—The receipts for the year amount to Rs. 48,470 against Rs. 48,490 of the revised budget.

9. The variations in items which require special notice are explained below :—

10. *Realizations under Special Acts—Ferry Rents.*—Only Rs. 100 have been credited as the council does not expect more for the contract.

11. *Sale-proceeds of Land.*—Rs. 10,000 have been entered in order to meet the extraordinary expenditure proposed on bathing ghât and the new municipal hospital, say, Rs. 5,530 and Rs. 5,000, respectively.

The Southern Maharatta Company have already applied for land worth about Rs. 8,000 and further applications for different parts of the town are expected.

12. *Grants and Contributions from Government—Normal Stipends.*—Rs. 70 have been entered for the two students proposed to be sent for training to the Masulipatam training college during the year.

13. *Other Purposes.*—Rs. 150 are entered to meet the contributions for drawing master and gymnastic instructor, as suggested by the Director of Public Instruction, Madras, at Rs. 90 and Rs. 60, respectively.

14. *From Local Funds—Medical.*—Rs. 2,630 are entered as half of the cost of the upkeep of the municipal hospital, Bezwada.

15. *Other Purposes.*—Rs. 300 is the usual contribution sanctioned by the district board for the maintenance of the Hyderabad road within municipal limits.

16. *Miscellaneous—Private Scavenging and Cesspools.*—An increase is anticipated to result either from higher charges or from an increased number of cesspools. The matter is discussed more fully under expenditure.

17. *Expenditure.*—The details of items entered under Grant I, New Works and Repairs, having been shown in Statement II-A, Parts 1 and 2, respectively, no explanation is given here. Details will be found in the body of the statement.

18. *Contributions to Local Boards for Works.*—Rs. 5,500 are entered towards the construction of new hospital and the usual anicut road at Rs. 5,000 and Rs. 500, respectively.

19. *Grant II.*—The recommendations of the Director of Public Instruction, Madras, made in his No. 9880, dated 19th October 1894, have been adopted, and the details of establishments have been shown in Statement II-B as usual. The only addition to the establishment is a drawing master on Rs. 15 a month, and sanction may be accorded for the same.

20. *Grant III, Hospitals and Dispensaries.*—The proposals of the District Medical and Sanitary officer made in his Nos. 1220, dated 5th November 1894, and 940, dated 11th October 1894, have been entered in full and the details are shown in Statement II-B as usual. The present midwife gets Rs. 9–8–0 a month and the District Surgeon recommends a trained midwife on Rs. 15 a month in her stead. She has done poor work this year and has been recommended for dismissal. As in-patients have increased in number, and as it is found difficult for one ward-servant to watch every night, an additional ward-cooly on Rs. 5 to take turns for night duty is proposed. The District Surgeon has proposed to raise the salaries of three servants—wardman, peon and waterman—from Rs. 5 to Rs. 6. Sanction may be accorded for the above changes.

21. *Registration of Births and Deaths.*—The pay of the registrar has been raised from Rs. 10 to Rs. 12, as his responsibilities have increased with the population. Hence the increase in the establishment. Sanction is solicited.

22. *Conservancy and Road-cleaning, &c.—Other Charges, Rs.* 3,000.—A reduction of Rs. 1,000 has been made in this item, as Rs. 3,000 is expected to be sufficient.

23. *Private Scavenging.*—Government in their order on the administration report for 1893–94, paragraph 3 (4), passed certain strictures on the working of the private scavenging establishment. It was remarked that the municipality did this work at a loss of Rs. 197. I have on further enquiry found that the figures therein given were

wrong. The total cost of the carts employed was debited to private cesspools, whilst in reality, since the carts were used for a large part of each day for general conservancy work, the cost should have been divided between cesspools and the general account of the municipality. Under these circumstances, the estimated loss of Rs. 197 must be considered so very largely reduced, if not wholly removed. I submit that these considerations modify the financial aspect of last year's work materially. Private conservancy, however, has lately been referred to a committee; their report and proposals are promised after the Christmas holidays. The establishment of last year has therefore been proposed, and subsequent modification, if any, will be reported to Government for sanction, when the scheme referred to has been discussed and accepted.

24. *Grant IV, Lighting and Miscellaneous Purposes—Lighting Contingencies.*—A reduction of Rs. 100 has been made under this head as kerosine oil is procurable at cheaper rates.

25. *Avenues—Contingencies.*—The provision under this head is entered as only Rs. 20 as the council proposes to add no more fencings during the year.

26. *Grant V, Office Establishment.*—Rs. 180 have been added to meet the pay of despatch clerk proposed in my No. 663, dated 23rd July 1894, and advised by Government in G.O., No. 1099 M., dated 17th August 1894, under G.O., No. 1094 L., dated 14th June 1894. The pay has been fixed at Rs. 15.

27. The budget closes with a balance of Rs. 2,640.

28. A proposition statement showing the alterations proposed is herein enclosed for approval.

Masulipatam,
22nd January 1895.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 11th January 1895, No. 218.

Adverting to the budget estimate of the Bezwada Municipality for 1895–96, I have the honour to remark that the provision made therein for education is in accordance with the recommendations of this department and may be accepted. The net expenditure proposed on education is Rs. 3,000 (3,570—570), which is a little over 12 per cent. of the estimated income of the municipality from taxation, markets, and rents.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 29th January 1895, No. 64.

With reference to Grant III of the budget estimate of the Bezwada Municipality for the year 1895–96, I have the honour to state that the pay provided for the apothecary attached to the Bezwada hospital should be increased from Rs. 1,312–8–0 to Rs. 1,575 as he has completed fourteen years' service.

2. The proposal of the municipality to entertain (1) a trained midwife on Rs. 15 per mensem in lieu of the present one, (2) an additional ward cooly on Rs. 5 per mensem, and (3) to increase the pay of each of the three servants—wardman, peon and waterman—by Re. 1 per mensem has my approval.

3. I note that there is one ward servant on Rs. 6, another on Rs. 5 and now a ward cooly on Rs. 5 which I approve, but all these men should in future be designated ward attendants, male or female, as the case may be.

4. I do not understand why a cart-driver on Rs. 5 is required for a hospital.

From Surgeon-Lieut.-Colonel W. G. KING, M.B., C.M., D.P.H., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, Local and Municipal Department, dated Fort St. George, 4th February 1895, No. 224 S.

I have the honour to state that the Bezwada Municipal Council has, in its budget for 1895–96, provided Rs. 670 for vaccination and Rs. 10,440 for conservancy. The assignment for the latter object is about 24 per cent. of the estimated receipts. The income expected from the sale of rubbish, &c., is almost *nil*, while that from the private scavenging service and cleaning cesspools shows a marked advance.

2. The provision of latrines near the canal for the purpose of preventing its defilement is an urgent sanitary matter that has not received attention. The building of the bathing ghât at a cost of Rs. 8,715 is most desirable; its object also is prevention of contamination of the canal. Of the two, however, the provision of latrines is the more urgent, and I would advise, if saving cannot be effected elsewhere, that this be deferred till next year. Rs. 3,000 would probably secure a light foot-bridge across the canal and the latrines required on the opposite side.

3. The plan for the bathing ghât should, I think, be subjected to the scrutiny of the Sanitary Board.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 38,850 and Rs. 43,820, respectively, against Rs. 32,380 and Rs. 38,420 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under the taxes on arts and buildings and lands, ferry rents, sale-proceeds of lands, contributions from local boards and private scavenging fees, and that in the charges mainly under Grants I and IV. An application in the prescribed form for the allotments of funds referred to in paragraph 6 of the Chairman's letter and for such of the allotments mentioned in the last column of statement VI as require the sanction of Government should be submitted without delay.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the ensuing year are set down at Rs. 43,870 against the revised estimate of Rs. 38,850, the increase appearing chiefly under sale-proceeds of lands. The amount taken credit for as local fund contribution in aid of the municipal hospital will, with reference to paragraph 4 (4) *infra*, be raised by Rs. 130.

4. *Charges.*—(1) The probable charges are entered as Rs. 45,830 against Rs. 44,220 in the revised estimate, the increase being chiefly under Grant I.

(2) *Grant I.*—The allotment for Repairs—Communications will be raised by Rs. 440 with reference to paragraph 1 (1) of G.O., dated 14th March 1895, No. 428 M., and in order that it may represent 50 per cent. of the municipal income from tolls, which is the limit prescribed by Government. As the construction of the bathing ghât appears to have been already undertaken, the suggestion made by the Sanitary Commissioner in paragraph 2 of his letter read above cannot be adopted.

The provision of Rs. 1,300, which from statement II-A, Part I, appears to have been made for a common gymnasium and for expenditure on the Arundel chattram, should not be utilized until the necessity for them is fully explained.

(3) *Grant II.*—The entertainment of a drawing master on Rs. 15 per mensem, proposed in paragraph 19 of the Chairman's letter, is sanctioned.

(4) *Grant III.*—The provision made for the salary of the apothecary will, with reference to paragraph 1 of the Surgeon-General's letter read above, be raised by Rs. 260. The municipal council's proposals to entertain a trained midwife on Rs. 15 per mensem in lieu of the present incumbent on Rs. 9-8-0 and a ward cooly on Rs. 5 are sanctioned, but in the absence of specific reasons and owing to want of funds the proposal to grant an increase of Re. 1 in the salaries of the ward attendant, peon, and waterman cannot be entertained. The Chairman's attention will be drawn to the Surgeon-General's remark in paragraph 3 of his letter and he will be requested to furnish the explanation required in paragraph 4. The provision of Rs. 10 made for contribution on account of the cutlers' establishment will, with reference to G.O., dated 18th January 1895, No. 97 L., be struck out. Owing to want of funds, the increase in the salary of the registrar of births and deaths, proposed in paragraph 21 of the Chairman's letter, cannot be approved. The reduction by two of the number of scavenging toties, which from statement II-B appears to be contemplated, is approved, but reference should have been made to this in the Chairman's letter.

(5) *Grant V.*—The proposal to entertain an additional clerk on Rs. 15 per mensem is sanctioned. The contribution for the central office establishments will, with reference to G.O., dated 4th December 1894, No. 2527 L., be reduced from Rs. 240 to Rs. 220.

5. The budget, as revised by Government, closes with a balance of Rs. 2,230, or 4·5 per cent. of the estimated receipts.
