28TH FEBRUARY 1895, No. 201, FINANCIAL.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper:—

From the Accountant-General, dated 4th February 1895, No. 237.

ORDER—dated 28th February 1895, No. 201, Financial.

In the statement furnished by the Accountant-General the telephone clerk was shown under *Servants and Peons*. This item has been entered separately and the charges connected with the post peon have been included under *Temporary Peons and Clerks*. The "Grand Total" has also been entered. This arrangement should be followed in future statements.

2. The total charges on account of the move of Government to the Hills in 1894 amounted to Rs. 31,296 against Rs. 34,040 in 1893. Deducting from the former figure the recoveries on account of house-rent from clerks and savings arising from the undrawn Presidency allowance and house-rent of the Joint and Under Secretaries to Government, Public Works Department, it stands at Rs. 29,187.

3. The *Travelling allowance* on account of Assistants and clerks in all depart-ments and the *Hill allowance* in the Chief, Revenue and Military Secretariats showed a decrease, but the amount of *Hill allowance* drawn in the Public Works Secretariat was Rs. 185 in excess of the figure for 1893. These facts point to the conclusion that clerks on high pay were taken up in that department—a course which, where not absolutely necessary, should be avoided. The figures under both heads—*Travelling Allowance* and *Hill Allowance*—in the Revenue and Public Works Secretariats are still in excess of those in the Chief Secretariat. The attention of the Secretaries concerned will be specially drawn to the remarks in paragraph 3 of G.O., dated 16th March 1894, No. 218, in view to the expenditure under these heads being reduced.

4. The statement will be forwarded to the Home Government.

(True Extract.)
