SIR,

I have the honour to state that the
Srivilliputhur Municipality estimates
its expenditure on vaccination and
conservancy during 1895-96 at Rs 150
and Rs 2640 respectively. As regards
the former grant, I consider that
the contingent charges, placed at
Rs 30 for a whole year, have been
underestimated. In the absence of
information as to the estimated
receipts of the year, I am unable
to say what proportion thereof
has been allotted for conservancy.
2. Under Grant I, a sum of
Rs 830 is set apart for the constri-
tion and repair of works of a
sanitary character. The Collector
advises that the protection of
wells be deferred till next year.
bamboo

bamboo fences being in the mean-
time used. I am not aware of
the reason for the suggestion;
but, unless there be a dearth of
funds, I trust the important
matter of protection of water
supplies will receive due considera-
tion. The employment of bamboo
fences for the sanitary protection
of wells would be useless, and
the outlay consequently wasteful.

I have the honour to be
Sir

Your Most Obedt. Servant.
